He had one goal in life: endure a brutally difficult selection program, become a U.S. Army Ranger, and fight terrorists for his country. He poured everything into achieving his dream. In the first hours of his final leave before deployment to Iraq, Alex was supposed to fly home to see his family and beloved girlfriend. Instead, he got into his car with two fellow soldiers and two strangers, drove to a local bank in Tacoma, and committed armed robbery... The question that haunted the entire Blum family was: Why? Why would he ruin his life in such a spectacularly foolish way? At first, Alex insisted he thought the robbery was just another exercise in the famously daunting Ranger program. His attorney presented a case based on the theory that the Ranger indoctrination mirrored that of a cult. In the midst of his own personal crisis, and in the hopes of helping both Alex and his splintering family cope, Ben Blum, Alex's first cousin, delved into these mysteries, growing closer to Alex in the process. As he probed further, Ben began to question not only Alex, but the influence of his superior, Luke Elliot Sommer, the man who planned the robbery. A charismatic combat veteran, Sommer's manipulative tendencies combined with a magnetic personality pulled Ben into a relationship that put his loyalties to the test. This book will teach you the right mindset needed to help yourself thrive and improve your life. Learn the systems that worked for me when I faced challenges and fulfilled my dream to become an author. I will show you that helping yourself can be learned and developed, so that you can focus on turning your dreams into goals. *I Helped Myself*. Now, let me help you too! For a French soccer icon, and a gifted artist, a fake engagement is the perfect solution for their current dilemmas. But when last summer's fling slips from lust to love, their pretend relationship becomes too hot to handle. Gabriel DuVernay is heir to one of the oldest wineries in France, but his passion is playing soccer, not tending vines. When he signs a multi-million dollar deal with the Los Angeles Galaxy, he's able to postpone his unwelcome family duties and reunite with the striking redhead he can't forget. Last summer, artist Dylan McNeill's life on her family's Southern California horse-breeding ranch was thrown into chaos and she escaped to Paris. One electrifying night with a gorgeous playboy athlete helped her forget her problems. She's never forgotten Gabriel, but aspiring artists trying to break into the elite art world don't have time for romance. When Gabriel suffers a career-shattering injury, he needs to buy some time to figure out how to remain in America and choose his own future. A fictitious engagement seems like the simple answer until living at Pacific Vista Ranch and pretending to be in love starts to feel real. Can last year's one night stand and this year's fake engagement turn into true love forever?
