Anything can happen in Fool's Gold, California, including a second chance at first love this classic story from New York Times bestselling author Susan Mallery! Back in high school, Liz Sutton was the girl from the wrong side of the tracks. Then she'd stolen the heart of the most popular boy in town, and their secret romance helped her through the worst of times. Until Ethan Hendrix betrayed her and everything they'd ever meant to each other. Devastated and pregnant, Liz left Fool's Gold, California—forever, she thought.... Now Liz must return to town and face the man who doesn't know of their son's existence. And this time she won't have the option of making a quick getaway. Ethan and Liz can't deny their passionate attraction, even after all these years. But will their desire be enough to spark a second chance at love? Previously published. A loner cowboy finds the one woman who can capture his heart. Luca and Isolde travel to Venice in 1454, where they meet an alchemist who plans to create the Philosopher's Stone, a mystical substance said to be capable of turning base metals into gold and producing the elixir of life. New York Times bestselling author Susan Mallery's classic blend of lighthearted humor and intense emotional conflict works its magic on two newcomers to the California town of Fool's Gold, which Library Journal calls "a setting so real and appealing readers will want to start scoping out real estate." Destiny Mills believes passion has its place—like in the lyrics of the country songs that made her parents famous. After a childhood full of drama and heartache, she wants a life that's calm. Safe. Everything that Kipling Gilmore isn't. Her temporary assignment with the Fool's Gold search and rescue team puts her in delicious proximity to the former world-class skier every day. Part of her aches to let go for once...the rest is terrified what'll happen if she does. Though an accident ended his career, Kipling still lives for thrills—and a hot fling with a gorgeous redhead like Destiny would be a welcome diversion. Yet beneath his new coworker's cool facade is a woman who needs more than he's ever given. With her, he's ready to take the risk. But love, like skiing, is all about trust—and before you soar, you have to be willing to fall. Look for Best of My Love, the next title in Susan Mallery's Fool's Gold series. Two local Fool's Gold chefs have been tasked with putting together a cookbook of the town's favorite recipes, and readers can watch the two flirt, cook, and fall in love while cooking all of Fool's Gold's favorites themselves. After the breakup of her marriage, Isabel Beebe returns to her hometown to run the family bridal shop, where an encounter with her former teenage crush, Ford Hendrix, begins to renew her faith in romance. Returning home to Fool's Gold, California, former model Clay Stryker finds an unexpected ally in firefighter Chantal Dixon, a tomboy who, haunted by painful memories, sees beyond his good looks to the real man beneath. Return to Fool's Gold, California where keeping things strictly business may prove impossible in this charming, second chance romance from New York Times bestselling author Susan Mallery! Wedding bells are ringing in Fool's Gold, but not for Nevada Hendrix. Her triplet sisters are engaged, and even her mother has a more active love life than she does. Determined to make a fresh start, she applies for her dream job, only to discover that her new boss is her first love. Maybe she could overlook the fact that they've seen each other naked, but she'll never forget the way he broke her heart. Tucker Janack agrees to Nevada's "business only" ground rules. After all, love is a trap that the construction millionaire has avoided his whole life. But when great business partners turn out to be so much more, every rule gets broken. Will either of them be willing to try again...or will their past get in the way? Previously published. Using examples from his work with Disney and as a senior-level hospital executive, author Fred Lee challenges the assumptions that have defined customer service in healthcare. In this unique book, he focuses on the similarities between Disney and hospitals--both provide an "experience," not just a service. It shows how hospitals can emulate the strategies that earn Disney the trust and loyalty of their guests and employees. The book explains why standard service excellence initiatives in healthcare have not led to high patient satisfaction and loyalty, and it provides 9 1/2 principles that will help hospitals gain the competitive advantage that comes from being seen as "the best" by their own employees, consumers, and community. Our world is changing dramatically, yet many Christians still rely on cookie-cutter approaches to evangelism and apologetics. In his magnum opus, Os Guinness presents the art and power of creative persuasion—the ability to talk to people who are closed to what we are saying. Discover afresh the persuasive power of Christian witness. Felicia Swift unexpectedly finds a man from her past in Fool's Gold, California, but it seems that she wants more from Black Ops man Gideon Boylan than he has to give. When her feelings for her boss, former football hero Jack McGarry, are exposed, Larissa Owens tries to convince him to take a chance on love. #1 New York Times bestselling author Susan Mallery welcomes you back to Fool's Gold, California for a classic heartwarming tale for the holidays! The cheer in Fool's Gold, California, is bringing out the humbug in dancer Evie Stryker. An injury has forced her to return home to her estranged family. So she won't add to the awkward scenario by falling for the charms of her brother's best friend, no matter how tempting he is. When she's recruited to stage the winter festival, she vows to do as promised, then move on, anywhere but here. Jaded lawyer Dante Jefferson is getting used to the town he now calls home, but the pounding of little dancers' feet above his office is more than he can take. When he confronts their gorgeous teacher, he's unprepared for their searing attraction. Evie is his best friend's sister—off-limits unless he's willing to risk his heart. Dante has always believed that love is dangerous, but that was before he had to reckon with the magic of a certain small town, where miracles do seem to happen.... Previously published. PJ Skinner is the author of the Sam Harris Series of adventure mystery/thriller novels. She is a geologist who has spent thirty years roaming the planet and collecting tall tales and real-life experiences. After an enforced lay-off, she started to write fact-based novels from the relative safety of London. She still travels and works worldwide collecting material for the series and having her own adventures. The author has just published Africa Green, following the youngest daughter of the Green family in her attempts to become a journalist. After languishing for years at a pet tales magazine, she gets the chance to prove herself by writing an article about a chimpanzee sanctuary in Sierra Leone. PJ is working on a third book in the Green Family Saga about Liz Green, the oldest child of the family. She is also writing a space murder mystery after it kept her awake every night for weeks. Her complete Sam Harris Adventure series, of seven classic adventure novels, will appeal to lovers of exploration, mystery and travel. It has a unique viewpoint provided by Sam, a female interloper in a male world, as she struggles with alien cultures, corruption and herself. Laced with humour and keen observations, these novels have multicultural casts, and conflicted villains and heroes. If you love the danger and sword-fighting of MERLIN, you'll like this! In a discontent kingdom, civil war is brewing. To unify the divided people, Conner, a nobleman of the court, devises a cunning plan to find an impersonator of the king's long-lost son and install him as a puppet prince. Four orphans are recruited to compete for the role, including a defiant boy named Sage. Sage knows that Conner's motives are more than questionable, yet his life balances on a sword's point - he must be chosen to play the prince or he will certainly be killed. As Sage's journey continues, layer upon layer of treachery and deceit unfold, until finally a truth is revealed that proves more dangerous than all of the lies put together. When a small town's Type A event planner "dates" the laid-back heartbreaker, tongues will wag. Cameron loves his carefree life, hanging out at the local bar and bedding every ready-and-willing woman he finds. When his family's craft brewery needs him to plan a big event, he knows (begrudgingly) it's time to get serious. Annie was dumped by her boss's son, and he got engaged before her tears dried. When he invites her to his engagement party, she needs a date to make him jealous a little bit. The epic nineties-themed party they're planning is real fly, but the relationship is pretend...right? Author's Note: Small town. Opposites attract. Fake dating. Lots of nineties jams. Steamy times in a tiny home and a truck bed. Vigilante raccoons. Tall heroine (she's six feet!). Grab this funny, yet full-of-feels small town romance today! Surgeon Simon Bradley, who, scarred since childhood, moves from place to place to avoid emotional attachments, helping to heal children who need his skillful touch, is surprised to discover that, after meeting therapy dog trainer Montana Hendrix, he is in no hurry to leave Fool's Gold. A heartbroken baker and a charming but womanizing tour guide embark on an experiment to prove their respective gender's quality and trustworthiness while regaining self-respect, only to become the subject of gossip in their small hometown. He won't hesitate to put his life on the line...but will he ever risk his heart? Falling for Justice Garrett was a high point in Patience McGraw's otherwise awkward adolescence. Even after he disappeared, Patience never forgot the boy who

captured her heart. Now, he's back in Fool's Gold, California, and her passion for him is as strong as ever. But how can she trust that he won't abandon her again—and her daughter, too? When bodyguard Justice Garrett was a young man, witness protection brought him to this idyllic town and he never forgot its warmth, or the sweet beauty of his childhood friend. He's returned to open a defense academy, and the Patience he once knew is all grown up. He can't resist her smile, or her curves. But Justice's past doesn't make him husband, or father, material. Patience and Justice think they'll succumb to just one kiss... Then one more... Okay, just one night together. But they might learn that falling in love is beyond anyone's control. Magic has returned to Elda, creating all manner of wonders and terrors. None yet know that the source of this magic is the legendary Rosa Eldi, restored to the world, but not yet restored to herself. Unaware of her true nature, she has married King Ravn Asharson of the North, and now with usurpers and assassins circling she must conceive a child to establish the succession. In the Southern Empire, the fire of holy war is smouldering and violence is everywhere, fuelled by fundamentalist hatred and bigotry. Caught up in these machinations, peace-loving Saro Vingo is forced to take up arms against the North; and Virelai, apprentice sorcerer, finds himself chained to the murderous plans of his master, Tycho Issian. Ignoring his king's call to arms, Aran Aranson, chief of the Rockfall clan, is in the grip of a mad obsession borne of a magical map and dreams of sailing the frozen seas to Sanctuary, island of legend, to find a fortune. His daughter, Katla, dreams of sailing with him; but her fate lies elsewhere. All over Elda, forces are aligning themselves for good or for evil. There is magic in the world again, but it is wild and unpredictable, and few will count its touch a blessing. Captain Sisko and the crew of Deep Space Nine make their triumphant return to comics! When the station begins to be overrun by thieves, treasure-seekers, bounty-hunters and other assorted ne'er-do-wells, Major Kira and Constable Odo must find out why. Can they get to the bottom of it before the station's new visitors bring things to a boiling point?! A brand new story from Gillian Godden! A new life... With their wretched life in Liverpool behind them, Julie and Ralph Gold head to London for their next big break. Julie's had enough of slumming it, she's ready to quit their life of crime and go legit. The same old game... But it seems their reputation has beaten them to it, and the underworld is already bubbling with news of their arrival. And as much as Julie tries to go straight, the more people underestimate them and treat them like fools. And there is only so much Julie can take... One last trick. So when they are offered one final big job, Julie knows they should say no. It's risky and could cost them everything they have. But it could also be their last chance to make it big. And when fools rush in, the Golds take the spoils. Read what happens next for Julie and Ralph Gold in another gripping story by Gillian Godden. Award-winning journalist and social anthropologist Gillian Tett takes us inside the shadowy world of complex finance and derivatives and explains how the business of slicing and dicing debt led us to the devastating global credit crunch. #1 New York Times bestselling author Susan Mallery welcomes you back to Fool's Gold, California for a fan-favorite story between a rancher and small-town librarian who prove opposites do attract! Horse whisperer Shane Stryker is done with passion. This time around, he's determined to meet someone interested in the quiet ranch life. And the fiery, pint-size redhead who dazzles him at the local bar definitely does not fit the bill. Small-town librarian Annabelle Weiss has always seen herself as more of a sweetheart than a siren, so she can't understand why Shane keeps pushing her away. Shane has formed the totally wrong impression of her but only he can help her with a special event for the next Fool's Gold festival. And maybe while he's at it, she can convince him to teach her a few things about kissing on hot summer nights, too... Previously published. New York Times bestselling sensation Susan Mallery returns to Fool's Gold, California, where it's true that sometimes you have to kiss a few frogs... Former pro-football kicker Sam Ridge has notoriously bad luck with women—from cheaters to fame chasers. Still, the gorgeous brunette at the bar in Fool's Gold looks harmless—until she takes him home and he discovers a room devoted to securing a man, for life. Dellina Hopkins never guessed that storing gowns from a friend's bridal boutique would chase away her first and only fling. After her parents died, she skipped her "wild youth" to raise her sisters. She doesn't want forever from Sam, but one night—all night—would've been nice. His clean getaway gets messy when his firm hires Dellina to plan an event. As long hours lead to late nights, the two succumb to temptation again. Has Sam's luck finally changed? Or this time, will Dellina be the one to run? A former Special Ops agent turned bodyguard trainer, Angel Whittaker sets his sights on a tough-talking PR woman who never backs down from a challenge. Original. Most people have heard of pyrite, the brassy yellow mineral commonly known as fool's gold. But despite being the most common sulfide on the earth's surface, pyrite's bright crystals have attracted a noteworthy amount of attention from many different cultures, and its nearly identical visual appearance to gold has led to tales of fraud, trickery, and claims of alchemy. Pyrite occupies a unique place in human history: it became an integral part of mining lore in America during the 19th century, and it has a presence in ancient Sumerian texts, Greek philosophy, and medieval poetry, becoming a symbol for anything overvalued. In 'Pyrite', geochemist and author David Rickard blends basic science and historical

narrative to describe the many unique ways pyrite makes appearances in our world. He follows pyrite back through the medieval alchemists to the ancient Arab, Chinese, Indian, and Classical worlds, showing why the mineral was central to the development of these various ancient cultures. Pyrite can be tracked to the beginnings of humankind, and Rickard reveals how it contributed to the origins of our art and storytelling and even to our biologic development as humans. When her best friend is once again cheated upon by her boyfriend, Penny decides to form a club that identifies jerks and steers girls away from them and toward nice boys, but finds it more difficult than she thought. From award-winning Financial Times journalist Gillian Tett, who enraged Wall Street leaders with her news-breaking warnings of a crisis more than a year ahead of the curve, *Fool's Gold* tells the astonishing unknown story at the heart of the 2008 meltdown. Drawing on exclusive access to J.P. Morgan CEO Jamie Dimon and a tightly bonded team of bankers known on Wall Street as the "Morgan Mafia," as well as in-depth interviews with dozens of other key players, including Treasury Secretary Timothy Geithner, Tett brings to life in gripping detail how the Morgan team's bold ideas for a whole new kind of financial alchemy helped to ignite a revolution in banking, and how that revolution escalated wildly out of control. The deeply reported and lively narrative takes readers behind the scenes, to the inner sanctums of elite finance and to the secretive reaches of what came to be known as the "shadow banking" world. The story begins with the intense Morgan brainstorming session in 1994 beside a pool in Boca Raton, where the team cooked up a dazzling new idea for the exotic financial product known as credit derivatives. That idea would rip around the banking world, catapult Morgan to the top of the turbocharged derivatives trade, and fuel an extraordinary banking boom that seemed to have unleashed banks from ages-old constraints of risk. But when the Morgan team's derivatives dream collided with the housing boom, and was perverted—through hubris, delusion, and sheer greed—by titans of banking that included Citigroup, UBS, Deutsche Bank, and the thundering herd at Merrill Lynch—even as J.P. Morgan itself stayed well away from the risky concoctions others were peddling—catastrophe followed. Tett's access to Dimon and the J.P. Morgan leaders who so skillfully steered their bank away from the wild excesses of others sheds invaluable light not only on the untold story of how they engineered their bank's escape from carnage but also on how possible it was for the larger banking world, regulators, and rating agencies to have spotted, and heeded, the terrible risks of a meltdown. A tale of blistering brilliance and willfully blind ambition, *Fool's Gold* is both a rare journey deep inside the arcane and wildly competitive world of high finance and a vital contribution to understanding how the worst economic crisis since the Great Depression was perpetrated. 'Fool's Gold' chronicles the breakdown of a romantic relationship that was at first intoxicating, before turning toxic. Lyrical poetry and postcard prose explore the delicate and often complicated reality of infatuation, frustration, deception, and ultimately, letting go. Discover how to apply the ancient wisdom of the book of Proverbs to your modern life with this daily devotional and small-group Bible study guide. Take Heart, Beloved. His Light Is Shining, And Your Path Is Clear. Wherever you are on your journey, here is the wisdom you need for the road ahead. Maybe you're stuck and want to move forward. Or you feel anxious and long to know what's next. Or you're ready for an uplifting reminder that God holds your future in His loving hands. Chosen by hundreds of women as their favorite verses in Proverbs, these thirty-one nuggets of truth reveal how faithfully God honors His promise, "I will instruct you in the way of wisdom and lead you along straight paths" (Proverbs 4:11). Best-selling author Liz Curtis Higgs examines each word with care and adds a sprinkling of humor through her honest stories and personal examples. For each verse you'll find a unique "One Minute, One Step" challenge—a do-it-now task that requires one minute or less. You'll soon discover how practical and meaningful the book of Proverbs is as you apply its ancient wisdom to your thoroughly modern life. With a study guide included, 31 Proverbs to Light Your Path is a daily devotional and a small-group Bible study, wrapped in a beautiful gift book brimming with encouragement! Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence ("Law 1: Never Outshine the Master"), others teach the value of confidence ("Law 28: Enter Action with Boldness"), and many recommend absolute self-preservation ("Law 15: Crush Your Enemy Totally"). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game. When Pia O'Brian's best friend dies, Pia expects to inherit her cherished cat. "Eureka!" In an age of open-mindedness, many believers accept too much with too little discernment, resulting in great confusion and compromise. But God's Word makes it clear that not everything that glitters is gold. False teaching is at every turn, and the temptation to embrace it is great. As God's people we are called to sift through the overwhelming number of traditions and trends and use the truth of Scripture to determine which are the true treasures—and which are "fool's gold." General editor John

MacArthur and the contributors of this uncompromising book define the principles of biblical discernment and use them to address several contemporary Christian issues. They provide straightforward, biblical critiques of some popular but unfortunate Christian trends, such as watered-down preaching and doctrinally questionable best-selling books. Dr. MacArthur ends with a practical plan for cultivating discernment in the Christian life. It is the duty of every Christian—not just pastors and elders—to follow the biblical command to cling to what is good and to reject what is not. This book will equip you with a foundation for biblical discernment that will enable you to make careful distinctions in your thinking about truth. Rediscover the book that started it all... Welcome to Fool's Gold, California, a charming community in the foothills of the Sierra Nevada. There's lots to do and plenty of people to meet, especially women. Because there's just one tiny problem in Fool's Gold: the men don't seem to stick around. Maybe it's the lure of big-city life, or maybe it's plain old bad luck, but regardless of the reason, the problem has to be fixed, fast. And Charity Jones may be just the city planner to do it. Charity's nomadic childhood has left her itching to settle down, and she immediately falls in love with all the storybook town has to offer—everything, that is, except its sexiest and most famous resident, former world-class cyclist Josh Golden. With her long list of romantic disasters, she's not about to take a chance on another bad boy, even if everyone else thinks he's perfect just the way he is. But maybe that's just what he needs—someone who knows the value of his flaws. Someone who knows that he's just chasing perfect. And don't miss Susan's brand-new bonus novella, *A Fool's Gold Wedding*, inside this book! Fool's Gold: The Life and Legacy of Vancouver's Official Town Fool is the second release in Jesse Donaldson's *49.2: Tales from the Off Beat*, an ongoing series dedicated to celebrating the eccentric and unusual aspects of Vancouver. In Fool's Gold, Donaldson explores the legacy of Joachim Foikis. On April 1, 1968, a tall, bespectacled, 35-year-old former social worker named Joachim Foikis received \$3,500 from the Canada Council for the Arts in order to finance a unique, self-imposed mission unseen since Elizabethan England: reinvent the vanished tradition of "Town Fool." The 35-year-old Foikis, who held two university degrees (one in economics from the University of Berlin, and the other in literature from the University of British Columbia), was already well known throughout the city for his off-kilter antics. His aim, according to interviews with *The Sun* and *The Province*, was "to spread joy and confusion" while at the same time "mock the four pillars of society: money, status, respectability, and conformity." Praise for Donaldson's previous book, *This Day in Vancouver*: "Donaldson combed through archives all around the city and consulted with experts of all stripes to put together the book. The result is a fascinating read - it's everything you never knew about Vancouver and didn't think to ask. Once you flip through this book, you'll never look at the city the same way again." (*The Province*) When Katie McCormick finds out that her sister is marrying her ex, she finally agrees to a setup for the big day. To her surprise, Jackson is a catch. But when wedding catastrophe ensues, will their sparks fizzle or ignite into flames? In January of 1848, James Marshall discovered gold at Sutter's Mill in the foothills of the Sierra Nevada. For a year afterward, news of this discovery spread outward from California and started a mass migration to the gold fields. Thousands of people from the East Coast aspiring to start new lives in California financed their journey West on the assumption that they would be able to find wealth. Some were successful, many were not, but they all permanently changed the face of the American West. In this text, Mark Eifler examines the experiences of the miners, demonstrates how the gold rush affected the United States, and traces the development of California and the American West in the second half of the nineteenth century. This migration dramatically shifted transportation systems in the US, led to a more powerful federal role in the West, and brought about mining regulation that lasted well into the twentieth century. Primary sources from the era and web materials help readers comprehend what it was like for these nineteenth-century Americans who gambled everything on the pursuit of gold. A NEW YORK TIMES NOTABLE BOOK OF THE YEAR A WASHINGTON POST NOTABLE BOOK OF THE YEAR ONE OF BARACK OBAMA'S FAVORITE BOOKS OF THE YEAR ONE OF NPR'S BEST BOOKS OF 2020 LONGLISTED FOR THE 2020 BOOKER PRIZE FINALIST FOR THE 2020 CENTER FOR FICTION FIRST NOVEL PRIZE WINNER OF THE ROSENTHAL FAMILY FOUNDATION AWARD, FROM THE AMERICAN ACADEMY OF ARTS AND LETTERS A NATIONAL BOOK FOUNDATION "5 UNDER 35" HONOREE NATIONAL BESTSELLER "Belongs on a shelf all of its own." —NPR "Outstanding." —The Washington Post "Revolutionary . . . A visionary addition to American literature." —Star Tribune An electric debut novel set against the twilight of the American gold rush, two siblings are on the run in an unforgiving landscape—trying not just to survive but to find a home. Ba dies in the night; Ma is already gone. Newly orphaned children of immigrants, Lucy and Sam are suddenly alone in a land that refutes their existence. Fleeing the threats of their western mining town, they set off to bury their father in the only way that will set them free from their past. Along the way, they encounter giant buffalo bones, tiger paw prints, and the specters of a ravaged landscape as well as family secrets, sibling rivalry, and glimpses of a different kind of future. Both epic and intimate, blending Chinese symbolism and reimagined history with fiercely original language and storytelling, *How Much of These Hills Is Gold* is a haunting adventure story, an unforgettable sibling story, and the announcement of a stunning new voice in literature. On a broad level, it explores race in an expanding country and the question of

where immigrants are allowed to belong. But page by page, it's about the memories that bind and divide families, and the yearning for home. Dakota Hendrix, who is overseeing the romance reality competition filming in Fool's Gold and screening eligible bachelors, finds herself drawn to Finn Anderssen, a sexy stranger who will do anything to keep his twin brothers off the show.
