**Heroes Beneath the Waves** Aug 27 2020 The unbelievable stories of the heroic men who sailed under the sea. In *Heroes Beneath the Waves*, many brave men who rode submarines to great depths and across the oceans into unknown territory share their experiences, fears, and thoughts. They allow us to travel back in time through their memories. Trained for years to keep silent—for “loose lips sink ships”—many still believe what they know to be classified and refuse to disclose even the minutest of recollections. Others, however, want to leave a legacy of reminiscences for people to learn and live by—to know that freedom is not free. Some stories will never be told. Held within the secret confines of their souls, these deep sea veterans block them out for self-perseverance. Yet, there are others who will never escape their own minds; they relive their underwater experiences over and over with eyes open or shut. *Heroes Beneath the Waves* is about teenage boys who left farms, small towns, and inner cities to defend the United States and democracy worldwide. Signing up for United States Navy submarine duty was an adventure of a lifetime during the early 1940s. Dreams of torpedoing Japanese and German ships and subs consumed their thoughts. Those who returned home as young men were older and wiser. *Heroes Beneath the Waves* was written to honor these men—gallant heroes—who served and are serving today on submarines. Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*The Undermining of Convention in The Waves* Aug 07 2021

**Selected Poems** Dec 11 2021 A career-defining retrospective by a much-beloved contemporary master.

Sons of the Waves Feb 01 2021 "[A] rollicking narrative . . . Superb"--Ben Wilson, Times ?A brilliant telling of the history of the common seaman in the age of sail, and his role in Britain's trade, exploration, and warfare British maritime history in the age of sail is full of the deeds of officers like Nelson but has given little voice to plain, "illiterate" seamen. Now Stephen Taylor draws on published and unpublished memoirs, letters, and naval records, including court-martials and petitions, to present these men in their own words. In this exhilarating account, ordinary seamen are far from the hapless sufferers of the press gangs. Proud and spirited, learned in their own fashion, with robust opinions and the courage to challenge overweening authority, they stand out from their less adventurous compatriots. Taylor demonstrates how the sailor was the engine of British prosperity and expansion up to the Industrial Revolution. From exploring the South Seas with Cook to establishing the East India Company as a global corporation, from the sea battles that made Britain a superpower to the crisis of the 1797 mutinies, these "sons of the waves" held the nation's destiny in their calloused hands.

**St. Mary's County** Dec 31 2020

**A Thousand Mornings** Dec 23 2022 The New York Times-bestselling collection of poems from celebrated poet Mary Oliver In *A Thousand Mornings*, Mary Oliver returns to the imagery that has come to define her life's work, transporting us to the marshland and coastline of her beloved home, Provincetown, Massachusetts. Whether studying the leaves of a tree or mourning her treasured dog Percy, Oliver is open to the teachings contained in the smallest of moments and explores with startling clarity, humor, and kindness the mysteries of our daily experience.

**Reports on County Resources: St. Mary's County** Oct 29 2020

Making Waves Jun 24 2020 The first novel by the author of acclaimed national bestseller *The Sunday Wife*, now reissued in paperback. In a small Alabama town in Zion County, life is finally looking up for 20-year-old Donnette Sullivan. Having just inherited her aunt's old house and beauty shop, she's taken over the business. Her husband, Tim, recently crippled in an accident, is beginning to cope not only with his disability but also with the loss of his dreams. Once a promising artist who gave up art for sports, Tim paints a sign for Donnette's new shop, *Making Waves*, that causes ripples throughout the small southern community. In a sequence of events--sometimes funny, sometimes tragic--the lives of Donnette, Tim, and others in their small circle of family and friends are unavoidably affected. Once the waves of change surge through Zion County, the lives of its people are forever altered.

**The Forest of Hands and Teeth** Feb 13 2022 In Mary's world there are simple truths. The Sisterhood always knows best. The Guardians will protect and serve. The Unconsecrated will never relent. And you must always mind the fence that

surrounds the village; the fence that protects the village from the Forest of Hands and Teeth. But, slowly, Mary's truths are failing her. She's learning things she never wanted to know about the Sisterhood and its secrets, and the Guardians and their power. And, when the fence is breached and her world is thrown into chaos, about the Unconsecrated and their relentlessness. Now, she must choose between her village and her future, between the one she loves and the one who loves her. And she must face the truth about the Forest of Hands and Teeth. Could there be life outside a world surrounded in so much death? [STAR] "A bleak but gripping story...Poignant and powerful."-Publishers Weekly, Starred "A postapocalyptic romance of the first order, elegantly written from title to last line."-Scott Westerfeld, author of the Uglies series and Leviathan "Intelligent, dark, and bewitching, The Forest of Hands and Teeth transitions effortlessly between horror and beauty. Mary's world is one that readers will not soon forget."-Cassandra Clare, bestselling author of City of Bones "Opening The Forest of Hands and Teeth is like cracking Pandora's box: a blur of darkness and a precious bit of hope pour out. This is a beautifully crafted, page-turning, powerful novel. I thoroughly enjoyed it."-Melissa Marr, bestselling author of Wicked Lovely and Ink Exchange "Dark and sexy and scary. Only one of the Unconsecrated could put this book down."-Justine Larbalestier, author of How to Ditch Your Fairy

**Mary's meadow; Snap-dragons; Dandelion clocks; and other stories** May 24 2020

**Mary Catherine Rules the Waves!: A Play About Wave Science** Jan 24 2023 Mary Catherine and her classmates are on a field trip to the water park, and they're in charge of running the wave pool! Can these five friends figure out the science behind generating waves, or will the park guests be disappointed? Good thing they have notes from Mr. Bluni's science class to help them. This engaging play introduces readers to the science of waves, simplifying complex concepts into concrete examples. Adorable illustrations accompany the text and help readers get into character. This fun and informative play will be valuable to any science curriculum.

Down by the Waves: or, sketches from the lookout Apr 22 2020

Mary Anerley Jan 20 2020 The mouth of that cave is two fathoms wide for a longish bit of channel; and, Mary dear, if I had not been supported by continual thoughts of you, I must have gone against the sides, or downright to the bottom, from the waves keeping knocking me about so. I may tell you that I felt that I should never care again, as my clothes began to bag about me, except to go down to the bottom and be quiet, but for the blessed thought of standing up some day, at the 'hymeneal altar, ' as great people call it, with a certain lovely Mary.

Ashes on the Waves Feb 25 2023 A sexy gothic romance based on Edgar Allan Poe's "Annabel Lee" Liam MacGregor is

cursed. Haunted by the wails of fantastical Bean Sidhes and labeled a demon by the villagers of Dòchas, Liam has accepted that things will never get better for him—until a wealthy heiress named Annabel Leighton arrives on the island and Liam’s fate is changed forever. With Anna, Liam finally finds the happiness he has always been denied, but the violent, mythical Otherworlders, who inhabit the island and the sea around it, have other plans. They make a wager on the couple’s love, testing its strength through a series of cruel obstacles. But the tragedies draw Liam and Anna even closer. Frustrated, the creatures put the couple through one last trial—and this time it’s not only their love that’s in danger of being destroyed. Based on Edgar Allan Poe’s chilling poem Annabel Lee, with references to many of his other poems including The Raven, Mary Lindsey creates a frighteningly beautiful gothic novel that glorifies the power of true love. Perfect for fans of Lauren Kate's Fallen series, Kendra Blake's Anna Dressed in Blood, and Kelly Creagh's Nevermore. Praise for ASHES ON THE WAVES “Achingly beautiful and darkly sensuous ... an extraordinary read that left me breathless at every turn!” --Sophie Jordan, New York Times bestselling author of Firelight “Mary Lindsey, inspired by Edgar Allan Poe, has created a haunting, mystical world. I loved this tragic, romantic story.” --Cate Tiernan, author of Sweep and Immortal Beloved

Beneath the Waves Jul 06 2021 Open this charming read-aloud book and you'll find amazing animal profiles, whimsical poetry, stunning photography, plus fascinating information about the wondrous creatures that call the ocean home. Starting with the seashore and journeying through the ocean's zones, readers will discover mangrove forests, coral reefs, and the deepest ocean depths. On this journey they will discover some of the extraordinary animals that live on shore and under the sea. Along the way, readers will enjoy poems, stories, fun facts, photo galleries, and more. Highlights include a foreword from explorer and renowned photojournalist Brian Skerry; an interview with National Geographic Explorer and marine conservationist Jess Cramp; a poem by former children's poet laureate J. Patrick Lewis; the work of Explorer-in-Residence and ocean ecologist Enric Sala; and an afterword by renowned ocean conservationist Sylvia Earle. This keepsake treasure is sure to wow readers while also serving as an important reminder to protect this precious and wonderful resource.

**My Symphony** Nov 10 2021 An 18th century poem about living a virtuous life and real satisfaction coming from contentment. 4-8 yrs.

**Maryland Geological Survey: St. Mary's County** Feb 19 2020

**To Rule the Waves** Jul 26 2020 From a brilliant Brookings Institution expert, an "important" (The Wall Street Journal) and "penetrating historical and political study" (Nature) of the critical role that oceans play in the daily struggle for global power, in the bestselling tradition of Robert Kaplan's *The Revenge of Geography*. For centuries, oceans were the chessboard on which empires battled for supremacy. But in the nuclear age, air power and missile systems dominated our worries about security, and for the United States, the economy was largely driven by domestic production, with trucking and railways that crisscrossed the continent serving as the primary modes of commercial transit. All that has changed, as nine-tenths of global commerce and the bulk of energy trade is today linked to sea-based flows. A brightly painted forty-foot steel shipping container loaded in Asia with twenty tons of goods may arrive literally anywhere else in the world; how that really happens

and who actually profits from it show that the struggle for power on the seas is a critical issue today. Now, in vivid, closely observed prose, Bruce Jones conducts us on a fascinating voyage through the great modern ports and naval bases—from the vast container ports of Hong Kong and Shanghai to the vital naval base of the American Seventh Fleet in Hawaii to the sophisticated security arrangements in the Port of New York. Along the way, the book illustrates how global commerce works, that we are amidst a global naval arms race, and why the oceans are so crucial to America’s standing going forward. As Jones reveals, the three great geopolitical struggles of our time—for military power, for economic dominance, and over our changing climate—are playing out atop, within, and below the world’s oceans. The essential question, he shows, is this: who will rule the waves and set the terms of the world to come?

*Over Nine Waves* Oct 17 2019 "These legends are the action-packed stories - of ancient heroes, huge battles, attempted invasions, prophecies and spells, clashes between the underworld and the real world, abductions, love affairs and feasts - which have fascinated the Irish mind for more than 2,000 years . . . Most of them have an extraordinary, stark narrative sweep, with a marvellous sense of detail . . . Heaney writes directly and fluently . . . with great tact and skill.' Sunday Times  
**The Great Wave, and Other Stories** Jan 12 2022 Eleven new stories of Ireland, some of which first appeared in "The New Yorker."

*The Most of It* Oct 21 2022 “[Mary] Ruefle . . . brings us an often unnerving, but always fresh and exhilarating view of our common experience of the world.”—Charles Simic Fans of Lydia Davis and Miranda July will delight in this short prose from a beloved and cutting-edge poet. Here are thirty stories that deliver the soft touch and the sucker punch with stunning aplomb. Ducks, physicists, detectives, and The New York Times all make appearances. From “The Dart and the Drill”: I do not believe that when my brother pierced my skull with a succession of darts thrown from across our paneled rec room on the night of November 18th in my sixth year on earth, he was trying to transcend the notions of time and space as contained and protected by the human skull. But who can fathom the complexities of the human brain? Ten years later—this would have been in 1967—the New York Times reported a twenty-four year old man, who held an honor degree in law, died in the process of using a dentist’s drill on his own skull, positioned an inch above his right ear, in an attempt to prove that time and space could be conquered . . . Mary Ruefle’s poems and prose have appeared in Harper’s Magazine, The Best American Poetry, and The Next American Essay. Her many awards include NEA and Guggenheim fellowships. She is a frequent visiting professor at the University of Iowa, and she lives and teaches in Vermont.

**Through Waters Deep (Waves of Freedom Book #1)** May 16 2022 It is 1941 and America teeters on the brink of war.

Outgoing naval officer Ensign Jim Avery escorts British convoys across the North Atlantic in a brand-new destroyer, the USS Atwood. Back on shore, Boston Navy Yard secretary Mary Stirling does her work quietly and efficiently, happy to be out of the limelight. Yet, despite her reserved nature, she never could back down from a challenge. When evidence of sabotage on the Atwood is found, Jim and Mary must work together to uncover the culprit. A bewildering maze of suspects emerges, and Mary is dismayed to find that even someone close to her is under suspicion. With the increasing pressure, Jim and Mary find that many new challenges--and dangers--await them. Sarah Sundin takes readers to the tense months before the US entered WWII. Readers will encounter German U-boats and torpedoes, along with the explosive power of true love, in this hopeful and romantic story.

*Tudor Roses* Apr 03 2021 This volume of *Tudor Roses* presents new and reimagined garments based on the original *Tudor Roses* published in 1998. Alice Starmore looks to historical female figures of the Tudor Dynasty as inspiration for her stunning knitwear, and her modernization of traditional Fair Isle and Aran patterns has created a sensation in the knitting world. Through garment design, Starmore and her daughter Jade tell the stories of fourteen women connected with the Tudor dynasty. They weave a narrative around the known facts of their subjects' lives using photography, art, and the only medium through which the Tudor women could leave a lasting physical record in their world — needlework. *Tudor Roses* includes fourteen patterns for sweaters and other wearables that follow the chronological order of the Tudor dynasty. A different model portrays each of the Tudor women, from Elizabeth Woodville, grandmother of Henry VIII, through Mary, Queen of Scots. The stunning design and photography appeals to knitters seeking designs that offer an attractive balance of historic and modern elements.

**She Waves** Nov 29 2020 I don't know what to believe anymore. I had a mother. That's it, just a mother. But then there was a house fire, and well, no more mother. I do have friends that might as well be family, and I am grown, so life could be worse I suppose. At least, that's what everyone keeps telling me. It takes a bit of support from those around me, but I do get my life together and moving forward. Eventually, I buy my own home. A beautiful, old, Victorian-Style house that I'd admired my entire life. What I hadn't counted on were the skeletons in the old home's closets. Nothing could have prepared me for how that house's past would affect my future. \* \* \* \* \* Miss Mary, I love her. It's her house that I bought. She a kind, old lady. She's like the grandmother I never had. Every morning, and every afternoon, she used to wave at the kids walking back and forth to school. They waved back, and a few would sometimes stop by to chat. She's a pillar in our community, all because she took the time to wave. When I was a kid, actually from since before I can remember, right up until the stroke that

forced her out of the house, Miss Mary waved. I could never get her to tell me why she'd started doing it. But, as time went on and I slowly befriended the rest of her family, I realized they harbored a secret. Something happened in the house years ago. Whatever that secret is, it's why she waves.

*A Thousand Mornings* Mar 14 2022 I go down to the shore in the morning and depending on the hour the waves are rolling in or moving out, and I say, oh, I am miserable, what shall- what should I do? And the sea says in its lovely voice: Excuse me, I have work to do. Whether studying the leaves of a tree or mourning her treasured dog Percy, Mary Oliver is beautifully open to the teachings contained within the smallest of moments. In *A Thousand Mornings* she explores, with startling clarity, humour and kindness, the mysteries of our daily experience.

**Devotions** Dec 19 2019 A New York Times Bestseller, chosen as Oprah's "Books That Help Me Through" for Oprah's Book Club "No matter where one starts reading, *Devotions* offers much to love, from Oliver's exuberant dog poems to selections from the Pulitzer Prize-winning *American Primitive*, and *Dream Work*, one of her exceptional collections. Perhaps more important, the luminous writing provides respite from our crazy world and demonstrates how mindfulness can define and transform a life, moment by moment, poem by poem." —The Washington Post "It's as if the poet herself has sidled beside the reader and pointed us to the poems she considers most worthy of deep consideration." —Chicago Tribune Pulitzer Prize-winning poet Mary Oliver presents a personal selection of her best work in this definitive collection spanning more than five decades of her esteemed literary career. Throughout her celebrated career, Mary Oliver has touched countless readers with her brilliantly crafted verse, expounding on her love for the physical world and the powerful bonds between all living things. Identified as "far and away, this country's best selling poet" by Dwight Garner, she now returns with a stunning and definitive collection of her writing from the last fifty years. Carefully curated, these 200 plus poems feature Oliver's work from her very first book of poetry, *No Voyage and Other Poems*, published in 1963 at the age of 28, through her most recent collection, *Felicity*, published in 2015. This timeless volume, arranged by Oliver herself, showcases the beloved poet at her edifying best. Within these pages, she provides us with an extraordinary and invaluable collection of her passionate, perceptive, and much-treasured observations of the natural world.

*The Wave* Sep 27 2020 A riveting and rollicking tour-de-force about the terrifying power of nature's most deadly phenomena — colossal waves — and the scientists and super surfers who are obsessed with them. The New York Times bestselling author of *The Devil's Teeth* probes the dramatic convergence of baffling gargantuan waves that pummel oil rigs and sink massive ships, the extreme surfers willing to stare down death in order to ride them, and the marine scientists trying to

unlock the physics of these waves, the climate changes that are provoking them, and what chaos they might wreak. Susan Casey explores the phenomenon of monster waves and how they have become an obsession for extreme surfers like Laird Hamilton — who serves as the author's guide as she takes the reader into the intense, white-knuckle world of 100-foot waves.

Dream Work Nov 17 2019 Dream Work, a collection of forty-five poems, follows both chronologically and logically Mary Oliver's American Primitive, which won her the Pulitzer Prize for the finest book of poetry published in 1983 by an American poet. The depth and diversity of perceptual awareness—so steadfast and radiant in American Primitive—continue in DreamWork. She has turned her attention in these poems to the solitary and difficult labors of the spirit—to accepting the truth about one's personal world, and to valuing the triumphs while transcending the failures of human relationships.

Whether by way of inheritance—as in her poem about the Holocaust—or through a painful glimpse into the present—as in Acid, a poem about an injured boy begging in the streets of Indonesia—the events and tendencies of history take on a new importance here. More deeply than in her previous volumes, the sensibility behind these poems has merged with the world. Mary Oliver's willingness to be joyful continues, deepened by self-awareness, by experience, and by choice.

Bernard in Virginia Woolf's The Waves Mar 02 2021

**A Walk on the Waves** Mar 22 2020 Retells what happened when Jesus walked across a stormy lake to join his disciples in their boat.

**Dunce** Jun 17 2022 A stunning new collection of poems from Mary Ruefle inviting the many readers of her prose to discover the central form of her literary imagination.

Dive Through the Wave Aug 19 2022 During her family's visits to the beach on Long Island, Ruth makes friends with a lifeguard who helps her handle her worries about the war, an outbreak of polio, and being the youngest girl in sixth grade.
