*Cast In Shadow (The Chronicles of Elantra, Book 1)* Jul 17 2022 Seven years ago Kaylin fled the crime-riddled streets of Nightshade, knowing that something was after her.

*Cast in Wisdom* Aug 06 2021 SOMETHING IS WAKING The fiefs that exist at the heart of the city of Elantra are home to sentient Towers that guard the world against the incursion of Shadow. But between the fiefs exists the gray world of the border zone. In it, geography changes between one passage across a border and the next. The rules of magic are different there—and yet somehow familiar to Kaylin Neya. When a Shadow escapes, Kaylin must find out how...and why. If Shadows can breach the barrier erected by the Towers, the whole of Elantra will be devoured. It's happened on other worlds. Bellusdeo, Kaylin's Dragon companion, absolutely believes it can happen on theirs. The border zone holds secrets and ancient histories, and people are gathering there in search of its power. Without even understanding what that power is, or why it exists, Kaylin is in a desperate race against time to find those secrets first. She doesn't know who her enemies are. She doesn't know how many she'll face. But she won't face them alone.

**Cast in Eternity** Apr 21 2020 Dead men tell no tales When Corporal Kaylin Neya is assigned front desk duty--a task hated by every Hawk--the only thing she can look forward to besides an endless stream of complaints is visits from a dotty old woman, because she always brings baked goods along with information passed on by her friends, who happen to be ghosts no one else can see. But then the old woman's invisible friends have news about Severn Handred: his unusual weapon has caught their attention. Concerned, Kaylin accompanies the woman home because she has a few questions to ask these so-called ghosts. Sadly, Kaylin can also see them. And she can see other spirits in the woman's house as well--four children who've been trapped there for decades. When Kaylin looks into the deaths in the records at the Halls of Law, something doesn't add up. Factor in a building that isn't supposed to exist, and nothing makes sense. But Kaylin is a Hawk, and she's determined to free the trapped ghosts of the children, even if she's suddenly landed in the middle of the bad kind of Barrani history. Someone doesn't want the past to be uncovered, and they're perfectly willing to destroy Kaylin if it preserves the secrets of the dead... *Michelle Sagara Chronicles of Elantra Vol 4* Jan 31 2021 CHRONICLES OF ELANTRA, VOLUME 4 New York Times bestselling author Michelle Sagara sweeps readers away to the fantastical city of Elantra, where magic and adventure ensure that the life of Private Kaylin Neya is never boring. **CAST IN SORROW** Private Kaylin Neya arrives in the West March surrounded by enemies old and new, only to discover that she is expected to play the role of "harmoniste"—one who helps divine the truth behind a Barrani Recitation. But in a land where words are more effective than weapons, Kaylin's duties are deadly. **CAST IN FLAME** Private Kaylin Neya returned from the West March in one piece, but she's having trouble handling the new residents in the city she polices—one of whom is Nightshade's younger brother. *Cast in Oblivion* Sep 07 2021 **POLITICS ARE HELL** Kaylin wasn't sent to the West March to start a war. Her mission to bring back nine Barrani might do just that, though. She traveled with a Dragon, and her presence is perceived as an act of aggression in the extremely hostile world of Barrani-Dragon politics. Internal Barrani politics are no less deadly, and Kaylin has managed—barely—to help the rescued Barrani evade both death and captivity at the hands of the Consort. Before the unplanned "visit" to the West March, Kaylin invited the Consort to dinner. For obvious reasons, Kaylin wants to cancel dinner—forever. But the Consort is going to show up at the front door at the agreed-upon time. The fact that she tried to imprison Kaylin's guests doesn't matter at all...to her. A private Barrani Hell, built of Shadow and malice, exists beneath the High Halls. It is the High Court's duty to jail the creature at its heart—even if it means that Barrani victims are locked in the cage with it. The Consort is willing to do almost anything to free the trapped and end their eternal torment. And she needs the help of Kaylin's houseguests—and Kaylin herself. Failure won't be death—it will be Hell. And that's where Kaylin is going.

*Sword and Shadow* Oct 20 2022 Beyond the Emperor's law In the city of Elantra, the law is upheld by a few groups, and the most feared are the Wolves—the Emperor's executioners. Granted a leave of absence to pursue information about his unknown past, Severn joins a mission to an enclave well outside the boundaries of the Empire. And he will be in danger the entire time. Still, the instincts that led him to the Wolves and the sense of duty that keeps him there can't be discarded as easily as the tabard he wears. While he's in the heart of the West March, enmeshed in a tangled web of mysteries that have been held for centuries, Severn's belief in justice is going to be tested. It's one mortal man and his single ally against a community of immortals who will kill to keep their secrets. But they don't know who they're up against. Of course, normal in her new life involves a dragon as a roommate, but she can handle that. She can't as easily handle the new residents to the city she polices, because one of them is Nightshade's younger brother. On a night when she should be talking to landlords in perfectly normal buildings, she's called to the fief—by Teela. A small family disagreement has become a large, complicated problem: Castle Nightshade's latent magic is waking. And it's not the only thing.
