A facsimile of the "Walmington-on-Sea Home Guard Training Manual" recently discovered in the attic of a house in the town. Found in a trunk among a pile of "Hotspur" comics, it belonged to Private Pike and features his handwritten marginal notes on the text plus his personal jottings on matters of rather less importance than the defense of the realm, such as films he has seen, girls he has dated, and the progress of Aston Villa FC. The book bears the official crest and stamp of the Queen's Own Royal West Kent Regiment, to which the platoon belongs. Although aged and covered with stains, boot prints, tears, and scorch marks, it is in a reasonable condition for facsimile printing. The manual is Capt

Mainwaring's attempt to ready the platoon to face (and recognize) the enemy in the coming invasion of Britain. RightGuard with Case Files is a pocket-size Security Officers Manual. Condition is Brand New. Shipped with US Post Office. Case Files includes security work scenario's: "You're the officer what will you do?" I created case files as an example of on the job situations everyday officers find themselves in. This manual is excellent for individuals who are seriously considering becoming an officer. Right Guard "Never let them see you sweat" - Dr. Cassandra Compher Ph.D Excerpt from A Manual of Guard Duty Some alterations have been made in the original text, and considerable new matter has been added. The compiler is indebted to many officers for criticisms and suggestions which have materially increased the value of the work. While grateful to all of these, his thanks are especially due to Captain Charles King, U. S. Army, lieutenant-colonel Robert H. Hall, 6th Infantry, and the officers composing the Tactical Board. Most of what is new in the work was adopted at the suggestion of this Board. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Sir Roland Penrose CBE (14 October 1900 - 23 April 1984) was an English artist, historian and poet. He was a major promoter and collector of modern art and an associate of the key Surrealists in Europe.

During the Second World War he put his artistic skills to practical use as a teacher of camouflage. He was Lecturer to the War Office School for Instructors to the Home Guard and also a Lecturer at the Osterley Park School for Training of the Home Guard. The DrillMaster's fifth book and the only honor guard manual with extensive descriptions and photos of all honor guard movements for every honor guard ceremony: Pall Bearers, Firing Party, Color Team (Color Guard), 2- and 6-Man Flag Fold, Cordon procedures, Sword Manual, Rifle Manual, Flagstaff Manual and the only nationally published Manual of the Firefighter's Ceremonial Fire Axe and Ceremonial Pike Pole. Navy chaplains have long cared for the religious needs of the personnel of the United States Coast Guard. Chaplain Roy L. Lewis in 1929 was ordered to the submarine base at Groton, Connecticut, with primary duties to the base and additional duties to the Coast Guard Academy. A Roman Catholic priest, Chaplain Raymond F. McManus, was the first Navy chaplain assigned full-time to the Coast Guard in April 1942. In 1952, the Coast Memorial Chapel at the Coast Guard Academy in New London, Connecticut was the first chapel to be constructed for Coast Guard use. The Coast Guard, by a joint service agreement, reimburse the Navy for pay and allowances for chaplains detailed to the Coast Guard for duty. This was made official by COMMANDANT NOTICE 7301 of 19 November 1975 authorizing Coast Guard funding for the

ministry of chaplains to the Coast Guard. Commander Eli Takesian became the first Chaplain Coordinator of the Coast Guard in 1976. The first Chaplain of the Coast Guard was Captain Eddy Moran in 1983. There has been a constant growth in the number of chaplains serving with the Coast Guard. To effectively accomplish the mission of the Coast Guard, the USCG Commandant outlines his vision. Based on this vision, the Chaplain of the Coast Guard outlines the mission of the Coast Guard Chaplains specific to their role in carrying out the Commandant's vision. The Chaplain of the Coast Guard is part of the Commandant's Headquarters Staff. The Chaplain of the Coast Guard reports directly to the Commandant and is the primary advisor on matters pertaining to religion. Together with the Headquarters & HQ Unit Chaplain, responsibilities include providing for the free exercise of religion for all in the Coast Guard. Each Area (Atlantic and Pacific) has a command chaplain responsible for supervising religious ministry in that area. Each district is assigned a District Chaplain and Sector Chaplains are located strategically in some of the districts. This manual is for personnel concerned with the organization and functions of interior and exterior guard. It includes orders, countersigns, parole words, and responsibility of the main guard including duties of personnel and methods of mounting the guard. The manual also discusses the duties and composition of special guards. b. As this manual is a guide, and as all possible situations and eventualities cannot be foreseen or covered by the manual, great reliance must be placed upon the application of sound judgment and common sense by all members of a guard and by all security personnel. In situations not covered by this manual and where doubt arises as to the proper action to be taken, the individual must consider his mission and apply sound judgment in making the required decision(s). PREFACE This manual is a guide for commanders and their staffs in the procedures and techniques of foot marches. It describes the march mission, characteristics and types of foot marches, and march training to include planning procedures, duties of commanders, march discipline, march hygiene, and march safety. The material herein applies to all levels of conflict without modification. General Visual signals are any means of communication that require sight and can be used to transmit prearranged messages rapidly over short distances. This includes the devices and means used for the recognition and identification of friendly forces. PREFACE The purpose of this publication is to assist individual service members, unit commanders, unit leaders, and field sanitation teams (FSTs) in preventing disease and nonbattle injury (DNBI). The publication provides information on preventive medicine measures (PMM) for the individual service member as well as essential information for the unit commander, unit leaders, and the FST on applying unit-level PMM. When a problem exists beyond unit capabilities, the brigade or division preventive medicine (PVNTMED) section or corps PVNTMED detachments should be called upon to assist in countering the threat. Find out about the real Dad's Army, from the manual used to train them. Effective and practical security officer training is the single most

important element in establishing a professional security program. The Effective Security Officer's Training Manual, Second Edition helps readers improve services, reduce turnover, and minimize liability by further educating security officers. Self-paced material is presented in a creative and innovative style. Glossaries, summaries, questions, and practical exercises accompany each chapter. Regardless of rank or time in service, all Coast Guard personnel find this manual to be essential to their professional development. Its value as a ready source of guidance is attested to by generations of men and women who have made it a part of their personal libraries since 1952, when the first edition was published. Today, it remains the basic training manual for the Coast Guard's newest recruits at boot camp in Cape May, New Jersey. This 11th edition is designed to bring the reader into the second decade of the 21st century. New materials and photographs fully describe the modern Coast Guard and its equipment. Updated information is offered on Coast Guard missions, organization, history, and maritime law enforcement, among other subjects. Continued emphasis is placed on safety of life, protection of national assets, and defending the homeland. The second half of the book is also ideal for members of the U.S. Coast Guard Auxiliary and civilian recreational boaters. Key chapters include ones on first aid, boating safety, fire-fighting, maintenance, swimming, and lifesaving. This volume is ideal for anyone serving in the U.S. Coast Guard. "This ... manual was developed to meet the most stringent standard. It represents over 24-60 hours of study materials. It also includes a legal section that discusses uniform requirements, levels of crime from simple assault to trespassing to felonies, to the use of deadly force ... [T]his manual is used every day in over 20 state-licensed training centers to train pupils around the US"--Page 4 of cover.
