It feels like a curse, a burden that one person alone could never bear. But *The Reestablishment* sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series! Embark on a wondrous journey through the land of *Whichwood* in this stunning companion to Tahereh Mafi's acclaimed bestseller *Furthermore*. A Kirkus Best Book of the Year! □ "Deliciously descriptive prose. . . . Darkly fascinating." –Kirkus □ "Unforgettable heroine." –Booklist □ "Mafi's language choices create visually arresting moments." –Shelf Awareness Our story begins on a frosty night . . . Laylee can barely remember the happier times before her beloved mother died. Before her father, driven by grief, lost his wits (and his way) and she was left as the sole remaining morderhoor in the village of *Whichwood*, destined to spend her days scrubbing the skins and souls of the dead in preparation for the afterlife. It's become easy to forget and easier still to ignore not only her ever-increasing loneliness, but the way her overworked hands are stiffening and turning silver, just like her hair. But soon, a pair of familiar strangers appear, and Laylee's world is turned upside down as she rediscovers color, magic, and the healing power of friendship. Lush and enchanting, critically-acclaimed author Tahereh Mafi weaves together an all-new magical adventure in this dark, Persian fantasy, a companion to the New York Times bestselling *Furthermore*. □ "In deliciously descriptive prose, the confiding, familiar narrator directly engages the 'dear reader' with witty asides, explanatory footnotes, and cautionary warnings as Laylee's woeful tale unfolds... Mafi uses her built world to interrogate norms and relationships in our own while never losing sight of her story. Memorable new characters experience the restorative power of friendship in this darkly fascinating, somewhat ghoulish sequel to *Furthermore*. –Kirkus, starred review □ "It's Laylee's personal transformation that shines brightest, giving Mafi's

singular fantasy an equally unforgettable heroine." –Booklist, starred review □ "Whichwood, Tahereh Mafi's companion novel to *Furthermore*, is as absorbing as (if not more than) its predecessor.... Mafi's language choices create visually arresting moments.... Deftly explores several appealing themes, including the healing power of friendship and the resilience to overcome adversity in her whimsical, Persian-inspired fantasy world." –Shelf Awareness, starred review Keatyn's crazy life comes together in one perfect script. Will Keatyn get her life back? And if she does, which life and boy will she choose? Keatyn's life is like a movie, and her crazy life seems to be coming together in one perfect script. The kind where she is reunited with her family. Where she gets her life back. And where she decides which of her loves is the boy of her dreams. Her moon boy. Popular girl or surfer girl, Keatyn doesn't really care anymore. She just wants to be happy. The only problem is, Vincent has a completely different kind of script in mind. The kind where he plays the role of the boy of her dreams. The kind where they will be on their beach. Together forever. And possibly dead. Cut. The end. Roll credits.
