Although normally a Herald in his first year of Whites would be sent off on circuit, Mags is needed close to home for his abilities as a spy and his powerful Mindspeech gift. There is a secret, treacherous plot within the royal court to destroy the Herald's. The situation becomes dire after the life of Mags' mentor, King's Own Nikolas, is imperiled. When Mags is "recognized" by foreign secret operatives whose purpose is unknown, Mags himself comes under suspicion. Who are Magpie's parents—who is he, really?
