Ghost Ship Nov 26 2020 From New York Times bestselling author James Rollins comes an electrifying short story, in which the battle over a lost treasure leads to murder, betrayal, and the revelation of a shocking mystery hidden aboard the . . . Ghost Ship The discovery of a burned body sprawled on a remote Australian beach shatters the vacation plans of Commander Gray Pierce. To thwart an ingenious enemy, he and Seichan are pulled into a centuries-old mystery surrounding a lost convict ship, the Trident. The vessel—with a history of mutiny and stolen treasure—vanished into the mists of time, but nothing stays lost forever. A freak storm reveals clues scattered across the Great Barrier Reef, but following those clues will lead to bloodshed and savagery, for where this ghost ship is hidden is as shocking as the mystery behind its disappearance. It will take all of Gray's ingenuity and Seichan's deadly skills not only to survive—but to stop an enemy from destroying everything in his path. Included with this short story is a sneak peek at the upcoming Sigma Force novel, The Demon Crown, where events here lead to Sigma's most harrowing adventure to date.

War Hawk Feb 27 2021 Former Army Ranger Tucker Wayne and his war dog Kane are thrust into a global conspiracy that threatens to shake the foundations of American democracy in this second exciting Sigma Force spinoff adventure from New York Times bestselling authors James Rollins and Grant Blackwood. Tucker Wayne's past and his present collide when a former army colleague comes to him for help. She's on the run from brutal assassins hunting her and her son. To keep them safe, Tucker must discover who killed a brilliant young idealist—a crime that leads back to the most powerful figures in the U.S. government. From the haunted ruins of a plantation in the deep South to the beachheads of a savage civil war in Trinidad, Tucker and Kane must discover the truth behind a mystery that leads back to World War II, to a true event that is even now changing the world . . . and will redefine what it means to be human. With no one to trust, they will be forced to break the law, expose national secrets, and risk everything to stop a madman determined to control the future of modern warfare for his own diabolical ends. But can Tucker and Kane withstand a force so indomitable that it threatens our very future?

The Last Odyssey Nov 07 2021 To save the world and our future, Sigma Force must embark on a dangerous odyssey into an ancient past whose horrors are all too present in this page-turning thriller from #1 New York Times bestselling author James Rollins that combines cutting-edge science, historical mystery, mythology, and pulse-pounding action. For eons, the city of Troy—whose legendary fall was detailed in Homer's Iliad—was believed to be myth, until archaeologists in the nineteenth century uncovered its ancient walls buried beneath the sands. If Troy was real, how much of Homer's twin tales of gods and monsters, curses and miracles—The Iliad and The Odyssey—could also be true and awaiting discovery? In the frozen tundra of Greenland, a group of modern-day researchers stumble on a shocking find: a medieval ship buried a half-mile below the ice. The ship's hold contains a collection of even older artifacts—tools of war—dating back to the Bronze Age. Inside the captain's cabin is a magnificent treasure that is as priceless as it is miraculous: a clockwork gold map imbedded with an intricate silver astrolabe. The mechanism was crafted by a group of Muslim inventors—the Ban? M's? brothers—considered by many to be the Da Vincis of the Arab world—brilliant scientists who inspired Leonardo's own work. Once activated, the moving map traces the path of Odysseus's famous ship as it sailed away from Troy. But the route detours as the map opens to reveal a fiery river leading to a hidden realm underneath the Mediterranean Sea. It is the subterranean world of Tartarus, the Greek name for Hell. In mythology, Tartarus was where the wicked were punished and the monstrous Titans of old, imprisoned. When word of Tartarus spreads—and of the cache of miraculous weapons said to be hidden there—tensions explode in this volatile region where Turks battle Kurds, terrorists wage war, and civilians suffer untold horrors. The phantasmagoric horrors found in Homer's tales are all too real—and could be unleashed upon the world. Whoever possesses them can use their awesome power to control the future of humanity. Now, Sigma Force must go where humans fear to tread. To prevent a tyrant from igniting a global war, they must cross the very gates of Hell.

The Museum of Mysteries: A Cassiopeia Vitt Novella Aug 24 2020 Cassiopeia Vitt takes center stage in this exciting novella from New York Times bestsellers M.J. Rose and Steve Berry. In the French mountain village of Eze, Cassiopeia visits an old friend who owns and operates the fabled Museum of Mysteries, a secretive place of the odd and arcane. When a robbery occurs at the museum, Cassiopeia gives chase to the thief and is plunged into a firestorm. Through a mix of modern day intrigue and ancient alchemy, Cassiopeia is propelled back and forth through time, the inexplicable journeys leading her into a hotly contested French presidential election. Both candidates harbor secrets they would prefer to keep quiet, but an ancient potion could make that impossible. With intrigue that begins in southern France and ends in a chase across the streets of Paris, this magical, fast-paced, hold-your-breath thriller is all you've come to expect from M.J. Rose and Steve Berry.

The Bone Labyrinth Jul 15 2022 A war is coming, a battle that will stretch from the prehistoric forests of the ancient past to the cutting-edge research labs of today, all to reveal a true mystery buried deep within our DNA, a mystery that will leave readers changed forever . . . In this groundbreaking masterpiece of ingenuity and intrigue that spans 50,000 years in human history, New York Times bestselling author James Rollins takes us to mankind's next great leap. But will it mark a new chapter in our development . . . or our extinction? In the remote mountains of Croatia, an archaeologist makes a strange discovery: a subterranean Catholic chapel, hidden for centuries, holds the bones of a Neanderthal woman. In the same cavern system, elaborate primitive paintings tell the story of an immense battle between tribes of Neanderthals and monstrous shadowy figures. Who is this mysterious enemy depicted in these ancient drawings and what do the paintings mean? Before any answers could be made, the investigative team is attacked, while at the same time, a bloody assault is made upon a primate research center outside of Atlanta. How are these events connected? Who is behind these attacks? The search for the truth will take Commander Gray Pierce of Sigma Force 50,000 years into the past. As he and Sigma trace the evolution of human intelligence to its true source, they will be plunged into a cataclysmic battle for the future of humanity that stretches across the globe . . . and beyond. With the fate of our future at stake, Sigma embarks on its most harrowing odyssey ever—a breathtaking quest that will take them from ancient tunnels in Ecuador that span the breadth of South America to a millennia-old necropolis holding the bones of our ancestors. Along the way, revelations involving the lost continent of Atlantis will reveal true mysteries tied to mankind's first steps on the moon. In the end, Gray Pierce and his team will face to their greatest threat: an ancient evil, resurrected by modern genetic science, strong enough to bring about the end of man's dominance on this planet. Only this time, Sigma will falter—and the world we know will change forever.

The Doomsday Key LP Feb 10 2022 James Rollins, the New York Times bestselling master of nail-biting suspense and historical mystery, combines cutting-edge biotechnology with a centuries-old secret in an apocalyptic story that reveals where humankind is truly headed. The Doomsday Key At Princeton University, a famed geneticist dies inside a biohazard lab. In Rome, a Vatican archaeologist is found dead in St. Peter's Basilica. In Africa, a U.S. senator's son is slain outside a Red Cross camp. The three murders on three continents bear a horrifying connection: all the victims are marked by a Druidic pagan cross burned into their flesh. The bizarre murders thrust Commander Gray Pierce and Sigma Force into a race against time to solve a riddle going back centuries, to a ghastly crime against humanity hidden within a cryptic medieval codex. The first clue is discovered inside a mummified corpse buried in an English peat bog—a gruesome secret that threatens America and the world. Aided by two women from his past—one his exlover, the other his new partner—Gray must piece together the horrifying truth. But the revelations come at a high cost, and to save the future, Gray will have to sacrifice one of the women at his side. That alone might not be enough, as the true path to salvation is revealed in a dark prophecy of doom. Sigma Force confronts humankind's greatest threat in an adventure that races from the Roman Coliseum to the icy peaks of Norway, from the ruins of medieval abbeys to the lost tombs of Celtic kings. The ultimate nightmare is locked within a talisman buried by a dead saint—an ancient artifact known as the Doomsday Key.

The Demon Crown Sep 05 2021 “Bone-chilling.” —Publishers Weekly (Starred Review) “One of the best in the series.” —Booklist (Starred Review) To save mankind's future, the members of Sigma Force must make a devil's bargain as they join forces with their most hated enemy to stop an ancient threat in this gripping adventure from #1 New York Times bestselling author James Rollins. Off the coast of Brazil, a team of scientists discovers a horror like no other, an island where all life has been eradicated, consumed, and possessed by a species beyond imagination. Before they can report their discovery, a mysterious agency attacks the group, killing them all, save one: an entomologist, an expert on venomous creatures, Professor Ken Matsui from Cornell University. Strangest of all, this inexplicable threat traces back to a terrifying secret buried a century ago beneath the National Mall: a cache of bones preserved in amber. The artifact was hidden away by a cabal of scientists—led by Alexander Graham Bell—to protect humankind. But they dared not destroy it, for the object also holds an astonishing promise for the future: the very secret of life after death. Yet nothing stays buried forever. An ancient horror—dormant in the marrow of those preserved bones—is free once more, nursed and developed into a weapon of incalculable strength and malignancy, ready to wreak havoc on an unsuspecting world. To stop its spread, Commander Grayson Pierce of Sigma Force must survive a direct attack on the island of Maui. To be there first has always been the core mission of Sigma Force, a covert team forged to be America's front line against emerging threats. But this time, even Sigma may not be able to decipher the deadly mystery, one that traces back to the founding of the Smithsonian Institution. With each new discovery, the menace they hunt is changing, growing, spreading—adapting and surviving every attempt to stop it from reconquering a world it once ruled. And each transformation makes it stronger . . . and smarter. Running out of time and options, Commander Grayson Pierce will be forced to make an impossible choice. To eradicate this extinction-level threat and expose those involved, he will have to join forces with Sigma's greatest enemy—the newly resurrected Guild—even if it means sacrificing one of his own.

Three Sigma Leadership Feb 16 2020 Congratulations on being selected as a Chief Engineer! You've been handed tremendous responsibilities and your success will play a huge role in achieving NASA's mission. Now what? Three Sigma Leadership is a practical guide through the challenges of leadership. It provides an overview of twenty-four key leadership skills, each described fully and backed with relevant real-life experiences from the author's career. The Last Oracle Apr 12 2022 In Washington, D.C., a homeless man takes an assassin's bullet and dies in Commander Gray Pierce's arms. A bloody coin clutched in the dead man's hand—an ancient relic that can be traced back to the Greek Oracle of Delphi—is the key to a conspiracy that dates back to the Cold War and threatens the very foundation of humanity. For what if it were possible to bioengineer the next great prophet—a new Buddha, Muhammad, or even Jesus? Would this Second Coming be a boon . . . or would it initiate a chain reaction that would result in the extinction of humankind? Vital seconds are ticking rapidly away as Pierce races across the globe in search of answers, one step ahead of ruthless killers determined to reclaim the priceless artifact. Suddenly the future of all things is balanced on the brink between heaven and hell—and salvation or destruction rests in the hands of remarkable children.

Kingdom of Bones Oct 18 2022 From #1 New York Times bestselling author James Rollins, the latest riveting, deeply imaginative thriller in the Sigma Force series, told with his trademark blend of cutting-edge science, historical mystery, and pulse-pounding action. It begins in Africa. . . . A United Nations relief team in a small village in the Congo makes an alarming discovery. An unknown force is leveling the evolutionary playing field. Men, women, and children have been reduced to a dull, catatonic state. The environment surrounding them—plants and animals—has grown more cunning and predatory, evolving at an exponential pace. The insidious phenomenon is spreading from a cursed site in the jungle -- known to locals as the Kingdom of Bones --and sweeping across Africa, threatening the rest of the world. What has made the biosphere run amok? Is it a natural event? Or more terrifyingly, did someone engineer it? Commander Gray Pierce and Sigma Force are prepared for the extraordinary and have kept the world safe, vigilance for which they have paid a tragic personal price. Yet, even these brilliant and seasoned scientific warriors do not understand what is behind this frightening development--or know how to stop it. As they race to find answers, the members of Sigma quickly realize they have become the prey. To head off global catastrophe, Sigma Force must risk their lives to uncover the shattering secret at the heart of the African continent—a truth that will illuminate who we are as a species and where we may be headed . . . sooner than we know. Mother Nature--red in tooth and claw--is turning against humankind, propelling the entire world into the Kingdom of Bones.

One True Patriot Oct 14 2019 Special operative Eric Steele must stop a foreign assassin targeting top-tier U.S. military personnel and derail a strike aimed at the heart of America in this third electrifying military thriller from the New York Times bestselling author of All Out War, perfect for fans of Brad Thor, Vince Flynn, and Tom Clancy Two months after taking down terrorist Aleksandr Zakayev, Eric Steele is back in action. Though he is completing his Alpha assignments with the same deadly efficiency as always, he has lingering questions about his missing father—and his own future in the Program. When Steele gets the alert that a fellow Alpha is in serious trouble, he rushes to Paris—only to arrive too late. Jonathan Raines, Stalker Six, is dead, the victim of a brutal attack. While on leave in the City of Light, Raines had met an attractive art historian who lured him into a trap. Before she vanished, the mysterious woman left a warning for anyone from the Alpha program who might follow her. One of the best and most effective warriors in the top-secret Program, Steele has been trained to take on enemies, and no threat will deter him from avenging a fallen brother. But the killer won’t be easy to find. The search takes Steele around the world, from France, to the Adriatic coast of Italy, to the outskirts of Aleppo, Syria, and to a top-secret prison in Russia— where, unexpectedly, he finds more clues about his father—before finally taking him back to the streets of Washington, D.C. No one is safe while the killer is on the loose, and the danger is heightened when Steele discovers intel that killing Alphas is just the beginning of a larger, more nefarious plot. The real target is much, much bigger—and it’s up to Steele to prevent catastrophe before he becomes the next elite warrior to fall.

Black Order Nov 19 2022 A sinister fire in a Copenhagen bookstore ignites a relentless hunt across four continents. Arson and murder reveal an insidious plot to steal a Bible that once belonged to Charles Darwin, the father of evolutionary theory. And Commander Gray Pierce dives headlong into a mystery that dates back to Nazi Germany . . . and to horrific experiments performed in a now-abandoned laboratory buried in a hollowed-out mountain in Poland. A continent away, madness ravages a remote monastery high in Nepal, as Buddhist monks turn to cannibalism and torture. Lisa Cummings, a young American doctor investigating the atrocity, is suddenly a target of a brutal assassin working for clandestine forces that want the affair buried at any cost. Lisa's only ally is a hidden pilgrim, Painter Crowe -- director of SIGMA Force, an elite command of American scientists and Special Forces operatives -- who is already showing signs of the baffling malady that destroyed the minds of the monks. Now it is up to Gray Pierce to save both Painter and Lisa -- and a world in jeopardy -- as SIGMA Force races to expose a century-old plot that threatens to destroy the current world order . . . and alter the destiny of humankind forever. Combining the historic scope of The Da Vinci Code with the relentless thrills of today's best action novels, James Rollins's Black Order is a classic adventure -- an ingenious and breathtaking tour de force that explodes with revelations . . . while offering a startling new view of our place in the grand scheme of existence.

Crucible Oct 06 2021 In the race to save one of their own, Sigma Force must wrestle with the deepest spiritual mysteries of mankind in this mind-expanding adventure from the #1 New York Times bestselling author, told with his trademark blend of cutting edge science, historical mystery, and pulse-pounding action. Arriving home on Christmas Eve, Commander Gray Pierce discovers his house ransacked, his pregnant lover missing, and his best friend’s wife, Kat, unconscious on the kitchen floor. With no shred of evidence to follow, his one hope to find the woman he loves and his unborn child is Kat, the only witness to what happened. But the injured woman is in a semi-comatose state and cannot speak—until a brilliant neurologist offers a radical approach to "unlock" her mind long enough to ask a few questions. What Pierce learns from Kat sets Sigma Force on a frantic quest for answers that are connected to mysteries reaching back to the Spanish Inquisition and to one of the most reviled and blood-soaked books in human history—a Medieval text known as the Malleus Maleficarum, the Hammer of Witches. What they uncover hidden deep in the past will reveal a frightening truth in the present and a future on the brink of annihilation, and force them to confront the ultimate question: What does it mean to have a soul?

Crash and Burn Mar 11 2022 From #1 New York Times bestselling author James Rollins comes a shocking short story, where a chance mishap leads to the discovery of a weapon like no other in . . . *Crash and Burn*. On a transatlantic flight, the two black sheep of Sigma Force—Seichan and Kowalski—must set aside their mutual dislike as a mysterious fiery force knocks their aircraft out of the sky. This unlikely duo must use every skill, weapon, and bit of ingenuity to survive a night on a remote volcanic island, where their only refuge is the haunted, bat-plagued grounds of a seemingly deserted resort. But something horrific awaits the two, something born of the latest science but rooted in our basest human instincts. To survive they will need to learn to work together—but even then, it may be too late. Included with this short story is a sneak peek at *The Seventh Plague*, which raises the question: If the biblical plagues of Egypt truly happened, could they happen again? The frightening answer: Yes.

Black Order Jan 17 2020 In Copenhagen . . . a suspicious bookstore fire propels Commander Gray Pierce on a relentless hunt across four continents—and into a terrifying mystery sur-rounding horrific experiments once performed in a now-abandoned laboratory buried in a hollowed-out mountain in Poland. In the mountains of Nepal . . . in a remote monastery, Buddhist monks inexplicably turn to cannibalism and torture—while Painter Crowe, director of SIGMA Force, begins to show signs of the same baffling, mind-destroying malady . . . and Lisa Cummings, a dedicated American doctor, becomes the target of a brutal clandestine assassin. Now only Gray Pierce and SIGMA Force can save a world suddenly in terrible jeopardy. Because a new order is on the rise—an annihilating nightmare growing at the heart of the greatest mystery of all: the origin of life.

The Skeleton Key Jul 23 2020 From New York Times bestselling author James Rollins comes a thrilling short story that delves deep beneath the city of Paris to a dark necropolis, where the only means for escape is... *The Skeleton Key*. Seichan is ripped out of the Sigma Force series for an adventure all her own - but can she survive? The beautiful and elusive assassin wakes in a hotel in Paris with a deadly electronic collar fastened to her throat. Joined by a boy who is similarly threatened, she must rescue the son of a hated enemy, who has fallen under the sway of the nefarious leader of an apocalyptic cult. To survive, she must venture into the dark world beneath the City of Lights, into the infamous catacombs of Paris. Caught between two enemies, she must fight for her life - while time ticks down toward a fiery apocalypse. But in the dark, surrounded by the moldering bones of the dead, even success does not equal survival. In the end, the only true hope for the world lies in a stunning act of betrayal.

The Eye of God Jun 14 2022 In *The Eye of God*, a Sigma Force novel, New York Times bestselling author James Rollins delivers an apocalyptic vision of a future predicted by the distant past. In the wilds of Mongolia, a research satellite has crashed, triggering an explosive search for its valuable cargo: a code-black physics project connected to the study of dark energy—and a shocking image of the eastern seaboard of the United States in utter ruin. At the Vatican, a package arrives containing two strange artifacts: a skull scrawled with ancient Aramaic and a tome bound in human skin. DNA evidence reveals that both came from the same body: the long dead Mongol king Genghis Khan. Commander Gray Pierce and Sigma Force set out to discover a truth tied to the fall of the Roman Empire, to a mystery going back to the birth of Christianity, and to a weapon hidden for centuries that holds the fate of humanity.

The 6th Extinction Dec 28 2020 In a masterful epic that combines timeless mystery and ripped-from-the-headlines scientific intrigue, New York Times bestselling author James Rollins takes humankind to its endpoint, to a fate inscribed in rock and ice in an event known as THE 6TH EXTINCTION Life always finds a way. . . . A military research station buried in the remote Sierra Nevada Mountains of Northern California broadcasts a frantic distress call that ends with a chilling order: "This is sierra, victor, whiskey. There's been a breach. Failsafe initiated. No matter the outcome: Kill us . . . kill us all." The site is part of TECOMM, the U.S. Army Test Command. When help arrives to investigate, they discover that everyone in the lab is dead--not just the scientists, but every living thing for fifty square miles is annihilated: every animal, plant, and insect, even bacteria. The land is completely sterile-- and the blight is spreading. Only one team on earth has the scientific knowledge and military precision to handle this mission: Commander Gray Pierce and Sigma. The dead scientists were working on a secret project, researching radically different forms of life on Earth, life that could change our understanding of biology and humanity itself. But something set off an explosion in the lab, and now Sigma must contend with the apocalyptic aftermath. To prevent the inevitable, they must decipher a futuristic threat that rises out of the distant past--a time when Antarctica was green and life on Earth was balanced on a knife's edge. Following a fascinating trail of clues buried in an ancient map rescued from the lost Library of Alexandria, Sigma will make a shocking discovery involving a prehistoric continent and a new form of life and death buried under miles of ice. Gray Pierce and his dedicated team must race through eons of time and across distant continents to decipher millennia-old secrets out of the frozen past and untangle mysteries buried deep in the darkest jungles of today, as they face their greatest challenge yet: stopping the Sixth Extinction--the end of humankind. But is it already too late? *The Sixth Extinction* combines pulsating adventure, intriguing history, and cutting-edge advances in science and technology in a thrilling white-knuckle ride that delivers as only James Rollins can.

Godslayer Sep 24 2020 Supreme Commander Lord Tanaros was once human. But he chose darkness and immortality when his wife betrayed him with his king. He killed them both, and fled the realms of Men and now cares nothing for their fates. A thousand years passed. His only allegiance is to his master, the dark god Satoris, who gave the gift of Life to the race of Men. Satoris, who rebelled against his elder brother God Haomane who had demanded that gift be taken away. Their fight cracked the very world in two; the name of Satoris became the word for evil throughout all the races, while the legend of Tanaros is the seminal tale of treachery. And yet not all tales told are true. A final prophecy has begun to unfold, and the races are uniting in their quest to rid the world of Satoris. The elder gods and goddesses, stranded on the other side of the world, send dreams to spur all to destroy Satoris and Tanaros, but those loyal to their god know a different side of the story and try to defend their citadel of Darkhaven, where Satoris sits in sorrow, controlling his own dominion, seeking neither victory nor vengeance. Satoris's followers capture the beautiful Elvish princess Cerelinde, and without her the Allies cannot fulfill the prophecy. All who support Satoris clamor for her death-but Satoris refuses to act like the monster that he is made out to be, for he recognizes in Cerelinde a spark of the love that he once bore for his fellow gods. She is a great danger to Satoris--and a greater danger for Tanaros and all that he holds dear. For she reminds him that not all women need be false... and that though he may be immune to death, his heart is still very much mortal. Strong storytelling with evocative, compelling, and unforgettable characters, *Godslayer* is the thrilling conclusion to the events begun in *Banewrecker*, a haunting tale of love and loss that ultimately asks the question: If all that is considered good considers you evil, are you?
