Going After Cacciato Jan 18 2022 A CLASSIC FROM THE NEW YORK TIMES BESTSELLING AUTHOR OF THE THINGS THEY CARRIED "To call Going After Cacciato a novel about war is like calling Moby-Dick a novel about whales." So wrote The New York Times of Tim O'Brien's now classic novel of Vietnam. Winner of the 1979 National Book Award, Going After Cacciato captures the peculiar mixture of horror and hallucination that marked this strangest of wars. In a blend of reality and fantasy, this novel tells the story of a young soldier who one day lays down his rifle and sets off on a quixotic journey from the jungles of Indochina to the streets of Paris. In its memorable evocation of men both fleeing from and meeting the demands of battle, Going After Cacciato stands as much more than just a great war novel. Ultimately it's about the forces of fear and heroism that do battle in the hearts of us all. Now with Extra Libris material, including a reader's guide and bonus content

Breath Dec 29 2022 Now a Major Motion Picture, Starring Simon Baker, Elizabeth Debicki, and Richard Roxburgh Breath is a

story of risk, of learning one's limits by challenging death. On the wild, lonely coast of Western Australia, two thrill-seeking teenage boys fall under the spell of a veteran big-wave surfer named Sando. Their mentor urges them into a regiment of danger and challenge, and the boys test themselves and each other on storm swells and over shark-haunted reefs. The boys give no thought to what they could lose, or to the demons that drive their mentor on into ever-greater danger. Venturing beyond all caution--in sports, relationships, and sex--each character approaches a point from which none of them will return undamaged.

I Hate Democrats / I Hate Republicans Feb 16 2022 *I Hate Democrats/I Hate Republicans* is a different kind of political commentary. Tim Young uses his trademark snark and outrageous personal stories to break down how both parties have their failings, and how our political system has been tainted by bias from all sides. He then engages you, the reader, in the hopes that you'll understand that the ultimate check and balance on our American political system is

to first, check yourself. In this funny, intellectual, and controversial book, Young challenges you to open your mind to perspectives that you have previously written off, and admit as he has that at times, you yourself are outright wrong!

The Rider Oct 22 2019 THE RIDER describes one 150-kilometre race in just 150 pages. In the course of the narrative, we get to know the forceful, bumbling Lebusque, the aesthete Barthélemy, the young Turk Reilhan and the mysterious 'rider from Cycles Goff'. Krabbé battles with and against each of them in turn, failing on the descents, shining on the climbs, suffering on the (false) flats. The outcome of the race is, in fact, merely the last stanza of an exciting and too-brief paean to stamina, suffering and the redeeming power of humour. This is not a history of road racing, a hagiography of the European greats or even a factual account of his own amateur cycling career. Instead, Krabbé allows us to race with him, inside his skull as it were, during a mythical Tour de Mont Aigoual.

Perseverance Jan 24 2020 An inspiring story of beating the odds and learning to overcome--no matter what life hands you. After starting a family and flourishing in his career, Tim Hague was struck by misfortune. The irritating tremor in his foot turned out to be early onset Parkinson's disease. He was only 46 years old. But what seemed to be an end became a new beginning. Just three years later, Hague won the inaugural The Amazing Race Canada (with his son, Tim Jr., as his teammate). His remarkable life story shows that perseverance is not just a matter of willpower: it is a skill that can be learned and honed. And perseverance is the theme of his life. From the day he was born, Hague has gone from one struggle to another. Yet, remarkably, he doesn't have a trace of self-pity. In fact, he feels blessed. From his tough start in life as an unwanted mixed-race baby born in Texas in 1964, to his eventual move to the unforgiving climate of Winnipeg, Canada, to start a family under difficult circumstances, and his continuing battle with Parkinson's--Hague's life is a roadmap of perseverance. Parkinson's has forced him to retire early from the work he loves as a registered nurse. But as a

healthcare professional, and now suffering from a challenging disease himself, Hague discusses living with Parkinson's like no one else could. He now works with charities to help promote Parkinson's awareness and his "Live Your Best" message. Drawing on his experience winning The Amazing Race, and referencing cutting-edge research and studies, Hague weaves a moving story of failure and success, outlining the elements of his philosophy that anyone can apply to their own lives, including:

- * The nature of luck: Luck comes to those who keep trying until the end--never stop until the race is over.
- * Find community: As a nurse, a husband and father, and a man living with Parkinson's, Hague knows better than most that we all need to ask for help sometimes, and that's a good thing.
- * Accept limits: By focusing on what we can do, we accomplish more than we ever thought possible.
- * Cease striving: We think of striving as a positive attribute, but all we end up doing is banging our heads against the wall. Have goals, but have fun. Do not create anxiety out of nothing and maintain perspective.
- * Live Your Best: No such thing as giving 110%--can only do your best.

Inspirational and entertaining, Hague's message is both

simple and profound: perseverance isn't just something a person has, or a trait we admire in others. Hague's book, like his life, is a guide to how we can all learn to persevere in the face of daily struggles--or even life-changing illness.

Yok Feb 04 2021 "When you're tired of run-of-the-mill fiction, it's time to read [Tim Davys]." —Brad Meltzer, author of *The Book of Lies* "A world that's violent, tender, hilarious, and downright sickening. Really, what could be better?" —Eric Garcia, author of *Anonymous Rex* Tim Davys is one of the most uniquely imaginative novelists writing today—the architect of *Mollisan Town*, a dark urban nightmare located in an alternate world populated by stuffed animals that lie, cheat, dream, despair, love, and kill. In the final installment in his acclaimed *Mollisan Town Quartet*, Davys leads us into *Yok*, a district of dashed hopes and broken dreams—the seediest neighborhood of "a unique place that is both strange and familiar" (*Boston Globe*)—and employs an engaging cast of damaged animate plush toys to explore provocative questions of life, death, and morality. *Yok* is nourishment for readers hungry for off-beat, literary fiction, and fans of Christopher Moore, Neil

Gaiman, Clifford Chase, and Jasper Fforde will be inexorably drawn into Davys' ingeniously sculpted world.

Detours Apr 28 2020 A charming, honest, funny, sad, tender and beautiful literary memoir, from Tim Rogers of You Am I. Think Patti Smith meet Dylan Thomas, by way of Banjo Paterson. 'Rogers is a beautiful writer, both literate and lyrical ... Detours makes most rock memoirs look like How to Hypnotise Chooks. A heartbreaking work of staggering honesty.' West Australian 'Of all the utterances delivered to me by strangers, my least favourite after "We can no longer legally serve you" would have to be, "Well, that isn't very rock'n'roll."' Tim Rogers of You Am I has always been a complicated man: a hard-drinking musician with the soul of a poet; a flamboyant flâneur; a raconteur, a romantic and a raffish ne'er-do-well. In this offbeat, endearing memoir, Tim walks us through years jam-packed with love, shame, joy, enthusiasms, regrets, fights, family - and music, always music. A work of real grace

and tenderness, Detours is often impossibly sad and beautiful - but also full of wit, wordplay and punching jolts of larrikin energy to make you laugh out loud. 'Rogers is a beautiful memoirist ... [Detours is] an authentic, beautiful, unusual - and yes, brave - book that stands up on its own as a strong work of literature.' The Guardian 'The good news is that our Tim can write. Every sentence trails a floaty scarf. A few of them have a floppy hat over one eye.' Don Walker 'A beautiful writer, Tim Rogers takes you where you want to go.' Robert Forster 'Artfully written and reflective ... descriptive, insightful and anecdote-rich' Herald Sun 'Bitter-sweet ... a twisty, soulful ramble through a life. He writes with wistful passion about his loves, wishes and shortcomings.' Australian Women's Weekly

Host Your Own TV Show Mar 20 2022 "Tim Tialdo really knows his stuff. Host Your Own TV Show is a wonderful resource to help you both get started and stay ahead of the game. I wish there would have been a resource like this when I got started in the business."

-Nikki Boyer, host of Yahoo's Daytime in No Time "Host Your Own TV Show is about getting hired as a host. Tim's book will get you on the air!" -Paul Cook, radio DJ and author of

Cooked in LA: I Shot for the Stars and Hit Bottom "The Tim Tialdo I know and admire is the definition of a go-getter. In these pages you'll learn much from his passion for TV hosting." -Todd Newton, Emmy Award-winning host of Family Game Night "I'm so glad Tim wrote Host Your Own TV Show to guide aspiring hosts. Hosting is a totally different path to acting, and Tim is helping to enlighten you on your journey." -Maureen Browne, Hollywood host coach and casting director "No sugar coating here; Tim tells it like it is. Host Your Own TV Show will take you on an incredible journey. You'll learn the skills it takes, the confidence you need, and the preparation required when the opportunity shows up." -Kristi Capel, host of New Day Cleveland "Tim Tialdo really created an incredible resource! Host Your Own TV Show is for anyone trying to get a foot in the door and perfect themselves as a TV host. Awesome information inside!" -Brian Rose, creator of B. Rose Productions "Being in the industry for the past twelve years, I haven't worked with anyone who has taught me more about on camera personality, voice/articulation, audience-host connection, and ...the needed tools to solidify jobs than Tim Tialdo." -Shanna

We Learn Nothing Aug 25 2022 A New York Times political cartoonist and writer presents a collection of his most popular essays and drawings about life and government hypocrisy, exploring the darkly comic aspects of such topics as falling in love with unlikeable people, managing a friend with outspoken political views and reacting to a long acquaintance's sex-change operation. By the creator of *The Pain--When Will It End?*

Walking with God through Pain and Suffering Oct 03 2020 New York Times bestselling author of *The Prodigal Prophet* Timothy Keller—whose books have sold millions of copies to both religious and secular readers—explores one of the most difficult

questions we must answer in our lives: Why is there pain and suffering? *Walking with God through Pain and Suffering* is the definitive Christian book on why bad things happen and how we should respond to them. The question of why there is pain and suffering in the world has confounded every generation; yet there has not been a major book from a Christian perspective exploring why they exist for many years. The two classics in this area are *When Bad Things Happen to Good People* by Rabbi Harold S. Kushner, which was published more than thirty years ago, and C. S. Lewis's *The Problem of Pain*, published more than seventy years ago. The great secular book on the subject, Elisabeth Ku"bler-Ross's *On Death and Dying*, was first published in 1969. It's time for a new understanding and perspective, and who better to tackle this complex subject than Timothy Keller? As the pastor of Redeemer Presbyterian Church in Manhattan, Timothy Keller is known for the unique insights he shares, and his series of books has guided countless readers in their spiritual journeys. *Walking with God through Pain and Suffering* will bring a much-needed, fresh viewpoint on this important issue.

The Turning Jul 24 2022 Set on a coastal

stretch of Western Australia, Tim Winton's stunning collection of connected stories is about turnings of all kinds -- changes of heart, slow awakenings, nasty surprises and accidents, sudden detours, resolves made or broken. Brothers cease speaking to each other, husbands abandon wives and children, grown men are haunted by childhood fears. People struggle against the weight of their own history and try to reconcile themselves to their place in the world. With extraordinary insight and tenderness, Winton explores the demons and frailties of ordinary people whose lives are not what they had hoped.

Declare Oct 27 2022 As a young double agent infiltrating the Soviet spy network in Nazi-occupied Paris, Andrew Hale finds himself caught up in a secret, even more ruthless war. Two decades later, in 1963, he will be forced to confront again the nightmare that has haunted his adult life: a lethal unfinished operation code-named Declare. From the corridors of Whitehall to the Arabian desert, from post-war Berlin to the streets of Cold War Moscow, Hale's desperate quest draws him into international politics and gritty espionage tradecraft -- and inexorably drives Hale, the fiery and

beautiful Communist agent Elena Teresa Ceniza-Bendiga, and Kim Philby, mysterious traitor to the British cause, to a deadly confrontation on the high glaciers of Mount Ararat, in the very shadow of the fabulous and perilous Ark.

Dirt Music Jul 12 2021 Winner of The Miles Franklin Literary Award, The Christina Stead Award, WA Premier's Book of the Year, Book Data/ABA Book of the Year Award, Goodreading Award-Readers Choice Book of the Year Set in the dramatic landscape of Western Australia, *Dirt Music* tells the story of Luther Fox, a broken man who makes his living as an illegal fisherman—a shamateur. Before everyone in his family was killed in a freak rollover, Fox grew melons and counted stars and loved playing his guitar. Now, his life has become a "project of forgetting." Not until he meets Georgie Jutland, the wife of White Point's most prosperous fisherman, does Fox begin to dream again and hear the dirt music—"anything you can play on a verandah or porch," he tells Georgie, "without electricity." Like the beat of a barren heart, nature is never silent. Ambitious and perfectly calibrated, *Dirt Music* resonates with suspense, emotion, and timeless truths.

Descent Dec 17 2021 The Rocky Mountains have cast their spell over the Courtlands, who are taking a family vacation before their daughter leaves for college. But when Caitlin and her younger brother, Sean, go out for an early morning run and only Sean returns, the mountains become as terrifying as they are majestic. Written with a precision that captures every emotion, every moment of fear, as each member of the family searches for answers, *Descent* races like an avalanche toward its heart-pounding conclusion. "Read this astonishing novel . . . The magic of his prose equals the horror of Johnston's story." —The Washington Post "A compelling thriller that is both creepy and literary . . . *Descent* is not just a mystery. It is an emotional story of evil, fear, acceptance and irony."—The Denver Post "What makes the novel unforgettable is its sense of character, its deliberate, unadorned prose and Johnston's unflinching exploration of human endurance, physical and psychological." —Miami Herald "A super-charged, addictive read." —The Missourian "An original and psychologically deep thriller." —Outside magazine "Outstanding . . . Scars and Stripes Dec 05 2020 INSTANT NEW
YORK TIMES BESTSELLER From decorated Green
Beret sniper, UFC headliner, and all around
badass, Tim Kennedy, a rollicking,
inspirational memoir offering lessons in how
to embrace failure and weather storms, in
order to unlock the strongest version of
yourself. Tim Kennedy has a problem; he only
feels alive right before he's about to die.
Kennedy, a Green Beret, decorated Army
sniper, and UFC headliner, has tackled a
bull with his bare hands, jumped out of

airplanes, dove to the depths of the ocean, and traveled the world hunting poachers, human traffickers, and the Taliban. But he's also the same man who got kicked out of the police department, fire department, and as an EMT, before getting two women pregnant four days apart, and finally, been beaten up by his Special Forces colleagues for, quite simply, "being a selfish asshole." In *Scars and Stripes*, Kennedy describes how these failures shaped him into the successful businessman and devoted husband and father he is today. Through unbelievably vivid, wild anecdotes Kennedy reveals all the dumb, violent, embarrassing, and undeniably heroic things he's done in his life, including multiple combat missions in Afghanistan, building a school in Texas for elementary kids, and creating two-multimillion-dollar businesses. You will learn that failure isn't the end—rather it's the first step towards unearthing the best version of yourself and finding success, no matter how overwhelming the setbacks may feel.

The Data Detective Jun 10 2021 From "one of the great (greatest?) contemporary popular writers on economics" (Tyler Cowen) comes a smart, lively, and encouraging rethinking of how to use statistics. Today we think

statistics are the enemy, numbers used to mislead and confuse us. That's a mistake, Tim Harford says in *The Data Detective*. We shouldn't be suspicious of statistics—we need to understand what they mean and how they can improve our lives: they are, at heart, human behavior seen through the prism of numbers and are often “the only way of grasping much of what is going on around us.” If we can toss aside our fears and learn to approach them clearly—understanding how our own preconceptions lead us astray—statistics can point to ways we can live better and work smarter. As “perhaps the best popular economics writer in the world” (*New Statesman*), Tim Harford is an expert at taking complicated ideas and untangling them for millions of readers. In *The Data Detective*, he uses new research in science and psychology to set out ten strategies for using statistics to erase our biases and replace them with new ideas that use virtues like patience, curiosity, and good sense to better understand ourselves and the world. As a result, *The Data Detective* is a big-idea book about statistics and human behavior that is fresh, unexpected, and insightful.

Baseball Great Oct 15 2021 From New York

Times bestselling author and former NFL player Tim Green comes a baseball book pulsing with action. *Baseball Great* offers a baseball story attuned to today's headlines, a totally involving, character-driven, sports-centered thriller. Perfect for fans of Mike Lupica. As a young reviewer on *Brightly.com* said: "Great book with many exciting, surprising events that make you want to keep reading." When the school paper calls him "Grant Middle's best hope for its first-ever city-wide championship," Josh feels like he's starting to get noticed—in good and bad ways. Seeing Josh's talent, his father drags him out of the school baseball tryouts and gets him in the running for the Titans, the local youth championship team coached by Rocky Valentine. All Josh really wants to do is play ball, but now Rocky wants him to gulp down protein shakes and other supplements. Suspicious, Josh and his new friend, Jaden, uncover a dangerous secret—and catch the attention of one man who will do anything to keep them from exposing it.

The Gods of Gotham Apr 20 2022 Joining the newly formed NYPD in 1845, Timothy reluctantly assumes his duties near the notorious Five Points slum, where in the

middle of the night he hears a little girl's claim that dozens of bodies have been buried in a local forest.

Unstoppable Nov 27 2022 New York Times bestselling author Tim Green has written an unforgettable story—inspired by interviews with real-life cancer survivors and insider sports experience—showing a brave boy who learns what it truly means to be unstoppable. "Absolutely heroic, and something every guy should read." — National Ambassador for Young People's Literature emeritus Jon Scieszka If anyone understands the phrase "tough luck," it's Harrison. As a foster kid in a cruel home, he knows his dream of one day playing in the NFL is a long shot. Then Harrison is brought into a new home with kind, loving parents—his new dad is even a football coach. Harrison's big build and his incredible determination quickly make him a star running back on the junior high school team. On the field, he's practically unstoppable. But Harrison's good luck can't last forever. When a routine sports injury leads to a devastating diagnosis, it will take every ounce of Harrison's determination not to give up for good. With hundreds of thousands of devoted readers, Tim Green's books are the perfect

mix of accessible and heartwarming. "I don't know anyone—kid or adult—who won't root heart and soul for Harrison. Unstoppable means you can't put this book down!"

—bestselling author Gordon Korman

Holding the Man May 10 2021 The mid-seventies - and satin baggies and chunky platforms reigned supreme. Jethro Tull did battle with glam-rock for the airwaves. At an all-boys Catholic school in Melbourne, Timothy Conigrave fell wildly and sweetly in love with the captain of the football team. So began a relationship that was to last for 15 years, a love affair that weathered disapproval, separation and, ultimately death. Holding the Man recreates that relationship. With honesty and insight it explores the highs and lows of any partnership: the intimacy, constraints, temptations. And the strength of heart both men had to find when they tested positive to HIV. This is a book as refreshing and uplifting as it is moving; a funny and sad and celebratory account of growing up gay.

Bronco and Friends: A Party to Remember Sep 01 2020 NEW YORK TIMES BESTSELLER • Heisman Trophy winner, multi-sport athlete, special needs advocate, and positive role model Tim Tebow encourages children to embrace their

unique qualities in his first book for children, a winning tale based on his sweet pup, Bronco. Bronco received an invitation to a party, but he can't find the puzzle piece everyone is supposed to bring. During his search, he encounters a variety of friends with their own set of worries: a flightless bird, an allergic goat, and a clumsy bunny. The animals team up to find both Bronco's puzzle piece and the party, arriving to discover that the party is in their honor! This sweet story of animals with different challenges and abilities is core to Tim Tebow's message to fans and friends of any age who have special needs. Getting invited to the party is exciting—but bringing your own particular gifts makes it more fun for everyone. Tim Tebow wants everyone to know that's how God sees them: special, unique, and essential to the party.

The Age of Walls Sep 25 2022 Tim Marshall, the New York Times bestselling author of *Prisoners of Geography*, offers "a readable primer to many of the biggest problems facing the world" (Daily Express, UK) by examining the borders, walls, and boundaries that divide countries and their populations. The globe has always been a world of walls, from the Great Wall of China to Hadrian's

Wall to the Berlin Wall. But a new age of isolationism and economic nationalism is upon us, visible in Trump's obsession with building a wall on the Mexico border, in Britain's Brexit vote, and in many other places as well. China has the great Firewall, holding back Western culture. Europe's countries are walling themselves against immigrants, terrorism, and currency issues. South Africa has heavily gated communities, and massive walls or fences separate people in the Middle East, Korea, Sudan, India, and other places around the world. In fact, more than a third of the world's nation-states have barriers along their borders. Understanding what is behind these divisions is essential to understanding much of what's going on in the world today. Written in Tim Marshall's brisk, inimitable style, *The Age of Walls* is divided by geographic region. He provides an engaging context that is often missing from political discussion and draws on his real life experiences as a reporter from hotspots around the globe. He examines how walls, borders, and barriers have been shaping our political landscape for hundreds of years, and especially since 2001, and how they figure in the diplomatic relations and geo-

political events of today. "Marshall is a skilled explainer of the world as it is, and geography buffs will be pleased by his latest" (Kirkus Reviews). "Accomplished, well researched, and pacy...The Age of Walls is for anyone who wants to look beyond the headlines and explore the context of some of the biggest challenges facing the world today, it is a fascinating and fast read" (City AM, UK).

Knights of the Hill Country Apr 08 2021 In a small Oklahoma town, one star linebacker must decide what kind of man he wants to be--both on and off the field. Welcome to Kennisaw--where Friday night high school football ranks right up there with God and country, and sometimes even comes in first. This year, the Kennisaw Knights are going for their fifth straight undefeated season, and if they succeed, they'll be more than the best high school team in the eastern Oklahoma hill country--they'll be legends. But the Knights' legacy is a heavy weight to carry for Hampton, linebacker and star of the team. On the field, he's so in control you'd think he was able to stop time. But his life off the field is a different story. His father walked out on him and his mom years ago, and now his mom has a new

boyfriend every week. He's drawn to a smart, quirky girl at school--the type a star athlete just isn't supposed to associate with. And meanwhile, his best friend and teammate Blaine--the true friend who first introduced Hampton to football back when he had nothing else--is becoming uncomfortably competitive, and he's demanding Hampton's loyalty even as Hampton thinks he's going too far. This unforgettable novel is the story of a boy whose choices will decide the kind of man he becomes, and raises powerful questions about sportsmanship, loyalty, and the deceptiveness of legends.

Tempting Tim Feb 25 2020 Tempting Tim is a heartfelt and deeply engrossing small-town, second-chance romance - guaranteed to bring music to your soul all the way to the happily-ever-after. I never wanted the limelight. The only thing I wanted was Conley Logan. When words failed to express my feelings for Conley, I relied on music instead. But our love song ended before it even began, before I'd even told her how I truly felt. As a result, I watched Conley leave hand-in-hand with my bandmate instead of me. Not wanting the fight that would break up the band, I made a choice. I lived with it every day, knowing it was nobody's fault but my own. I've moved on. I'm content with my small-town life, running a bar. But now Conley is back, forcing me to face the music. From the way I'm still tempted to

make her mine, it's as if nothing has changed—but until she tells me why she's back, I'm not sure I can trust what's growing between us. The only thing that has changed: I'm not letting her get away this time without a fight. There are four stand-alone books in the Billingsley series:
?Redeeming Lottie - Tucker & Lottie ?Chasing Hannah - Billy & Hannah ?Taming Wes - Wes & Devin ?Tempting Tim - Tim & Conley

The Price of Time Feb 28 2023 Would your character change ... if you had all the money in the world? And all the time? Would you become a better person? Or worse? Imagine Agatha Christie meets Michael Crichton in a fast-paced, philosophical mystery thriller.

There's a secret in Silicon Valley. A discovery. An invention. One so startling and surprisingly sinister that it needs to be kept--at any price. Tim Cook Jun 22 2022 Journalist Leander Kahney reveals how CEO Tim Cook has led Apple to astronomical success after the death of Steve Jobs in 2011. The death of Steve Jobs left a gaping void at one of the most innovative companies of all time. Jobs wasn't merely Apple's iconic founder and CEO; he was the living embodiment of a global megabrand. It was hard to imagine that anyone could fill his shoes--especially not Tim Cook, the intensely private

executive who many thought of as Apple's "operations drone." But seven years later, as journalist Leander Kahney reveals in this definitive book, things at Apple couldn't be better. Its stock has nearly tripled, making it the world's first trillion dollar company. Under Cook's principled leadership, Apple is pushing hard into renewable energy, labor and environmentally-friendly supply chains, user privacy, and highly-recyclable products. From the massive growth of the iPhone to lesser-known victories like the Apple Watch, Cook is leading Apple to a new era of success. Drawing on access with several Apple insiders, Kahney tells the inspiring story of how one man attempted to replace someone irreplaceable, and--through strong, humane leadership, supply chain savvy, and a commitment to his values--succeeded more than anyone had thought possible.

Stolen Thoughts Mar 27 2020 "How would your life change ... if you could read another's thoughts? If you were the one ... to break the biological code? There's been a breakthrough on the campus of Caltech. A discovery. An invention. One so startling and surprisingly sinister that the inventor can't tell a soul. Precariously poised at

the center of the action is Victoria Pixler, a bioengineering student with a tragic past, a passionate quest, and a brilliant mind. After a decade of dedication, she's just completed her life's work only to have her dream shattered and her career terminated—by the least likely suspect. Meanwhile, propelling the thrills from the middle of the mystery is one of humanity's great questions: Would the power to read minds be a blessing, or a curse? Packed with enlightened anecdotes, amusing quips, and suspense that will rivet readers to their chairs, this novel delivers Tigner's trademark fast-paced action and first-class intellectual intrigue—from characters you can't forget." --Back cover.
