NRSV Go-Anywhere Compact Thinline Bible with the Apocrypha (Bonded Leather, Navy) Apr 02 2021 The NRSV Go-Anywhere Compact Thinline Bible is the most portable edition of the NRSV available today. At less than an inch thick, this compact edition combines the portability you'd expect in a compact Bible with the readability of a larger Bible. Perfect for personal use or for gift giving. The New Revised Standard Version is the most trusted, most accepted, and most accurate translation of the Bible on the market. It is recognized in scholarly circles as the most accurate translation into English of the original Hebrew and Greek texts. In the tradition of its predecessors, the King James Version and the Revised Standard Version, the NRSV was designed to be the "standard" version for English-speaking people across all denominations. None of the new, more sectarian translations have approached its standards of elegance and accuracy. Features include: - Apocryphal and Deuterocanonical Books of Scripture - Bonded leather - Craft-sewn binding for added strength and long life - Fine Bible paper to maximize readability and portability - Easy-to-read typeface in a double-column setting - Thinline - less than 1 inch thick - makes it easy to take with you wherever you go - Gilded edges and a ribbon marker - Presentation page for gift-giving

The Expositor's Study Bible Dec 30 2020 The Expositor's Study Bible (KJV) is different than any other study Bible ever produced. With abbreviated commentary notes placed directly in the scripture, it makes Bible study easier than ever before. With over 1 million copies in print today, The Expositor's Study Bible has become one of the most loved Bible study tools of our time.

When Helping Hurts Jul 25 2020 With more than 300,000 copies in print, When Helping Hurts is a paradigm-forming contemporary classic on the subject of poverty alleviation. Poverty is much more than simply a lack of material resources, and it takes much more than donations and handouts to solve it. When Helping Hurts shows how some alleviation efforts, failing to consider the complexities of poverty, have actually (and unintentionally) done more harm than good. But it looks ahead. It encourages us to see the dignity in everyone, to empower the materially poor, and to know that we are all uniquely needy—and that God in the gospel is reconciling all things to himself.

Focusing on both North American and Majority World contexts, When Helping Hurts provides proven strategies for effective poverty alleviation, catalyzing the idea that sustainable change comes not from the outside in, but from the inside out.
