"As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."--Jacket. Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But KASHER IN THE RYE is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland , California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations. Hyacinth always assumed dying would simplify her life. But when her new boss, Archangel Michael, sends her on her first official mission—to retrieve a powerful rock from a collector in Germany—things go downhill fast. For one thing, the Dead keep popping up, expecting her to guide them to the Afterlife. For another, her part-demon nephew Geordi's powers are starting to leak out, at age seven. What if Michael finds out about him? Worse, what if Satan does? Then there's her love life-after-death. Rooming with a dead French cop no one else can see is complicated enough. But when Jason, Geordi's lying Dioguardi Demon cousin, resurrects himself—so to speak—all Hell breaks loose. Literally. Can Hyacinth get Michael's rock back before Satan steals its powers and breaks free of his prison? Or will her single-minded pursuit put those she loves—and the rest of the world—in the path of Satan's fury? Once upon a time, a nobody met a prince. Then she met his best friend, a second prince.Then she learned they like to share, and that's when things got interesting.That's when things got downright scandalous. My life has never been a fairytale. Absent parents, a grandmother gone too soon, and a job working the kitchens for the most heinous b\*\*ch in the Kingdom of Bandiff.But that's before I sneak into the hottest royal ball on the planet. That's before I waltz right into them.The McDermott Princes. Princes, plural. There's two of them - both gorgeous beyond belief, alpha as hell, and more tempting than sin. Both with their eyes on me and both with that look that says that I'm theirs.Two princes, one baker. This might sound like too many cooks in the kitchen, but they say they like to share. They say they'll tear their whole kingdom down to make me theirs. They say they want to make me their Queen.Pretty soon, breaking into a royal ball is the least of my problems.This is a disaster waiting to happen. It's filthy, and oh-so-wrong. It's a royal scandal of epic proportions, and I'm right in the middle of it....I'm right in the middle of them.Maybe this is a fairytale after all. Ever heard of the cook who found a crown? How about two crowns? Two big, dominant, mouthwatering, pulse-quickening crowns.I've never found a happy ever after. Now, I think I'm about to find two of them.This is a standalone story. The books in the Royally Screwed series can be read in any order.Steamy as all get-out, ridiculously over the top, and more growly alpha yumminess than you can shake a tiara at. Seriously - reality got left at the door with this one. But something tells me, you're going to love it :). Get ready to have your cake and eat it two too!This mfm romance is all about her - no m/m. As with all my books, this standalone novella is safe, with no cheating, and a HEA guaranteed. Clinical & internal medicine. One part diary, one part guide to the arcane practices of the funniest creation in modern fantasy, 100% Discworld goodness. With their trademark mix of cultural ephemera, background detail and hilarious one-liners, the Discworld diaries are back. And 2016's diary gives a long-awaited insight into the wit and wisdom of some of the Discworld's most-loved characters, the Witches. Or, as Granny Weatherwax puts it: "I don't hold with diaries. If a witch don't know where she's been or where she should be, no amount of writing it down in long and diverse letters will make any difference. There are some who say that making a note of birthdays and the like will mean you get a lot of presents but I think Gytha is wrong. But suit yourself. Personally I can't be doing with it." ~ Esme Weatherwax Describes what women seek in a man and the steps a man needs to take to win women over. How to tackle sensitive subjects. Covering both professional and personal situations, this guide examines ways to approach and handle conversations that are often put off or avoided altogether. The most comprehensive book of its kind, it provides all the information you need to approach difficult conversations with confidence, avoid blaming, overcome defensiveness, and make better decisions. -The only book on the market covering difficult conversations in both the workplace and one's personal life -Can be read cover to cover or used as a quick reference guide -Reviewed and approved by the Program Chair of Organizational Communication at Franklin University and former professor of Applied Linguistics at Harvard University This book covers topics including the delivery of biologicals using synthetic polymers, cell encapsulation, and gene delivery. It deals with the use of synthetic polymers for the purpose of isolating biologicals by describing the use of stimulus-responsive polymers. This book is a survey of typical Science Fiction elements in Douglas Adams's Hitchhiker's Guide to the Galaxy. Christian Erkenbrecher first goes through a short history of Science Fiction and identifies certain motifs of the genre in order to correctly place the novel within a useful context. Classical elements of the Science Fiction canon are identified in the novel and scrutinized. It becomes clear that Douglas Adams was fully aware of the SF "burden" and we can see how its elements are used in order to create both humour and criticism. The question of whether social criticism can be applied purposefully in SF will be asked. Other big questions which are posed (and answered?) in Hitchhikers are also taken into consideration: Is there a god? Will the breakdown of communication barriers between races put an end to all wars? Can the advancement of technology prevent us from destroying ourselves? Follow the author on his way through Douglas Adams's "wholly remarkable book" and see how this exceptional hitchhiking playwright and atheist writer enriched the world with his unique prose. Fans of #1 New York Times bestselling author Lora Leigh’s scorching Breed series first met Cassie as a little girl in Elizabeth’s Wolf. Now Cassie has finally come into her own as a young woman, and she’s about to discover the one she is destined for—but it is unclear whether her fate is to be mated for life, or marked for death... The Breeds are humans altered before conception with the DNA of the predators of Earth. But although they all carry the genetic material of beasts within them, Cassandra

Sinclair stands apart. A unique mix of wolf, coyote and human, she is revered by many—but preyed upon by others. She is fiercely protected by her community...but no one manages to stop her when she slips away one day to offer her body in exchange for her sister’s safety. The man she succumbs to surprises her by unleashing her inner animal in ways she never dreamed possible—and provokes her deep, furious rage. To Cassie’s shock, he is the mate she has long awaited. She may never be able to forgive his deception. Still, as dangerous enemies track her, and as the threat of all-out war between Breeds and the humans who despise them hovers in the air, they must join forces and hold fast to each other. But the passionate union between them holds a potential that could change the world—and some will do anything to stop it... This is an illustrated technical guide to the Boeing 737 aircraft. Containing extensive explanatory notes, facts, tips and points of interest on all aspects of this hugely successful airliner and showing its technical evolution from its early design in the 1960s through to the latest advances in the MAX. Take New York by storm and steer clear of serious relationships. That's the plan. That's the goal. It's easy too, now that my software company is making headlines. Nothing is getting in the way of that--not even my sexy personal trainer. I don't care how beautiful and intriguing she is. Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me, and I watch her body, I'm constantly fantasizing about exploring every inch of it all night long, claiming her mouth every time she gives me a sassy reply. I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine? A mission meant to inspire hope ... and nothing is quite as it seems. When a seemingly unstoppable evil descends upon the city, Ethan Tannor must race against time to save a desperate world that may fall to ruin. April 1986. The Cold War is nearly over. Or is it? Wealthy business mogul Tobias Keane is dead in an apparent suicide. But Ethan Tannor, a detective on the scene and nephew of Keane, suspects something else. In his effort to prove murder, Ethan discovers hidden items in his uncle's safe that reveal there was more to Tobias's past than he initially thought: a strange watch that doesn't tell time, a cryptic journal, confusing newspaper clippings from years past, a cipher that points to something ominous, a worn copy of the Rubáiyát of Omar Khayyám, and the mysterious words "Tamám Shud". The more Ethan uncovers, the more he realizes his own life is in danger. And when he stumbles upon a shadow group that tips him off to an impending hostile takeover of the United States, Ethan finds himself in the center of something he can't explain. Political agendas headed by an enigmatic leader, and an evil force tipping the balance of power will bring him face to face with things beyond the realm of belief and possibility. As the lines of reality and fiction become blurred, Ethan embarks on the near impossible task of reshaping the world. If he fails, the battleground will be America, with new territory lines carved across the map as the victor stakes their claim. But Ethan is determined to end it where it all began: April 1986. \*Language and violence AND THE TIDE TURNS is Timothy Dalton's debut novel - an action-packed thriller filled with colorful characters that will leave readers guessing as they journey with Ethan Tannor in his quest to uncover the secret behind his uncle's death ... a quest that brings him to places he never imagined, and the discovery of his uncle's strange connection to the unsolved mystery of The Somerton Man. Standard topics such as airway management, tra This is the thoroughly revised second edition of one of the first books to provide an overview of how key aspects of university life - such as teaching, academic research, administration, management and course design - are being affected by digital and web-enabled technologies. More than three-quarters of the material has been revised and updated. Still further, three new chapters now address the following aspects: the virtual classroom, vicarious learning, and educational metadata. The main body of the text focuses on asynchronous collaboration by examining the following four key topics: principles, experiences, evaluation, and benefits. A timely and up-most important guide to all aspects of modern university education in the digital age. This book presents a holistic approach to women's midlife and menopause transitions. It provides a balanced approach giving the expected benefits and side effects of western medical and complementary therapies for the entire range of menopausal concerns. Comprehensive information provided in a user-friendly way, including a matrix for finding western and alternative therapies for each symptom. Contained are graphs, illustrations, charts and worksheets to enhance learning and allow women to individualize the material. Special focus is placed on art that represents expansive, powerful, and symbolic aspects of women's beings; including a wide array of goddess and mythic images. The path of women's spiritual unfolding is described, with its unique features as they connect with the feminine divine. Women are brought in touch with their long heritage of archetypes in history and myth, and given guidance in drawing from the energies of archetypes to bring deeper aspects of the self into expression. (key words: midlife, menopause, holistic, middle aged) The scream heard by no one is the deadliest. In the rural parishes of Louisiana's French Triangle, young women are disappearing one by one, only to turn up on the banks of the bayou, strangled and cast aside where they are sure to be found. But there is one trophy the killer prizes above all others, one woman who must be silenced forever.... Attorney Laurel Chandler did not come back to Bayou Breaux to seek justice. That once-burning obsession had destroyed her credibility, her career, her marriage—and nearly her sanity. But when a ruthless predator strikes too close to home, she's lured into a perverse game from which there may be no escape. Once before, Laurel's cries against a monstrous evil went unanswered. Who will listen now? Unholy creations from the world's greatest authors and artists are bound together in this essential illustrated anthology of Luciferian literature. Charting the progress of the Prince of Darkness via the short stories, novels and poetry of centuries past, this Satanic sampler summons forth the Devil in a fascinating array of guises Authors and artists include: Charles Baudelaire, Aleister Crowley, Dante Alighieri, Goethe, J-K Huysmans, Matthew G Lewis, Charles Maturin, Mark Twain, Washington Irving, Christopher Marlowe, John Milton, Edgar Allan Poe, Felicien Rops, Francisco Goya, Jean Delville, Gustave Dore, Franz Von Stuck, Albrecht Durer Rather than follow in the footsteps of her family members, Juliette Belmont has made a career out of being in front of the cameras. When she finds herself in the middle of a scandal, she takes a friend’s advice and escapes to a small town in northern New Hampshire. Once there, she has three items on her agenda: make some decisions regarding her life, avoid the media, and don't get involved with one of Avon’s own, no matter how gorgeous she finds him. When Aaron Wright learns a member of the Sherbrooke family has rented out a cottage at his family’s campground, he’s less than pleased. People like Juliette live and play in a world far removed from his, something he learned firsthand seven years ago. Despite his attraction to her and his meddling sister, he keeps his distance. Everything changes when an ice storm leaves Juliette in the dark, and Aaron opens his house to her. Or it does until reality comes knocking, and Aaron must decide if he can live in Juliette’s world. The Billionaire’s Kiss is the fourteenth book in USA Today best selling author Christina Tetreault’s The Sherbrookes of Newport Series. While it can easily be read as a standalone story, you'll likely enjoy reading the other books, too. Fall in love with The Sherbrookes of Newport today. The Sherbrookes of Newport Loving The Billionaire The Teacher's Billionaire The Billionaire Playboy The Billionaire Princess The Billionaire's Best Friend Redeeming The Billionaire More Than A Billionaire Protecting The Billionaire Bidding On The Billionaire Falling For The Billionaire The Billionaire Next Door The Billionaire's Homecoming The Billionaire’s Heart Tempting The Billionaire A unique study of the link between theology and culture from a sociological perspective which addresses the issue of the pursuit of enchantment in the context of postmodernity. Sociology is applied to sociology itself to discern its own domestic response to theological readings of culture. A novel reading of Simmel, Bourdieu and Weber in relation to the Swiss Catholic theologian, Hans Urs von Balthasar, produces a controversial critique of assumptions regarding religious belief in the context of debates on secularisation and postmodernity.
