The USA TODAY bestseller that introduced Sienna Jensen and Lucas Wolfe and launched new adult romance novelist Emily Snow. Sienna's dreams lie in California, but when she discovers her grandmother's Nashville home has been foreclosed, she has no other choice than to move back to Music City, where she comes face-to-face with the flawed, gorgeous man she never thought she'd see again—and who now holds the deed to her grandma's estate. Millionaire rock star Lucas Wolfe is just as surprised to find the outspoken redhead glaring at him from across a courtroom. He still can't get the night Sienna spent with him out of his mind, and the chemistry between them is as undeniable as ever. Now, Lucas is determined to do whatever it takes to lure Sienna into his bed, so he makes a deal with her: if she spends ten days with him, playing by his rules, he'll hand over the deed to her grandmother's home. Though she agrees to the arrangement for her family's sake, Sienna struggles with the promises she's made to herself and a past that still haunts her. As Lucas's game of seduction continues and Sienna is introduced to his dark, erotic world, she realizes that at any moment, she

could be devoured. Name's Inori Takafuji. I'm not really much of a "go-getter," if you catch my drift—sleep's more my style—but getting summoned to another world kinda messed things up. Bit hard to chill when you've got a king in your face telling you there's a bad guy you've gotta go slay or whatever, you know? Plot twist, though—it's actually not so bad. Getting the hero treatment sounds pretty nice, right? But then it happens again! Some other clown summons me, I get my obligatory superpower, and off I go. And sure, that's fine. It happens, sometimes you get isekai'd to the wrong place. But then it happens AGAIN! Someone ELSE summons me, I get ANOTHER superpower, and then I'm somewhere totally new. Repeat ad nauseam. All right, goddess, where to next? And lemme just say this—the next time I get summoned better be my last, because I am so over this! Also available in manga form from J-Novel Club!

A New Historical Fiction Series From an Exciting New Team! When Aaron McCarver met Gilbert Morris at the CBA convention in 1991, he never dreamed that those initial discussions would ultimately lead to his conceiving a historical fiction series that he would write with Gilbert Morris. *THE SPRIT OF APPALACHIA* chronicles the story of the settlers of America's first frontier--the lands over the Appalachian mountains--and of faith that carried them through the harshest of times. Over the Misty Mountains is the story of Hawk Spencer, a man whose bitterness over the loss of his wife drives him from his home in Virginia and causes him to seek the frontier to escape his pain. Becoming a skilled trapper, Hawk is persuaded to lead a wagon train over the mountains before the snows come, but the trail is marked by sabotage from an old enemy of Hawk's. When renegade Indians attack the wagon train and leave Elizabeth MacNeal and her children without a husband, how will Hawk respond to Elizabeth's resilient faith in God? And how will the MacNeals survive the frontier settlement. "Provocative, eminently addictive, and top of its class." *ENTERTAINMENT WEEKLY*

The creator of the acclaimed series *TRANSMETROPOLITAN*, Warren Ellis delivers *PLANETARY*, hailed as a timeless story that turned modern superhero conventions on their heads. This collection features the adventures of Elijah Snow, a hundred-year-old man, Jakita Wagner, an extremely powerful woman, and The Drummer, a man with the ability to communicate with machines. Tasked with tracking down evidence of super-human activity, these mystery archaeologists uncover unknown paranormal secrets and histories, such as a World War II supercomputer that can access other universes, a ghostly spirit of vengeance, and a lost island of dying monsters. *Collecting #1-6 and the PLANETARY PREVIEW Triumph Over Darkness* is a collection of prose and therapeutic insights that create a powerful commentary on incest, rape, abuse, and the recovery process. Women and men share their personal experiences of childhood abuse and walk with the reader along the path toward wellness. They reflect each stage of healing with a clarity that, while often painful, is also hopeful. Addressing various aspects of abuse, including ritualistic abuse, multiple personality disorder, and partnering as well as providing a therapist's insights on the stages of healing, *Triumph Over Darkness* helps readers to understand recovery as predictable process and see that healing is possible. A new voice and vision for art as comics and comics as art --

and poetry. Edwardian Romance and History Gains a Twist of Suspense Rosemary Gresham has no family beyond the band of former urchins that helped her survive as a girl in the mean streets of London. Grown now, they concentrate on stealing high-value items and have learned how to blend into upper-class society. But when Rosemary must determine whether a certain wealthy gentleman is loyal to Britain or to Germany, she is in for the challenge of a lifetime. How does one steal a family's history, their very name? Peter Holstein, given his family's German blood, writes his popular series of adventure novels under a pen name. With European politics boiling and his own neighbors suspicious of him, Peter debates whether it might be best to change his name for good. When Rosemary shows up at his door pretending to be a historian and offering to help him trace his family history, his question might be answered. But as the two work together and Rosemary sees his gracious reaction to his neighbors' scornful attacks, she wonders if her assignment is going down the wrong path. Is it too late to help him prove that he's more than his name? Australia's diggers didn't go 'over the top' for King and Country, they did it for their mates and their battalion - extraordinary deeds performed by ordinary men. Henry George Hartnett, known as 'Harry', joined the Australian Imperial Force on 13 September 1915 at the age of 23. He saw action on the Western Front at Fromelles and on the Somme, receiving his first 'Blighty', a wound so serious he was sent back to Britain for treatment, in the Battle of Pozieres. Upon his recovery, he returned to 'tour' the front with his battalion - an endless cycle of fighting interspersed with brief rest periods behind the lines. In this book Harry recalls the battles, the long marches, and the many amusing events that provided escape from the horrors of the battlefield. His moving descriptions give the reader insight into the unshakeable bonds forged between men trapped in situations they could never have imagined. Over the Top takes the reader on an eye-opening tour of life in and behind the trenches on the Western Front. Harry's book, which has never before been published, is a magnificent gift to Australia. Step Over the Ropes and into 1990s wrestling. Set in a fictional world, Over the Ropes dives into sports entertainment's biggest era. A young high-flyer named Jason Lynn goes off-script in a match to win the world title and sets the southern territory on fire as the face-painted wrestler, Phoenix. Jason's battles between the ropes are only outperformed by his struggles outside the ring. First dates. Crooked promoters. Cage matches. Factions and families. No matter what problems smack him with a steel chair, Collects issues #1-5. Romantic Women's Fiction. Previously titled: The Burning Point Kate Corsi always dreamed of working in her family's world-famous demolition business—a wish her old-fashioned father denied until his untimely death. He leaves a fortune to Kate and the business to her ex-husband, Donovan—but only if they agree to live under the same roof for a year. Kate and Donovan married too young and stayed too long in a dangerously destructive marriage. Ten years later, surely they're mature enough to co-exist peacefully. But the embers of attraction swiftly flare into flame again. Now, they must confront the pain of the past if they are to have a chance for a future and save their business from a saboteur they're beginning to suspect of murder. REVIEWS: "Ms. Putney takes a taboo

issue and creates a poignant tale about forgiveness and the awesome power of love... I could not put it down." ~Darlene Kendall, Rendezvous STARTING OVER SERIES, in order Stirring the Embers Phoenix Falling An Imperfect Process A Holiday Fling, the novella Considers reorganization plans to reorganize SEC and FCC. Much has been written about the Battle of the Somme. From July through late November 1916, British, French, and German armies fought one of the costliest battles of the twentieth century. Well over a million casualties and only a few miles of ground gained by the Allies were the result when the battle ended. Little, however, has been written about the second battle which occurred simultaneously, this one in the skies above the Somme, where for the first time in the history of warfare a deliberate attempt was made to control the sky. The British Royal Flying Corps, under the resolute command of General Sir Hugh Trenchard, fought to gain air supremacy from the German Air Service. Trenchard believed that the best way to support the ground force was to dominate and control the sky above the battlefield. This air campaign was critical because of its impact on the doctrine and theory of air warfare which followed it. This study examines the efforts of the Royal Flying Corps to gain air supremacy against the German Air Service before and during the Battle of the Somme.

Four complete books for one low price! Characters you can relate to.

Welcome the Peterson sisters into your life as they find their way back to one another, overcoming challenges and finding their happily-ever-afters at the same time.

## Book One

### A Heart to Call Home

After an indifferent divorce, Reed Peterson traded in her high-profile career in the city for an opportunity to try her hand at running a business of her own. She's not sure if the small town life is for her, but since part of her new mission in life is to adopt the free-spiritedness her mother had once embodied, she knows she has to give it a try. She needs her freedom, and she needs it now. Even if the fresh air might suffocate her.

Rogan Douglas agrees to take on the job of getting Reed's property up-to-snuff so she can re-open the once grand—now dilapidated—cottage motel in town. Struggling to raise his five kids on his own after the accidental death of his wife, Rogan didn't realize the job would cost him so much. Like his sanity. And his heart.

Reed and Rogan are venturing down different paths in life, but can they resist the powerful attraction that threatens the way they see themselves? Their futures? And is it possible for two people with such different personalities and values to find a way to call each other's heart their home?

## Book Two

### Loving a Wildflower

Simplicity Peterson has never cared about fitting in, but she's ready to put her couch-surfing days behind her. First step toward planting roots—find a way to make a difference in her new community. Volunteering to help the reclusive and notoriously difficult Ethan Witherford will help people see the good side of her. If she tries hard enough, she should be able to keep everyone in town from thinking of her as the crazy hippie. She expects to feel good about performing this important community service, but she's far from prepared when Ethan turns out to be the most dangerous rollercoaster she's ever had the pleasure of riding.

Ethan had been tortured enough as a POW. He doesn't need this free-spirited nymph interfering in his quiet, uncomfortable existence. His one goal in life is to make his estranged parents miserable, and he can't fulfill that destiny if Simplicity continues yanking him from his dark cave as she chases a world of make-believe.

His scars are external. Hers are internal. She can look past his. Can he do the same?

## Book Three

### Wherever You Go

The last thing Paisley Peterson needs is to fall in love. She left her high-stress job in Boston so she could heal in Healing Springs--isn't that what the town is about? She needs her sisters. She does not need a man.

Asher has always been the one to take care of the people in his life, so when sexy Paisley strolls in and takes the lead, he finds himself turned on by her independence

and confidence in a way he has never been turned on before. But after suffering too many losses in life and with a plate already brimming with family members who need his care and protection, can he handle the truth behind her sudden appearance in Healing Springs? How is he supposed to allow himself to get close to her when he could lose her?

Asher and Paisley are from two different worlds with two different life plans. Will their unplanned love affair turn into a dead end? Or will it be just the detour they have both needed all along?

## Book Four

### Imperfect Harmony

A marriage of convenience isn't on Harmony Peterson's agenda when she's forced to sneak into Healing Springs to retrieve important papers, but if marrying a stranger keeps her from reuniting with her estranged sisters, how dumb would she be to turn down the offer? She'll do whatever it takes to keep her vow to protect the infant she hadn't planned on raising.

Keegan O'Malley knows he's not qualified to save anyone, but if a sham marriage can help this beautiful, intriguing stranger who forced her way into his life and maybe help him in return, why should he talk himself into reason? Though he's failed to live up to his moral code before, he has to believe he's somehow been given a second chance to right the wrongs.

A fake marriage may be something they can live with. But can they honor the unspoken promise to keep their hearts out of the bargain?

An all-new STANDALONE from New York Times bestselling author Julia Kent It all started with the wrong Help Wanted ad. Of course it did. I'm a professional fluffer. It's NOT what you think. I stage homes for a living. Real estate agents love me, and my work stands on its own merits. Sigh. Get your mind out of the gutter. Go ahead. Laugh. I'll wait. See? That's the problem. My career has used the term "fluffer" for decades. I didn't even know there was a more... lascivious definition of the term. Until it was too late. The ad for a "professional fluffer" on Craigslist seemed like divine intervention. My last unemployment check was in the bank. I was desperate. Rent was due. The ad said cash paid at the end of the day. The perfect job! Staging homes means showing your best angle. The same principle applies in making a certain kind of movie. Turns out a

“fluffer” doesn’t arrange decorative pillows on a couch. They arrange other soft, round-ish objects. The job isn’t hard. Er, I mean, it is — it’s about being hard. Or, well... helping other people to be hard. Oh, man... And that’s the other problem. A man. No, not one of the stars on the movie set. Will Lotham – my high school crush. The owner of the house where we’re filming. Illegally. In a vacation rental. By the time the cops show up, what I thought was just a great house staging gig turned into a nightmare involving pictures of me with an undressed star, Will rescuing me from an arrest, and a humiliating lesson in my own naivete. My job turned out to be so much harder than I expected. But you know what’s easier than I ever imagined? Having all my dreams come true. Read the whole series: Little Miss Perfect (FREE!) Fluffy Perky Feisty Hasty \* \* \* Read what others are saying about Julia Kent's books: "Heartwarming and intensely emotional, Our Options Have Changed is witty, sexy and hilarious with a heroine you admire and a hero you can't help falling in love with." -- Helena Hunting, New York Times bestselling author "Reading a Julia Kent book is like taking a vacation with your best friends. They'll make you laugh, tug on your heartstrings, and leave you wanting more." -- New York Times bestselling author Melissa Foster "Kent and Reed create rom com magic in this friends to lovers romance. Laughter, tears, and all the swoons." -- USA Today Best Selling author Daisy Prescott "Witty, sexy, funny and delightfully delicious--love it from beginning to end."-- USA Today bestselling author T Gephart "An utterly charming celebration of the messiness of love, life, and motherhood... every woman deserves a Nick." -- Laurelin Paige, New York Times bestselling author Reader and Blogger reviews: "Move over Sophie Kinsella and make way for Julia Kent. I haven't laughed so much since the Shopaholic series." -- Reader review "Shannon reminds me of Janet Evanovich's Stephanie Plum character..." -- Reader review "Another best seller by the Queen of romantic comedy." -- Reader review "Kent took this fun, sexy tale and gave it a depth that made it so darn easy to read." -- Glass Paper Ink Bookblog "Nothing has made me laugh out loud this much since I read Bridget Jones' Diary many, many years ago." -- Reader review "This book is a MUST READ and I can't WAIT for the next one!!!" -- Reader review "...Julia Kent has once again brought the laugh until you cry scenes, but has added a new aspect to her writing..." -- Avid Reader Book Reviews "The characters in this book are absolutely magnetic and you can't help but be drawn into their lives." -- Reader review "This book is bursting at the seams with all the fun and witty banter!" -- Eargasms Audiobook Reviews Topics: contemporary romance, romantic comedy, series, romantic comedy series, comedy, comedy series, bbw romance, funny romance, laugh romance, modern romance, urban romance, boston, boston romance, wealthy, USA today, USA today bestseller, CEO romance, office romance, city romance, smart romance, lighthearted romance, light romance, hot romance, julia kent, julia kent romance, proposal, proposal romance, humor, humorous romance, satire, american humor, wedding romance, literature & fiction, entertainment, humor and comedy, romantic comedy Perfect for readers of Emma Chase, Penny Reid, Lauren Blakely, Sally Thorne, Susan Elizabeth Phillips, Kendall Ryan, Kristan Higgins, Helena Hunting, Sophie Kinsella and Alice

Clayton. Audiobook narrated by Erin Mallon. Australia's diggers didn't go 'over the top' for King and Country, they did it for their mates and their battalion - extraordinary deeds performed by ordinary men. Henry George Hartnett, known as 'Harry', joined the Australian Imperial Force on 13 September 1915 at the age of 23. He saw action on the Western Front at Fromelles and on the Somme, receiving his first 'Blighty', a wound so serious he was sent back to Britain for treatment, in the Battle of Pozieres. Upon his recovery, he returned to 'tour' the front with his battalion - an endless cycle of fighting interspersed with brief rest periods behind the lines. His moving descriptions give the reader insight into the unshakeable bonds forged between men trapped in situations they could never have imagined. Over the Top takes the reader on an eye-opening tour of life in and behind the trenches on the Western Front. Harry's book, which has never before been published, is a magnificent gift to Australia.

**IN THE FUTURE THE WORLD IS THE SAME; YET DIFFERENT** There's a new drug trending the black market. It not only gives you a high, but gives you superhuman powers. The only thing wrong, is to most people its temporary. But temporary could last quite a while. Bad thing is, it's addicting and deadly. The human body was not made to be enhanced or become Superhuman as they're called. Jade and Nick Boaz, sister and brother are about to have their lives changed. Thomas Nightshade, government agent to the superior humanitarian group is looking for the Superhuman Rage who seems to be immune to the drug and has kept his enhanced powers intact. He's also left a devastating trail of bodies where ever he goes. Noah Santana, S.W.A.T. team leader is about to have his life altered All four are on a collision course with the Superhuman Race. And their lives will never be the same. The begining saga of the SUPERHUMAN RACE. A serial novella unlike any you've read before. Nothing you have ever read can prepare you for the SUPERHUMAN RACE. A world mixed with A.I., clones, cyborgs, chipped humans and the ability to enhance yourself. A serial novella that begins in the suburbs of Los Angeles and takes the reader to the streets of Mexico and than to the far side of the moon. Take one step into one possible future and into the heart of humanity. Brace yourself for a path today's world can enter if we're not careful. **RATED KAA: The following book is RATED KAA for KICK-ASS ACTION.** Reader beware of non-stop pulse pounding action and adventure. The purpose of this document is to provide suggestions for the interpretation of the Sustainable Development Goals (SDG) indicator 6.4.1. In particular, it focuses on the concept of economic decoupling from water-use, and its application in policy making. The evolution in water-use and water-use efficiency in four selected regions: Europe, Latin America and the Caribbean, Southeast Asia and Sub-Saharan Africa, is discussed. Particular attention is given to the evolution in water-use, water-use efficiency and related drivers in two groups of countries, including major developed economies and newly industrialized countries, and in different economic sectors. The relation of water-use efficiency with economic growth and access to safe drinking water is analyzed and discussed in the context of the literature on the Environmental Kuznets

Curve applied to water resources. A country-based example is presented to illustrate some aspects of these issues and a few concluding remarks are provided. Fifteen-year-old Angela Fournier is uprooted from her life when her parents divorce. Moving to a lovely coastal town in Texas, Angela, her mother and her younger sister settle into their home in the new city. Angela enrolls in the Honors Program, makes two best friends easily and shines in her academics. Inspired and taught by her mother the importance of education, tolerance, and kindness, Angela is surprised by the vehemence of a group of popular "mean" girls who have it in for her from the beginning. If that's not enough, the haughty, school principal, Mara Petty, seems to be jealous of Angela and oblivious to the bullying Angela has to endure. But Angela and her two best friends discover something far more sinister in their school than everyday bullying-evidence of corruption from some powerful people may prove to be more than they bargained for. Will Angela and her friends set an injustice right? What price will they pay for doing so, and who is responsible? David Bedford's adolescent characters spring to life with his spot-on dialogue and enormously entertaining storyline. Angela will resonate with teens and sends an important social message about fighting injustice, standing up for one's beliefs, and risking all to reveal the truth.

Over the Top takes the reader on an eye-opening tour of life in and behind the trenches on the Western Front. Harry's book, which has never before been published, is a magnificent gift to Australia. Covering unforgettable weekends in Europe's dream cities and regions the book presents 52 of the best

destinations. Which one you choose depends on the season, and takes into account festivities, events or the climate. For each destination, Happy Weekend showcases the most important sights, and offers recommendations of where to stay, eat and shop, as well as suggesting ideas for nightlife and excursions. In addition, there are notes on special events typical of each city or region, allowing you to immerse yourself in a very unique atmosphere.

Book 1 of SHENANDOAH SISTERS. Two young Southern girls, one the daughter of a plantation owner and one the daughter of a slave, barely survive the onset of the Civil War and the loss of both their families. When these tragic circumstances bring them together, they join forces to discover if they can make a life for themselves. As their preconceptions give way to experience, they gradually learn to value their contrasting and complementing strengths and skills as they face the formidable task of keeping body and soul together in the aftermath of this devastating war. But is it possible the Lord they have come to know has something bigger in mind for the plantation than either of them can imagine? **NEW YORK TIMES BESTSELLER** •

From world-renowned historian and philosopher Yuval Noah Harari, the bestselling author of *Sapiens*, comes an exciting, illustrated book for middle school readers that looks at the early history of humankind. A New York Times Best Book of 2022 "Gripping and thought-provoking." —The New York Times Even though we'll never outrun a hungry lion or outswim an angry shark, humans are pretty impressive—and we're the most dominant species on the planet. So how exactly did we become "unstoppable"? The answer to that is one of the strangest tales you'll ever hear. And it's a true story. From learning to make fire and using the stars as guides to cooking meals in microwaves and landing on the moon, prepare to uncover the secrets and superpowers of how we evolved from our first appearances millions of years ago. Acclaimed author Yuval Noah Harari has expertly crafted an extraordinary story of how humans learned to not only survive but also thrive on Earth, complete with maps, a timeline, and full-color illustrations that bring his dynamic, unputdownable writing to life.

A sheltered young woman fleeing abuse. The tattooed rebel who befriends her. Can their unlikely attraction turn to love? A young woman on the run When her alcoholic father's abuse escalates, eighteen-year-old Mia flees the only home she's ever known. She needs to run far and fast. She needs to start a new life. After a lifetime riddled with dysfunction, she craves normal--and safe. Love is the last thing on her mind. Until a sexy stranger enters her world. A globe-trotting rebel Tattooed, pierced Damien is everything Mia's mother warned her against. Restless and free-spirited, he's the rogue son of his wealthy family. As their friendship deepens, Mia's attraction to Damien intensifies. Still, she never expected that he might return her feelings. Until the night he kisses her. When attraction flares into passion, will Mia play it safe--or will she follow her heart? Complete series available! Over the Edge is a steamy new adult romance series. Marketing book specifically designed for Amazon's KDP Select program! In March 2012 one Canadian author boldly went where few have gone before—into the land of making real money with Amazon's KDP Select program. This is her story... My name is Cheryl Kaye Tardif and I am an international bestselling suspense author who earned over \$42,000 dollars in March 2012 selling ebooks via Amazon's KDP Select program, captured the interest of a major literary agency, and went on to sign with a foreign rights agent. And I'm about to tell you HOW I did all that. I don't normally tell people how much money I make, but I believe writers need to know it IS possible to earn a real income from your books. Seriously, if I can do it, anyone can—if you have the right combination of criteria and techniques. In this book, I'll share with you what I believe are four key elements you must have in place to see high sales. And I'll reveal the strategic techniques I used during my KDP Select promotions that resulted in earning over \$42,000—with \$32,000 of that from ONE title alone. Not only did I earn over \$42,000 in ebook sales, I was contacted by Trident Media, one of the leading literary agencies in New York. The chairman, Robert Gottlieb, saw my success when my one title made #4 in the Top 100 Bestselling Kindle ebooks, right under The Hunger Games trilogy. I am now represented by Trident Media Group and I have 2 audiobook deals in the works. So, if you're ready to earn some real money with Select, let's begin... This book bundle includes five sweet romance books from the DO-OVER DATE series that are fresh, flirty & fabulous! (MILLION DOLLAR DATE, Book 1) Leads-with-her heart Abigail Apple is determined to save her favorite dog rescue from closing while follow-the-rules cop Cooper Hill might be the key to saving the shelter and winning her heart. (THE DOUBLE DATE DISASTER, Book 2) When workaholic Jennifer Page's blind sushi date turns into a whitewater rafting disaster, outdoor adventurer Dylan Douglas teaches her that love is the one item she forgot to put on her to-do list. (THE DATE NEXT DOOR, Book 3) Carefree Hannah Griffin is able to ignore her long-time crush on her best friend's older brother, super polished Blake Remington, until he moves in next door. (DATE TO THE RESCUE, Book 4) Lucy Remington takes cooking lessons to attract a stable, uncomplicated guy and ends up falling for hot and spicy firefighter Jake Bryant after she accidentally sets her kitchen on fire. (THE DASHING DATE, Book 5) When fashionable supermodel Missy Peters teams up with gym owner Nick Zambini for a business venture, they get more than they bargain for when feelings start to fly.

“Hats off to Hatler who has done it again! Another sweet and funny romance full of laughter and tears!” — Books Are Sanity!!!, on Million Dollar Date

“Once again, Susan Hatler delivers a hilarious romantic comedy that brings both laughter and swoons to the reader.” — Katie's Clean Book Collection, on The Double Date Disaster

“Things start out wrong and as the story progresses love blooms! Great characters and wonderful story.” — Grannie Loves to Read, on The Date Next Door

“I am loving this series and the characters. I found the story to be sweet, cute, charming, and fun.” — Just a Girl Kindleing, on Date to the Rescue

“Cute and heartwarming. Nick and Missy are the sweetest couple and their story is so romantic!” — Romance Junkie, on The Dashing Date After the collapse of

the Doha Development Round of the World Trade Organization talks, agricultural subsidies and market liberalization went high on the political agenda. This work features historical documents that address the thorny relationship between trade and politics, the appropriate role of international regulation, and domestic concerns.
