What is a sister? What should a sister be? How do you relate to your sister—in childhood, adult hood, and throughout life? What are the characteristics and traits of sisters? What are the personalities of sisters? Are there particular types of sister groups? In *My Sister, My Enemy*, author Dr. Pamela Renee Applewhite journeys through sisterhood using various sister examples, traits, personalities, interactions, relationships, thoughts, whims, notions, and more. A total reflection of sisterhood, she shares various examples of sisters to demonstrate how we have been, how we have not been, and what we need to do to get it right. Filled with an array of touching and real-life sister stories, *My Sister, My Enemy* addresses a host of situations sisters face. Applewhite seeks to encourage sisters to find healing or triumphant victories. Geared for sisters old, young, and in between, she not only chronicles her personal story, but that of others who have experienced the joys, pains, happiness, trials, tribulations, sadness, loneliness, death of a sister, and revivals of sisterhood. It's about getting back to love, to closeness, and to sharing. Being a millennial today is all about the search for identity, purpose, community, and authenticity. But how does a young adult find any of those things when she's mired in the pain of her past? Renee Fisher, author of *Not Another Dating Book* and *Faithbook of Jesus*, says young adults don't have to stay stuck. In her new book, *Forgiving Others, Forgiving Me*, Renee shows readers how to let go of the pain and unforgiveness of the past accept God's forgiveness and learn to forgive others in turn move forward and embrace new dreams for the future By exploring the truths of Scripture and sharing her own extraordinary story of healing

and repentance, Renee Fisher shows others in her generation how they too can be set free. 2018 Newbery Honor Book and Coretta Scott King Author Award Winner 'Important and deeply moving' JOHN GREEN 'Timely and timeless' JACQUELINE WOODSON Jade is a girl striving for success in a world that seems like it's trying to break her. She knows she needs to take every opportunity that comes her way. And she has: every day Jade rides the bus away from her friends to a private school where she feels like an outsider, but where she has plenty of opportunities. But some opportunities Jade could do without, like the mentor programme for 'at-risk' girls. Just because her mentor is black doesn't mean she understands where Jade is coming from. Why is Jade always seen as someone to fix? But with a college scholarship promised at the end of it, how can Jade say no? Jade feels like her life is made up of hundreds of conflicting pieces. Will it ever fit together? Will she ever find her place in the world? More than anything, Jade just wants the opportunity to be real, to make a difference. NPR's Best Books of 2017 A 2017 New York Public Library Best Teen Book of the Year Chicago Public Library's Best Books of 2017 A School Library Journal Best Book of 2017 Kirkus Reviews' Best Teen Books of 2017 2018 Josette Frank Award Winner Appearing here together for the first time in English, in an exquisite translation by Brian Stableford, are the two markedly different novels issued by Renée Vivien under the title of *A Woman Appeared to Me*. First published in 1904 and 1905, these masterpieces of symbolist fiction recount Vivien's obsessive, torturing love affairs, most especially with the American writer Natalie Clifford Barney.

Originally received with hostility due to their fervent championship of lesbianism, these highly sophisticated specimens of poetic prose, which offer an unusual combination of delicacy and fervor, economy and flamboyance, today can be seen as groundbreaking, and quite unparalleled, confessions of the pain and despair of intense amour. Her world came crashing down when she got the call saying her brother had been killed. Major Samuel Griffith was one of the most beloved and humble Marine Corps Officers to serve in the military. As a result, Renee felt compelled to share her honest, raw and at times gut wrenching account of what it was like losing a sibling to war in this memoir. Renee is queen of the city and runs it with an iron fist, but everything changes when people from her past resurface to seek revenge. They will stop at nothing until she's dead. Will Renee find happiness and let go of her demons? Or will she allow her past to finish what it started? Molested by her stepfather and verbally abused by her mother, Renee channeled her pain into passion and became the most ruthless queen-pin New York has ever seen. Haunted by her past and unable to let go of what was, she struggles to achieve inner peace while inflicting mayhem on the streets of New York. Diana Hamilton Pisano thought she would never see Trace Montgomery again. After five years of absence, he returns to Ashville, NC, for the reading of his uncle's will; in a fateful complication, Diana is his uncle's widow. Diana isn't prepared to see the man who betrayed her for another woman. When she learns that her husband only left her half ownership of his ancestral mansion and no money, she resolves not to let Trace see her sweat. .

.especially when the will dictates she must share the house with him for six weeks to be able to inherit her portion. Don't Become One of the Walking Wounded! Click to Order Your Copy Now. For individual or group use. Christian divorce recovery curriculum and leader materials are available through After Divorce Ministries. The Book of Renee is a jewel. Told in a simple, elegant voice, its stories run the gamut from bawdy to reverent, from the slapstick comic to the severe. It is a memorial service interspersed with hymns-a remarkable group of sonnets once written as a wedding gift for a new bride And, it is one man's attempt to outlive the grief of loss. Everyone should have a book like this written for them-everyone should live their lives so as to deserve it. What Ravel's Pavanne for a Dead Princess is in music, what the Taj Mahal is in architecture, The Book of Renee is in literature. From Youth and Beyond contains the poems and quotes written by Renee Mitchell. She started writing at an early age. She turned her

experiences and pain into words. These written words come from the heart. As a teenager and young adult, Renee struggled to find her voice. She found it through the written word. Pain Management is a unique book written by a patient herself a chronic pain sufferer for over four decades for patients. Rene Goossens recounts her battles with pain and her inspirational success in surviving pain. Pain Management provides up to date information, reference material and case histories on sensitive issues of Dementia Care, Neurological Diseases, the work of Careers, Respite Care, Childrens Hospices, Caring for those with Life Limiting Illnesses, Death and Dying and Grief Counselling. “When your mother realizes that you’re in safe hands, that you have someone to look after you, someone you can depend on, someone who will take the responsibility she had and still has, then she’ll go back to her grave! Only then will she actually sleep and die. Valia, your mother loved and still loves you! She can’t bear to see you like this with no one that you can depend on the way you depended on her before her death!” Renée realizes she has cancer, and her whole life turns upside down. She has nobody to care for her kids, and she doesn’t have enough time to find one. Once she dies, her soul cannot rest—not until her children rest and live in peace. Will her kids accept their mother back as a ghost? How will they survive? Ride with Brandie Davis again as she brings you back into the life of a ruthless New York queenpin longing for a way to escape the mayhem of the streets she once ruled. After almost dying at the hands of her sister, Renee has made the dangerous decision to step down and give Carmen her empire to chase after happiness. The ice queen has finally

melted, and the people closest to her are not happy with her transformation. When the road to happiness turns jagged and secrets are uncovered, Renee is forced to make decisions that can alter everyone's lives. Be careful what you reap. You might fall in love with her... One act of mercy before dying was all it took to turn soldier David Anderson into a reaper—an immortal who guides souls-of-untimely-death into the afterlife. But the closer he gets to atoning for his mortal sin and finally escaping merciless Fate, the more he feels his own humanity slipping away for good. Until he encounters Sarah Griffith. This skeptical scientist can't be influenced by his powers—even though she has an unsuspected talent for sensing the dead. Her honesty and irreverent sense of humor reignite his reason for living—and a passion he can't afford to feel. Now Fate has summoned David to make a devastating last harvest. He'll break every hellishly-strict netherworld rule to save Sarah...and gamble on a choice even an immortal can't win. "A highly enjoyable, intelligently written story." - New York Journal of Books "I hope to see more of what I hope will be a long running series. Highly recommended and 4.5/5 Stars." ~ Douglas Weeks, Bitten By Romance "Grave Intentions has great characters, a very entertaining story line and a good amount of action. I really enjoyed this story. I laughed, got choked up and sighed in appreciation...Lori Sjoberg definitely did a fantastic job making her characters relatable." ~ Tome Tender "It's a great love story, and a great start to a new series." ~ RomFan Reviews Originally released in 2013. Second edition 2019. Note: This book has a few minor changes compared to the 2013 edition. It also includes a

bonus alternate ending that wasn't included in the first edition. Poetry. "Renee Ashley's stunning new book is indeed a 'view from the body, ' but it's a 'body named / bone, named brain.' Haunted at times by the dead, by the past, by death itself, Ashley finds her most frequent specter in the self and its disturbances, which few poets since Dickinson have explored so unflinchingly. Language is the means of both exploration and transcendence: words burst into double meanings, invent themselves, and reverse our linguistic expectations, carried throughout by the musical exuberance of consonant and vowel. Taut, resonant, lyrical, edgy, these poems are, as one title has it, 'Such Threads of Light As Exist in Deep Pools.'" Martha Collins" April is National Child Abuse Awareness Month This is the time when I distribute my award winning autobiography for proceeds to shelters and programs designed to educate the public on child abuse prevention. My name is Tina Clark I am the author as well as a survivor of sexual child abuse Join my fight this April by ordering your copy of *Memoirs of Sangria Renee* This book considers the life and legacy of Renée de France (1510–75), the youngest daughter of King Louis XII and Anne de Bretagne, exploring her cultural, spiritual, and political influence and her evolving roles and actions as fille de France, Duchess of Ferrara, and Dowager Duchess at Montargis. Drawing on a variety of often overlooked sources – poetry, theater, fine arts, landscape architecture, letters, and ambassadorial reports – contributions highlight Renée’s wide-ranging influence in sixteenth-century Europe, from the Italian Wars to the French Wars of Religion. These essays consider her cultural patronage and politico-religious

advocacy, demonstrating that she expanded upon intellectual and moral values shared with her sister, Claude de France; her cousins, Marguerite de Navarre and Jeanne d'Albret; and her godmother and mother, Anne de France and Anne de Bretagne, thereby solidifying her place in a long line of powerful French royal women. You hold in your hands one of the greatest gifts of Renée's lifetime. Renée's children invited her to choose from among the many stories she has written in order to have them published. This book is a culmination of her favorite ones. What a fitting way to celebrate a momentous milestone in her life-her 80th birthday! Renée's stories reflect her maturation, from the time she was a young mother and writer, on through her adult years. A selection of them are included in Renée's Story. Among the forty-six tales in this collection are: "Field of Love"-(nonfiction) the story of a child with special needs; "The Legacy"-(fiction) places the reader at the foot of Mount Sinai waiting for Moses to descend with the Ten Commandments; "While She Still Can"-(fiction) a woman faces the early onset of Alzheimer's; "Am I Having Fun Yet?"-(memoir) Renée at age 10 and through her single years asks the question. "Imagine becoming completely pain-free without resorting to expensive medical treatments!" In her groundbreaking self-help book Pain Relief Now! How To Help Yourself Heal Using Touch, Tools & Techniques, first-time author Renee Ruiz brings hope, optimism and promise to all those who suffer from the effects of chronic injury. During her 20-plus years of practice as a licensed massage therapist, Renee has helped thousands of people recover from debilitating injury. With her candid and engaging writing

style, the author explores the fundamentals of the same diverse array of home-based healing techniques that have guided her forward on her own path to total wellness--all in the space of this marvelous and easy-to-use reference guide. You, too, are invited to embark on this miraculous journey toward a pain-free life! Brandie Davis is back with the third installment of the Renee series and this time, Renee is out for revenge... Carmen has gotten her wish. Renee is no longer queen. Being stripped of her title and the power that comes with it, Renee must start from scratch and rebuild what she once controlled. Having turned their backs on one another, Renee's once strong circle is now dismantled, and each individual is after what ripped them apart<sup>¾</sup>Carmen. Carmen's making it hard for them to capture her and doing whatever she must to survive. Renee wants revenge along with everyone else, but will she achieve it, or will she die in battle without the help of Julian and Dane? Get ready to climb stairs, walk for miles and jump out of bed with exhilaration and joy. Knee Pain Recipe was published so that you can regain that part of your life that was lost due to pain. The symptoms of Knee Pain can cause annoyance, impatience and frustration when trying to return to an active lifestyle. Developing a therapy that does not use shots or surgery was a challenge that required many years of focus, determination and patience. After numerous attempts at relieving pain in my own knees a therapy was created. Knee Pain Recipe offers a step-by-step guide that works by reducing inflammation, correcting muscular imbalance and using massage to encourage lymphatic drainage. This therapy brings more blood flow, oxygen and healing elements to the

inflamed joint resulting in reducing pain in the knee and promoting the healing cycle. Practicing as a Certified Personal Trainer since 1998, thousands of hours has been devoted to relieving and sometime eliminating pain in my knees and the people I serve. Just like a homemade cooking recipe Knee Pain Recipe must be done step by step to achieve the full benefit of the therapy. The journey to an active lifestyle and knee pain relief is only a click away. Ride with Brandie Davis again as she brings you back into the life of a ruthless New York queenpin longing for a way to escape the mayhem of the streets she once ruled. After almost dying at the hands of her sister, Renee has made the dangerous decision to step down and give Carmen her empire to chase after happiness. The ice queen has finally melted, and the people closest to her are not happy with her transformation. When the road to happiness turns jagged and secrets are uncovered, Renee is forced to make decisions that can alter everyone's lives. After being passed around from relative to relative and foster home care, finally I decided to leave home and live on my own at fifteen years old. I didn't know what I was getting myself into. Everyone goes through pain in their lifetimes, but not many know how to take that pain and turn it around for their good or "power." In *From Pain to Power*, author Renee Pulliam writes about true-life experiences and teaches her readers how to identify the origin of their pain, how to let go of their pain, how to dissolve their pain, and finally how to end all pain in daily life (even self-inflicted pain). Her approach is raw honesty---down to the nitty-gritty details of her marriage, divorce, and daily struggles. This book will make you become aware of your inner strengths

and power to not only help yourself but help others without ever going back! In 1998, my life was derailed by the invasion of intense pain throughout my entire body. My doctors suspected MS. I was finally diagnosed with a birth defect in my lower back and Fibromyalgia. Then in July 2010, I had a profound mystical experience. After I stopped taking 11 prescription medications cold turkey and endured the withdrawal, I 'woke up' and was downloaded with life instructions to write - books, poetry, and songs; then to use the talents I was blessed with to inspire other people. 'It' wore off a few months later, though, and I endured a year of intense hardship before getting stabilized. I had to go through all that to write a book (this one)? Meanwhile, I found out that the human spirit is truly amazing (including mine) - stronger than I ever could have imagined. I somehow managed to survive major physical, emotional, and psychological challenges which included getting strong enough to literally get up and walk again after depending on a wheelchair for many years. And after moving 43 times, I feel like I finally belong somewhere and have a meaningful life, which is what it takes to 'get past the pain'. This book covers the 17 years since I wrote my first memoir titled "Appearances: A Journey of Self-Discovery." "I'm Happy" is a collection of poems that harmonizes pain, love, and mental illness. Not intended to romanticize the woes of life, but to inspire healing and growth. May you recognize yourself in my pain and begin to release as I have while creating this anthology. Let the melodies of each line touch your heart on your journey as I'm Happy becomes your favorite song. Life isn't over when your pain subsides nor is it your identity.

Your existence is priceless. \* USA TODAY Bestseller \*  
Cosmopolitan September 2017 Pick \* Goodreads Best  
Romance of August 2017 \* Hello Giggles “17 Books We  
Can’t Wait to Read” \* Charlotte has spent her twenties adrift,  
searching for a spark to jump-start her life and give her a  
sense of purpose. She’s had as many jobs as she’s had bad  
relationships, and now she’s feeling especially lost in her  
less-than-glamorous gig at a pie-and-fry joint in Los  
Angeles, where the uniforms are bad and the tips are even  
worse. Then she collides—literally—with Adam, an  
intriguing, handsome, and mysterious painter. Their  
serendipitous meeting on the street turns into a whirlwind  
one-night stand that has Charlotte feeling enchanted by  
Adam’s spontaneity and joy for life. There’s promise in both  
his words and actions, but in the harsh light of morning,  
Adam’s tune changes, leaving Charlotte to wonder if her  
notorious bad luck with men is really just her own bad  
judgment. Months later, a new relationship with Seth, a  
charming baseball player, is turning into something more  
meaningful, but Charlotte’s still having trouble moving past  
her one enthralling night with Adam. Why? When she  
searches for answers, she finds the situation with Adam is far  
more complicated than she ever imagined. Faced with the  
decision to write a new story with Seth or finish the one  
started with Adam, Charlotte embarks on a life-altering  
journey, one that takes her across the world and back again,  
bringing a lifetime’s worth of pain, joy, and wisdom. Have  
you ever gotten so angry and hurt that you couldn’t see  
straight? Has anyone ever hurt you so bad that you feel like  
that you could never forgive them? In the fourth installment

of the Zoe Carter book series, this is the type of anger and pain that fifteen year old Zoe Carter finds herself struggling with. When fifteen year old Zoe Carter finds out that her boyfriend of ten months got three of her best friends pregnant in April, it shakes her to the very core. To make things worse, the rest of her best friends have known about it since it happened and didn't even say anything to Zoe. At this point, Zoe does not think that things could get worse. However, she will soon learn that things are not always as they seem. Shortly after she learns about Jacob's betrayal, Zoe and her Aunt Renee learn that Zoe's Uncle Ryan is to be deployed to Iraq three days before he was supposed to. With said, it hurts both Zoe and her Aunt Renee dearly. The pain that they both feel will put Zoe's relationship with her Aunt Renee to the test. With all of this pain going on inside of Zoe's heart, she knows what she must do to feel better. While dealing with the anger and pain that she feels, Zoe knows she must also forgive the people who have hurt her. Even though it will take time for her to forgive these people, Zoe is more than okay with that. After all, she knows that she will feel better once she does. In this story of the journey to forgiveness and moving on, follow Zoe as she is faced with one of the toughest challenges that she will ever have to face. Renee is queen of the city and runs it with an iron fist, but everything changes when people from her past resurface to seek revenge. They will stop at nothing until she's dead. Will Renee find happiness and let go of her demons? Or will she allow her past to finish what it started? Molested by her stepfather and verbally abused by her mother, Renee channeled her pain into passion and became the most ruthless

queen-pin New York has ever seen. Haunted by her past and unable to let go of what was, she struggles to achieve inner peace while inflicting mayhem on the streets of New York. Booklist, Top 10 Women's Fiction of 2016 Goodreads Best Romance of August Redbook.com's "20 Books by Women You Must Read This Fall" Popsugar's "21 Fiction Reads to Add to Your Fall Reading List" Bustle's "11 New Romance Books Perfect for Summer Beach Reading" Brit+Co's "16 Must-Read Adult Books Out in August" Sunset magazine's "Bookmark this: Your ultimate summer reading list" From USA TODAY bestselling author Renée Carlino (*Before We Were Strangers*), a warm and witty novel about a struggling writer who must come to grips with her past, present, and future after she discovers that she's the inspiration for a pseudonymously published bestselling novel. When a bestselling debut novel from mysterious author J. Colby becomes the literary event of the year, Emiline reads it reluctantly. As an adjunct writing instructor at UC San Diego with her own stalled literary career and a bumpy long-term relationship, Emiline isn't thrilled to celebrate the accomplishments of a young and gifted writer. Yet from the very first page, Emiline is entranced by the story of Emerson and Jackson, two childhood best friends who fall in love and dream of a better life beyond the long dirt road that winds through their impoverished town in rural Ohio. That's because the novel is patterned on Emiline's own dark and desperate childhood, which means that "J. Colby" must be Jase: the best friend and first love she hasn't seen in over a decade. Far from being flattered that he wrote the novel from her perspective, Emiline is furious that he co-opted her

painful past and took some dramatic creative liberties with the ending. The only way she can put her mind at ease is to find and confront “J. Colby,” but is she prepared to learn the truth behind the fiction? Knowing that she was the one responsible for her parents' tragic death, Regine Thomas buries her pain and pretends not to grieve. To escape the memories, she moves from her southern hometown to a small town outside of Philadelphia, Pennsylvania along with her teenaged sister. Hoping for a new start, she forfeits her plans for law school and opens a small catering business. Her goal is to focus on her business and make sure her sister is taken care of. All that changes when she wins the coveted contract to cater a high society event. There she meets billionaire, playboy Mason Spaulding, a man that makes his own rules when it comes to business and relationships. The fire ignites upon their first meeting. They begin an affair and agree that when it ends they will go their separate ways. But all of that changes when Mason decides he wants more and rewrites the script. Renée is the spoiled daughter of a respectable, but untitled French family. She eschews convention until the deeds of her brother Henri make her realize the value of propriety. I slapped him on the face when he was raping me. “Why me?” I asked him with the blood falling down the corner of my mouth. He bit my lips as I shouted for help. “Do not hurt my sister again. Leave the man who doesn't love you.” I had a boyfriend, and this man's sister had the same affection towards him. To help his sister, he chose to warn me in such an evil way. I couldn't lose my lover because he was the only light in my world. But I couldn't shut this light with my darkness. On a rainy day, I

asked for a breakup with him. I didn't deserve him. He should marry a perfect girl, an intact girl. What tortured me more was that after our breakup, he married that demon's sister, who was the beginning of my nightmare. I must leave, but every time I ran away, I was chased by the man who forcefully mated me, "You can never leave my control", he whispered by my side. 'Mother Killed, Baby Lives in Freak Accident, Oxford Times 20 February 1962. The newspaper was wrong. I was that young woman', writes Renee Goossens, an extraordinary woman who has suffered both physical and emotional pain throughout her life. This book will change how you understand and cope with pain. It took Renee five and half years of research and forty five years of living it. Renee shares not only her own coping strategies, but those of over one hundred families she has interviewed in England, France and Australia. It also includes the advice of medical practitioners and complementary therapists. "There is no family anywhere in the world who has not experienced pain, be it physical, emotional or in the form of grieving for a loved one", says Renee. In 1962 at the age of 21, Renee was involved in a serious motor vehicle accident that kept her in an English hospital for nearly two years depriving her temporarily of her husband and baby. When Renee was finally able to leave hospital, her husband left her for his pregnant girlfriend. Wheelchair-bound with a lively toddler to raise, Renee beat the odds and walked again. She has since then endured over fifteen spinal operations and ongoing chronic pain. Renee has required a wheelchair since 1995. Renee Goossens recounts her battles with pain and her inspirational resilience in surviving pain. Drawing on her

own experiences and those of other pain sufferers, she describes how to get the best out of practitioners, seek a second opinion without damaging relationships, and assess complementary therapies. Most importantly, she demonstrates how to maximise the quality of life. Written in plain language, Pain Management provides up-to-date information, reference material and case histories on the sensitive issues of neurological diseases, the work of carers, respite care, children's hospices, caring for those with life-limiting illnesses, death and grief counselling. Pain Management is a practical guide for families suffering from physical and emotional pain written by a patient for patients. Buried memories of sexual abuse can have a devastating impact on a victim's relationships, work, and health. Using case histories, Renee Fredrickson stresses the importance of recovering these memories as a crucial step in healing, and she explains various therapeutic processes used in memory retrieval. AS SEEN ON 60 MINUTES This compelling memoir of family secrets, murder, sexual assault and domestic violence is also the gripping story of Renee's constant struggle to accept the truth and her true identity, and, ultimately, to forge a life on her own terms. From the outside, Renee McBryde had a fairly typical childhood - school, working mum, swimming lessons with loving grandparents. But waiting for her was a secret so awful that it would rock her to the core. Renee's mother was a teenage runaway who found herself pregnant and alone when Renee's father was jailed for killing two men. When Renee discovered the truth, she knew her life would never be the same again. She was a murderer's daughter - but that made

her determined to escape the past. This is her sometimes shocking, often moving, inspirational true story of terrible secrets and tragic lies, and a life of abuse, suffering and survival. A trusted grief expert shares what Kirkus Reviews praises as “calm, lucid prose... [a] humanizing exploration of coping with the life-changing tides of loss.” In *Grief is Love*, author Marisa Renee Lee reveals that healing does not mean moving on after losing a loved one—healing means learning to acknowledge and create space for your grief. It is about learning to love the one you lost with the same depth, passion, joy, and commitment you did when they were alive, perhaps even more. She guides you through the pain of grief—whether you’ve lost the person recently or long ago—and shows you what it looks like to honor your loss on your unique terms, and debunks the idea of a grief stages or timelines. *Grief is Love* is about making space for the transformation that a significant loss requires. In beautiful, compassionate prose, Lee elegantly offers wisdom about what it means to authentically and defiantly claim space for grief’s complicated feelings and emotions. And Lee is no stranger to grief herself, she shares her journey after losing her mother, a pregnancy, and, most recently, a cousin to the COVID-19 pandemic. These losses transformed her life and led her to question what grief really is and what healing actually looks like. In this book, she also explores the unique impact of grief on Black people and reveals the key factors that proper healing requires: permission, care, feeling, grace and more. The transformation we each undergo after loss is the indelible imprint of the people we love on our lives, which is the true definition of legacy. At its core, *Grief is*

Love explores what comes after death, and shows us that if we are able to own and honor what we've lost, we can experience a beautiful and joyful life in the midst of grief. Missy's story continues, she has a new unsuspected enemy who happens to be close to her ex. Shana is trying her best to pull out all the stops to get her ex-husband back. Cortez has his heart set on Missy but unforeseen odds are stacked highly against them.
