Maybe if we met at another time--another life--he could've been mine. Maybe if I were older. Maybe if he wasn't my brother's best friend. Maybe if he wasn't my teacher. Maybe. Maybe. Maybe. Having my dirty little secret living down the hall had me obsessing over alternate endings and happily ever afters. I'd never wanted someone so badly, but his hot and cold behavior was giving me emotional whiplash. In the classroom, he practically ignored me. But here? In my brother's loft? It felt like we were a thick rubber band, pulled so tight we'd snap. Falling for Decker Harris made me realize that life wasn't as serendipitous as everyone liked to think. We weren't just a collection of maybes thrust into the world with hope and good intentions. Everything started with a choice, and somewhere between grief and redemption, I chose to make him mine. Katy Spencer's life fell apart two years ago. Since then, she's closed herself off. She's a shell of the person she used to be. The only person she trusts is her best friend Rollo, but even he can't keep the nightmares away. Then she meets Jared. He's the first man she's been around since the event that she's not afraid of. He makes her heart race, not in fear, but in a fluttering that could become something meaningful. Jared can tell that Katy is broken. He sees

something in her eyes that he's often seen reflected in his own. Pain. Fear. Self-loathing. Jared is determined to get to know her. He wants to solve the mystery of Katy Spencer. He will... unravel her. Grip Trilogy Reading Order: Flow, Grip #1, Grip, Grip #2 Still, Grip #3 Resisting an irresistible force wears you down and turns you out. I know. I've been doing it for years. I may not have a musical gift of my own, but I've got a nose for talent and an eye for the extraordinary. And Marlon James - Grip to his fans - is nothing short of extraordinary. Years ago, we strung together a few magical nights, but I keep those memories in a locked drawer and I've thrown away the key. All that's left is friendship and work. He's on the verge of unimaginable fame, all his dreams poised to come true. I manage his career, but I can't seem to manage my heart. It's wild, reckless, disobedient. And it remembers all the things I want to forget. The second in the captivating Hades and Persephone series from fan-favorite bestselling author Scarlett St. Clair. "Are you saying you wouldn't fight for me?" Hades sighed and brushed his finger along her cheek. "Darling, I would burn this world for you." Persephone's relationship with Hades has gone public and the resulting media storm disrupts her normal life and threatens to expose her as the Goddess of Spring. To add to her troubles, everyone seems eager to warn Persephone away from the God of the Dead by exposing his hellish past. Things only get worse when a horrible tragedy leaves Persephone's heart in ruin and Hades refusing to help. Desperate, she takes matters into her own hands, striking bargains that lead to severe consequences. Faced with a side of Hades she never knew, and crushing loss, Persephone wonders if she can truly become Hades's queen. "Six kindergarteners were taken. Eleven years later, five come back--with no idea of where they've been. No one remembers the sixth victim, Max. Avery, Max's sister, needs to find her brother--dead or alive--and isn't buying this whole memory-loss story"-- I, Tillie Jean Rock, am not in love with my brother's teammate. Sure, he might have those biceps and that "I am the grouchiest of grouchy bears" smolder, and he might shovel snow off his driveway next door wearing nothing but boxer shorts and rubber boots, and he might be running a side business feeding all the stray goats in town, but studliness is only skin-deep. And I might flirt with him every chance I get, but I swear it's only to annoy my brother. And him. Because Max Cole? Under all of those glorious muscles and chiseled cheekbones and searing glares beats the heart of a heartless devil. I could no sooner fall in love with a guy who treats me like a kid, and judges me at every opportunity, and sets an army of garden gnomes loose on my yard, than I could fall in love with my grandfather's pet parrot. But I can definitely annoy him. I can one hundred percent get on board with annoying him. That's what you do when you don't like your neighbor, right? But you know what they say about love and hate... It's a very thin line. Especially when the real reason I'm not in love with Max Cole--that he's incapable of love--might not be true at all. The Grumpy Player Next door is a fun-filled enemies-to-lovers romcom featuring a ray of sunshine on a mission, an athlete who's only grouchy around her, and an epic prank gone wrong. It stands alone and comes complete with small-town shenanigans, a goat who's not nearly as wise as his name suggests, and proof that sometimes, love is the best kind of vengeance. Dandelion Meadows is cursed. Horrible name. Horrible luck. At eighteen she should be headed off to college, all smiles and naivety. Instead, a victim of a school shooting, she's starting her senior year in a new city and living with her brother. Nightmares of that terrible day haunt her, affecting her daily life and the relationships around her. Forced to meet with the school counselor, Dani finds

him chipping away at the walls she's built around herself, and even her heart. Lachlan Taylor doesn't know what to make at first of the broken student he's tasked with helping. She's survived a trauma he's not sure he can save her from, but he knows he has to try. The more time they spend together, the more they learn about what it really means to live. Some things are forbidden. Some things are necessary for survival. Their love is both. When Matthias Phillips imagined the new caretaker for his mother with ALS, the last thing he had in mind was a gorgeous twenty-something who didn't look like she had a day of experience in the field. However, his mother has always been stubborn, and despite his objections, she's insistent: it's Adelaide Samson she wants him to hire. After losing her job, Adelaide needs a new gig to continue supporting her family, even if that means working for overprotective and rude Matthias. Once she earns his trust, though, she gets to see a whole other side of him--a funny, sweet, and sensitive side. A side she might start to like. Feelings take hold, but soon, Adelaide must choose between helping Helen with a secret task or being honest with Matthias. Caught between the woman who feels like a second mother and the man she's falling for, Adelaide must navigate the murky waters of a job that has started to feel like home. "Goodbye, unicorns." "What?" My heart dropped. "What?" was a stupid question. I knew exactly what she meant. Still, it was hardly the kind of thing I expected to hear a seven-year-old girl mumble as she headed out her bedroom door for what would probably be the last time. To an onlooker, it might make sense. Her room was, in fact, a pink and purple web of horned horses she'd spent more than half her life believing in. But I knew the rest of the story. And her words told me this was worse than a kid finding out about Santa. 'Goodbye unicorns' wasn't happening. Not on my watch. The true story of a little girl looking to find a new faith in the world after losing her mother to the drug epidemic, Goodbye Unicorns is a story of love, loss, rebuilding, and what it takes to restore magic for a kid has no reason to believe it exists... Could you have faith again? I've been nothing but a failure to my parents my entire life. I know I'll never live up to their level of perfection, but it doesn't matter. Especially, when I'm about to fail the same class twice. It seems like I'm doomed until my professor tells me he knows the perfect guy to tutor me-if he'll agree. Cree Madison is the star player on the hockey team, bound for NHL superstardom, and my last hope. I'm willing to do almost anything for his help. When I meet up with him, his eyes light up and he says, "I've been looking for you." Only I don't know him, and I've never met him before now. I'm willing to pretend to be whoever he wants me to be if it means I pass this class. But lies have a way of getting out of hand and neither one of us is prepared for the fallout when everything comes to light.

WANTED: A ROOMMATE

Requirements 1. Don't be a smoker. That's gross. 2. Don't be a jerk. I have no time to deal with your mood swings. 3. Clean up after yourself. Is it really so hard to put dirty clothes where they belong? If you meet these qualifications, call me. Sincerely, Desperately Seeking Roommate

When I put the ad in my university's newspaper, the last thing I ever expect is for the star football player to respond. From what I know of him, Abel Russo is a womanizer and an absolute jerk. Sadly, he's the only thing stopping me from being evicted by my annoyingly gleeful landlord. It should be easy enough--there's no chance we'll fall for each other. But then he gives me lingering looks, and I might just be looking back. All I wanted was a roommate, but I'm about to get so much more than I bargained for. I've learned that not everything is what it seems. If you start to look too close, you uncover things people don't want you to see. It's

why I hide. It's why no one knows the real me. But he sees me. He sees the darkness in my heart but he's not afraid, because he's like me. They say opposites attract, but we're proof that like-and-like are a far more potent combination. Novalee Clarke is hiding from a past she wants to leave behind, and Jacen Kensington is running from his. The thing about hiding and running is eventually the thing you're trying to escape catches up to you. And when it does? It changes everything. The complete Willow Creek series includes all full-length novels. Last To Know, Never Too Late, In Your Heart, and Take A Chance. PLUS over 26,000 words of exclusive bonus content unavailable anywhere else. Veronica Cunningham was as shallow as they came-until new depths dragged her under at just seventeen. Now-aside from her art-she prefers all things surface-level, at best. Maverick Morrison needs a new roommate-and as a loyal man in a long-term relationship with his best friend, that's all he needs. But when he meets Veronica, he finds himself slowly pulled into her past-and her sorrow, which threatens to swallow them both. To her, Maverick is annoying-with a stubbornness that rivals even her own-but safe. Though his ocean-eyes remind her of all that she's lost. To him, she's captivating. A beautiful mystery. Until he discovers that her guarded heart is a riptide-and that his has been in the wrong hands all along... What happens when a love-destructive girl accidentally falls for a boy who's vowed to never again accept a love that doesn't mend? To a restless dreamer like Vera Miles, it sounded like the experience of a lifetime. Instead of spending her summer interning for her astronomy major, she would fly to Spain where she'd spend a few weeks teaching conversational English to businessmen and women, all while enjoying free room and board at an isolated resort. But while Vera expected to get a tan, meet new people and stuff herself with wine and paella, she never expected to fall in love. Mateo Casalles is unlike anyone Vera has ever known, let alone anyone she's usually attracted to. While Vera is a pierced and tatted free spirit with a love for music and freedom, Mateo is a successful businessman from Madrid, all sharp suits and cocky Spanish charm. Yet, as the weeks go on, the two grow increasingly close and their relationship changes from purely platonic to something more. The complete FALLEN series. Includes Fallen, Forbidden, and Forever. Life can change in an instant...For Willa Hansen, this statement couldn't be truer. One minute she was a seemingly normal fourteen-year-old, and the next her life was turned upside down with only a few words. Three years later, she's receiving a kidney transplant and can start living again, only now she's not sure she knows how. Life can end in a moment...Jasper Werth knows this all too well, seeing as a drunk driver killed his little brother. He's always been a carefree guy, never taking life too seriously, but losing his brother is a major blow, and he finds himself lost until Willa walks into his life. Life can mend the most broken parts of our souls...Willa and Jasper couldn't be more opposite, but as fate brings them together they'll learn maybe they're not so different after all. Sometimes what you need comes in a package you least expect. The book is a passionate journey through varied emotions experienced in human life. It voices from the pain of loneliness and yearning of heart for love to the radiance of such idealism that can transcend all pain and sacrifice all joy for the sake of service above self. It glorifies the innocence of romantic love to the height of divinity and then breaks all barriers of individualism to mingle itself with universal love. This tale of poems worships the strength of youth power, their ardent passion and their invincible courage which is capable of perishing all injustice from humanity. On one hand it speaks of the beauty of friendship, love, hope and purity of the child in

us and on the other hand, it reveals the ugliness and evils that exist in our society and tarnish this beautiful earth of ours. It voices the pain of the oppressed and the unfortunate and urges the youth to change this world into a better place to live in. The simplicity of the language can convey its message to people from all walks of life and the depth of feelings reflected in the words can touch even a soul, which has never seen the world through the melody of poems, and make it love poetry. USA TODAY BESTSELLING BOOK! Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him--the last flicker of hope--began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is his story. The Grip Trilogy charts the course of rising star Marlon "Grip" James and his manager Bristol Gray. From the beginning, attraction ignites between the struggling musician and his best friend's ambitious sister. It starts with a kiss at the top of a Ferris Wheel when they're young, combusts into a tumultuous love affair, and matures into an epic love that defies each odd and defeats every obstacle. Discover why BuzzFeed selected Grip to its list of books that will change the way you see the world.3 Books2 Decades (Nearly!)1 Love of a lifetime--This enhanced box set includes Flow, Grip and Still - all 3 books of the groundbreaking Grip trilogy.--PLUS "All", the Grip short story previously published in the Cocktales charity anthology---PLUS two BRAND NEW "where are they now" chapters. The writing of "Finding Olivia" was prompted after the author, a real-life judge, somewhere in the United States, met a young Vietnamese woman who is many years his junior. They met during a Mandarin Chinese class at a local college. The judge fell in love with her. He then became completely obsessed with her. After losing contact, he undertook a desperate search 'to find' her which included writing "Finding Olivia." Critical to a full understanding of the book is his definition of 'finding her'. The judge, who arguably is mentally ill, recently discovered a major polarization in his life. "The height of his love for Olivia is the depth of his disdain for evil." On a daily basis, he hears cases involving the most heinous facts imaginable. The facts are summarized in graphic brutal detail to justify what he feels to be appropriate punishment in certain cases. 'On his own time', the judge wishes he could administer punishment to the criminal which may include whippings before execution. Because of the judge's belief his purpose on earth was to abate evil, frustratingly, he realizes he must afford recognized justice to all who may appear before the court. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were

arguing about everything Age is just a number. Just like he's just a boy and I'm just a girl. Except that's not true, is it? Because fifteen may be a number, but it's bigger than that. Bigger than us. It's a number that separates us. An excuse that keeps us apart. But I'm not willing to give in until I get what I want. After all, how many other girls can bring a grown man to his knees with one little smile? From the NEW YORK TIMES, WALL STREET JOURNAL, & USA TODAY bestselling series Hunches, horse races, and heartbreak Ten years after Simone Payton broke his heart, all Roscoe Winston wants is a doughnut. He'd also like to forget her entirely, but that's never going to happen. Roscoe Winston remembers everything—every look, every word, every single unrequited second—and the last thing he needs is another memory of Simone. Unfortunately, after one chance encounter, Simone keeps popping up everywhere he happens to be . . . Ten years after Roscoe Winston dropped out of her life, all Simone Payton wants is to exploit him. She'd also like some answers from her former best friend about why he ghosted her, but if she never gets those answers, that's a-okay. Simone let go of the past a long time ago. Seriously, she has. She totally, totally has. She is definitely not still thinking about Roscoe. Nope. She's more than happy to forget he exists. But first, she needs just one teeny-tiny favor . . .

He's temptation, pushing me toward sin with his wicked touch. But the sins of the flesh are different from the sins of the mind, and as much as I hate his secrets...I will never tell him my own. Until Tomorrow Comes is the first book in the Beauty in Lies series and ends on a cliffhanger. This is a DARK mafia romance and contains graphic violence, mature content, and elements that may be triggering. Please read at your own discretion. High school senior Liv Evans has one rule: No attachments. She's lost enough in her life and has vowed to do whatever it takes to make sure she never again feels the emptiness of losing someone she loves. Boys are a fun distraction, but a serious relationship is something she'd rather live without. Her determination for a future free of pain and heartbreak is put to the test when she meets—and quickly forms an unexpected bond—with Logan Tanner. Logan has always been a free spirit, but ever since a life-changing event took place, which left him doubting the integrity of those who are closest to him, he's taken that term to a whole new dangerous level. Learning the hard way that life is too short for worries or work—and that women can't be trusted—Logan has exchanged steady work for street racing. When Liv walks into his world, everything he thought he knew about life and women is challenged. In The Fine Line, Liv and Logan will discover if it's possible for true love to have a future, or if history is destined to repeat itself. Recommended for mature readers due to strong language and sexual content. On the outside, Hayden is every girl's living breathing fantasy, brooding and devastatingly gorgeous. A madman with a shadowed past . . . In Las Vegas, Sin City, Dmitri Sevastyan finds her, Victoria Valentine—sexy, vulnerable, and in need of a protector. Obsession takes root deep inside him. Despite a history tainted with violation and betrayal, he will stop at nothing to possess her. A grifter with nothing to lose . . . Descended from a long line of con artists, twenty-four-year-old Victoria, a.k.a. Vice, needs the score of a lifetime to keep her loved ones safe. She sets her sights on gorgeous and rich Dmitri Sevastyan. Even as the irresistible Russian toys with her body and mind, he tempts her heart. Love is the ultimate wild card. When Vice and her associates maneuver Dmitri into a hasty Vegas wedding, he refuses to protect himself with a prenup, trusting her with all that he has. But can she trust him? As secrets unfold, the newlyweds share days of doubts and nights of the wickedest pleasures. Yet once Vice discovers her husband's past, will she stay to fight for her marriage or cut her losses and run? I've heard the whispers on campus of what a player Teddy McCallister is. Most girls on campus are vying to be the one, but guys like him don't settle down. When he overhears that my tuition has been pulled and I'm going to basically be a college reject he makes me an offer I can't refuse. Be his fake girlfriend until graduation so he can get his inheritance. It seems simple enough. I need the money and he needs someone to make him look committed. If one thing is certain, it's that I won't be falling for him. But no one warned me about what happens when my fake boyfriend starts to fall for me. Life is full of ups and downs. Events that shape who you are, even those that are filled with heartbreak and tragedy. What do you do when actions bring devastation? How do you pick up the pieces and keep moving forward? One breath. One second. One minute. One hour. One day at a time, you learn to live with your unexpected fall. What I remember the most about that day was that it was completely ordinary. Then with one stupid decision everything fell apart and nothing was ever the same. Rae Wilder wants nothing but a do over-but life doesn't work that way. She's stuck living out the consequences of her actions. At times the burden feels unbearable. College is supposed to be her second chance. New place. New people. New life. No one to know what she did. Despite that, she has still vowed to avoid everyone and everything at all costs. Unfortunately for her, an accidental run-in with the campus heartthrob, Cade Montgomery, derails that plan. He's determined to thaw the ice around her heart and expose the girl she used to be. He wants to show her that life is worth living for and that she really is a Rae of Sunshine. "I'd never met anyone quite like

Mathias Wade. He was brooding and arrogant, but I loved him anyway. Together we were wild and uncontained—a hurricane raging. Then I had to leave and words were exchanged that could never be undone. But I was back, and Mathias better watch out, because this bitch wasn't finished with him. Game. Set. Match. All is fair in love and war, right?" Mathias Wade, the lead singer of Willow Creek, is used to getting everything he wants. Except for Remy Parker—the one that got away. Childhood friends that grew into more, Remy was the one constant in his life until she moved away. In anger, he lashed out and broke the only girl he ever loved. With temptation around every corner Mathias drowns his sorrow in women and alcohol. When the band returns to their hometown for the holidays the last thing Mathias expects is to run into Remy—but she's back, and she's not done with him. Remy never forgot Mathias or the pain he caused her. When she moves back to the place she grew up to take care of her ailing grandma her heart is set on revenge. She's determined to make Mathias fall in love with her all over again—only this time she's going to break his heart. But Mathias never stopped loving Remy—and she soon discovers that her feelings haven't disappeared either. Can two people too stubborn for their own good overcome their own demons and find the love they always deserved? When I agreed to be his roommate, I had no way of knowing that Cole Anderson was one of my father's star players. Having transferred to Aldridge University for my junior year, I wasn't familiar with anyone on campus. If there's one rule I've always been supposed to follow it's don't date a basketball player. Cole is different, though, and I don't want to stay away. But when he finds out I'm the coach's daughter I might not have any say in the matter. I'm a princess. I was fine with the way my life was – partying all day and night. But my parents weren't. Now I'm a student at Southern Goldsworthy University. The best for the rich and elite. Heath Goldsworthy, campus heartthrob and oldest son of the Dean, came into my life as the first true friend I've ever had. He gave me a new start. Something that I was very grateful for. Now he's missing... And I'm the top suspect responsible for his disappearance. His sister hates me, but his brother hates me more. He wants to make my life a living hell until I confess what happened that night. But I can't confess what I don't remember. And why does he keep messing with my emotions? I hate playing his games. The Dean's son doesn't just go missing. Someone is responsible and they don't want me to remember. I have to find out who before it's too late. The rest? Not so much. When we met we were just Emilia and Hayden, two people crossing paths by chance. Neither of us thought we'd ever see each other again, until it turned out he lived across the hall. Our connection was innocent at first, but impossible to resist. We thought our age difference was the only thing standing in our way, until I walk into film class on my first day of university and he's my new professor. She wasn't supposed to be my everything. Rush Daniels has been spiraling out of control for a long time. The talented drummer is on a trajectory that can only end in anguish if he doesn't get a grip on reality. He was supposed to be temporary. Kira Marsh has tried to escape her past, but the memories

keep her from wanting to form attachments. Haunted by things she can't change, she holds everyone at arm's length. When the unexpected happens, and they find themselves facing the prospect of parenthood, it shatters the rocky foundations they've built their lives upon. Suddenly, their demons are front and center. For Rush and Kira, they'll have to decide whether to face them or lose everything. **BREAKING NEWS:** The Bad Boy of Baseball, Maddox Paige, is totally and utterly whipped. Okay, that might not be the headlines in the newspaper this morning, but it's the reality of my current situation. It all started a month ago when I received a call from my best friend, Kinsley. She got a new job in Chicago and needed a place to stay. I've known the girl since I was five, what harm would it be to have her stay at my place for a while? Ha! Total disaster. Now instead of going out every night with my teammates, I'm couch surfing and sketching endless photos of my best friend . . . but that's the least of my concerns. The disaster, you ask? I'm rapidly falling head over cleats in love with my best friend, my roommate, and my number one fan. And she has no idea . . .
