Sure to keep readers on the edge of their seats, this new novel will feature Brown's signature combination of steamy romance and jaw-dropping plot twists. FBI agent Drex Easton is relentlessly driven by a single goal: to outmaneuver the conman once known as Weston Graham. Over the past thirty years, Weston has

assumed many names and countless disguises, enabling him to lure eight wealthy women out of their fortunes before they disappeared without a trace, their families left without answers and the authorities without clues. The only common trait among the victims: a new man in their life who also vanished, leaving behind no evidence of his existence . . . except for one signature custom. Drex is convinced that these women have been murdered, and that the man he knows as Weston Graham is the sociopath responsible. But each time Drex gets close to catching him, Weston trades one persona for another and disappears again. Now, for the first time in their long game of cat and mouse, Drex has a suspect in sight. Attractive and charming, Jasper Ford is recently married to a successful businesswoman many years his junior, Talia Shafer. Drex insinuates himself into their lives, posing as a new neighbor and setting up surveillance on their house. The closer he gets to the couple, the more convinced he becomes that Jasper is the clever, merciless

predator he's sought--and that his own attraction to Talia threatens to compromise his purpose and integrity. This is Drex's one chance to outfox his cunning nemesis before he murders again and eludes justice forever. But first he must determine if the desirable Talia is a heartless accomplice . . . or the next victim. Disturbed about her growing attraction to Parker and gripped by a chilling suspicion about his novel's characters, she searches for the hidden truth about a crime committed decades ago. Then someone close to her dies while an evil presence looms even closer: a man who will use anyone -- and

anything -- to get what he wants . . . AReturning to her Texas hometown as a shrewd attorney, the daughter of a murdered woman investigates her mother's death and uncovers evidence that one of three powerful men might have been the killer. Now a crisis has brought her home to a family in conflict, a logging empire on the brink of disaster, and seething secrets that make Heaven hotter than hell. Everyone in Heaven has a secret: Schyler's beautiful younger sister, Tricia, with her cruel lies; Ken, Tricia's handsome husband, who married the wrong sister; Jigger, the pimp and ruffian with plans of his own; and Cash, a proud, mysterious, and complex bad boy with a wild reputation. A desperate young woman is caught at the center of a dispute, and Emory

can't bring herself to look the other way, even if it means breaking the law.
