Get ready for the ISEE or SSAT using our preparation book for Lower and Upper Level exams! A team of our most friendly, experienced test prep tutors has banded together to create the best study guide they could imagine - a mix of instruction and

practice to help you be as prepared as you need to be for the entrance exams to middle and high school. AT has been tutoring students in the bay area since 2001. We provide one-on-one tutoring in school subjects and test preparation. When students gain confidence in the material they are working on in the classroom, we believe they can reach their highest academic potential and excel in their studies. We provide the foundation to teach students how to learn while helping to boost their grades for immediate results. AT also offers group classes and individual test prep packages for students preparing to take private school entrance exams or college entrance exams. Our tutors specialize in a wide range of subjects spanning from Pre-K phonics to college level Calculus and everything in between. This is a newly-revised, 2014 edition of this title, including additional math practice in each workout. 30 Days to Acing the Upper Level SSAT gives students the proven strategies and practice needed to successfully prepare for the Upper Level SSAT, including: The fundamental strategies that will help students ace each multiple-choice section of the test: verbal, reading, and quantitative 15 workouts that include practice for each type of question on the test Detailed explanations for every question to help students analyze and improve their performance Each workout can be completed in a single sitting, making it an ideal amount of practice for students to complete between classes. This book is designed both for students and families to use independently and for educators to use as a text with their students. While most other prep manuals mix together instruction for very different tests into one single volume, all of the material in "30 Days to Acing the Upper Level SSAT" is specific to the Upper Level SSAT. Students can use this book confidently and independently without being distracted by material that is not relevant. Test Prep Works has developed a full series of books for the Upper Level SSAT, including: Success on the Upper Level SSAT: A Complete Course -- Students benefit from the comprehensive content instruction, test-taking strategies, and practice provided in this book, including vocabulary lessons and drills, math content lessons and problem sets, reading strategies and drills, and one full-length practice test. 30 Days to Acing the Upper Level SSAT -- Students looking for more practice will benefit from the 15 "workouts" in this book, and instructors can use the workouts as assignments that reinforce test-taking strategies and help measure progress. Each workout includes practice questions from all sections of the test and can easily be completed in a single sitting. This book also introduces the test-taking strategies that are critical for success on the Upper Level SSAT. The Best Unofficial Practice Tests for the Upper Level SSAT -- This book consists of two full-length practice tests with answer keys, allowing students and instructors to measure progress and preparing students for what they will experience on test day. (Note -- These practice tests have different questions than the practice test in "Success on the Upper Level SSAT: A Complete Course" and the two books can be combined for a total of three full-length practice tests.) Each book in the series

can be used independently or they can be combined with each other, depending on the needs of the individual student. Make sure you're studying with the most up-to-date prep materials!
