How the Brain Goes Through Decision-Making: Do you often wonder what your customer is thinking? Don't leave the thought process to chance and let that customer walk away. Your customers don't want to walk away. They want to buy from you. So how does the brain make decisions? And what causes it to get confused? The Brain Audit shows you how the customer takes decisions. And what you need to put in place, so that the customer feels happy to buy products or services from you. The Brain Audit isn't about persuasion or any mind tricks. Instead it shows you the information that your customers need in order to make a decision. It shows you how to present that information, and thereby enable the customer to intelligently go through a purchase sequence. The Brain Audit is designed to do the following: brain_audit_benefits 1) Enable you to spot every one of the 'seven bags' that are required to make a decision 2) Present those bags to the customer in the right sequence. 3) Enable you to get the customer to buy without needing to use pressure tactics. A gargantuan, mind-altering comedy about the Pursuit of Happiness in America Set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." --Sven Birkerts, The Atlantic Throughout this book are letters written under the inspiration of God and addressed to young people to help them make the right choices relating to their courtship and marriage. Now in a new edition "big print copy" for those people that have problems with vision. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors.
