A Wrinkle in Time Oct 18 2019 Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. A Wrinkle in Time, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. A Wrinkle in Time is the winner of the 1963 Newbery Medal. It is the first book in The Time Quintet, which consists of A Wrinkle in Time, A Wind in the Door, A Swiftly Tilting Planet, Many Waters, and An Acceptable Time. A Wrinkle in Time is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. This title has Common Core connections. Books by Madeleine L'Engle A Wrinkle in Time Quintet A Wrinkle in Time A Wind in the Door A Swiftly Tilting Planet Many Waters An Acceptable Time A Wrinkle in Time: The Graphic Novel by Madeleine L'Engle; adapted & illustrated by Hope Larson Intergalactic P.S. 3 by Madeleine L'Engle; illustrated by Hope Larson: A standalone story set in the world of A Wrinkle in Time. The Declaration of Independence Jan 21 2020 Co-author of the groundbreaking Empire and Multitude, Michael Hardt examines the Declaration of Independence and other texts by Jefferson, arguing that his powerful concept of democracy provides a biting critique of the current American administration.

Introducing this collection of Jefferson's writings, Michael Hardt makes a powerful case for re-examining the foundational writings of this American revolutionary in order to reignite the dialogue that first conceived of a "land of the free."

The Amateur Sep 09 2021 A spy thriller classic from the author of *The Company* Before Robert Littell vaulted onto the bestseller lists with *The Company*, *The Amateur*, which has been long out of print, established him as a contemporary master of the espionage thriller. In this sleek and murderous novel, Charlie Heller is an ace cryptographer for the CIA, a quiet man in a quiet back-office job. But when his fiancée is murdered by terrorists and the Agency decides not to pursue her killers, Heller takes matters into his own hands. The fact that he is an amateur makes him all the more dangerous. Mind-blowing in its intelligence, pulse-pounding in its suspense, *The Amateur* is a stunner.

Tell Me How It Ends Oct 30 2020 "Part treatise, part memoir, part call to action, *Tell Me How It Ends* inspires not through a stiff stance of authority, but with the curiosity and humility Luiselli has long since established." —Annalia Luna, Brazos Bookstore "Valeria Luiselli's extended essay on her volunteer work translating for child immigrants confronts with compassion and honesty the problem of the North American refugee crisis. It's a rare thing: a book everyone should read." —Stephen Sparks, Point Reyes Books "*Tell Me How It Ends* evokes empathy as it educates. It is a vital contribution to the body of post-Trump work being published in early 2017." —Katharine Solheim, Unabridged Books "While this essay is brilliant for exactly what it depicts, it helps open larger questions, which we're ever more on the precipice of now, of where all of this will go, how all of this might end. Is this a story, or is this beyond a story? Valeria Luiselli is one of those brave and eloquent enough to help us see." —Rick Simonson, Elliott Bay Book Company "Appealing to the language of the United States' fraught immigration policy, Luiselli exposes the cracks in this foundation. Herself an immigrant, she highlights the human cost of its brokenness, as well as the hope that it (rather than walls) might be rebuilt." —Brad Johnson, Diesel Bookstore "The bureaucratic labyrinth of immigration, the dangers of searching for a better life, all of this and more is contained in this brief and profound work. *Tell Me How It Ends* is not just relevant, it's essential." —Mark Haber, Brazos Bookstore "Humane yet often horrifying, *Tell Me How It Ends* offers a compelling, intimate look at a continuing crisis—and its ongoing cost in an age of increasing urgency." —Jeremy Garber, Powell's Books
