

## Download Ebook The Art Of Novel Milan Kundera Read Pdf Free

**The JOKE** Jul 19 2022 All too often, this brilliant novel of thwarted love and revenge miscarried has been read for its political implications. Now, a quarter century after The Joke was first published and several years after the collapse of the Soviet-imposed Czechoslovak regime, it becomes easier to put such implications into perspective in favor of valuing the book (and all Kundera 's work) as what it truly is: great, stirring literature that sheds new light on the eternal themes of human existence. The present edition provides English-language readers an important further means toward reevaluation of The Joke. For reasons he describes in his Author's Note, Milan Kundera devoted much time to creating (with the assistance of his American publisher-editor) a completely revised translation that reflects his original as closely as any translation possibly can: reflects it in its fidelity not only to the words and syntax but also to the characteristic dictions and tonalities

of the novel's narrators. The result is nothing less than the restoration of a classic.

**Bacon** Oct 18 2019 From distorted self-images to brutal portrayals of friends and fellow artists, the portraits of Francis Bacon account for one of the most remarkable aspects of the work of the British painter. This work looks at his stylistic distortions of classicism and his famous deformations. Milan Kundera provides an introduction explaining his personal response to Bacon's work, exploring the paradox that lies in the faithfulness of the distorted images, and linking Bacon's genius with that of Samuel Beckett, both working at the outer limits of their art. France Borel's essay sets Bacon's works in the context of his life and influences and explains his approach to portraiture.

**The Festival of Insignificance** Sep 09 2021 Casting light on the most serious of problems and at the same time saying not one serious sentence; being fascinated by the reality of the contemporary world and at the same time completely avoiding realism—that's *The Festival of Insignificance*. Readers who know Kundera's earlier books know that the wish to incorporate an element of the

"unserious" in a novel is not at all unexpected of him. In *Immortality*, Goethe and Hemingway stroll through several chapters together talking and laughing. And in *Slowness*, Vera, the author's wife, says to her husband: "you've often told me you meant to write a book one day that would have not a single serious word in it... I warn you: watch out. Your enemies are lying in wait." Now, far from watching out, Kundera is finally and fully realizing his old aesthetic dream in this novel that we could easily view as a summation of his whole work. A strange sort of summation. Strange sort of epilogue. Strange sort of laughter, inspired by our time, which is comical because it has lost all sense of humor. What more can we say? Nothing. Just read.

**Flyover Lives** Apr 23 2020 "[A] vivid . . . quest for roots. . . . Splendid." —The New York Times Book Review Growing up in the small river town of Moline, Illinois, Diane Johnson always dreamed of venturing off to see the world—and did. Now having traveled widely and lived part-time in Paris for many years, she is stung when a French friend teases her about Americans' indifference to history. Could it be true? The *j'accuse*

haunts Diane and inspires her to dig into her family's past, working back from the Friday night football of her youth to the adventures illuminated in the letters and memoirs of her stalwart pioneer ancestors—beginning with a lonely young soldier who came to America from France in 1711. As enchanting as her bestselling novels, *Flyover Lives* is a moving examination of identity and the "wispy but material" family ghosts who shape us. As Johnson pays tribute to her deep Midwestern roots, she captures the perpetual tug-of-war between the magnetic pull of home and our lust for escape and self-invention.

**Life is Elsewhere** Oct 10 2021 The author initially intended to call this novel, "The Lyrical Age." The lyrical age, according to Kundera, is youth, and this novel, above all, is an epic of adolescence; an ironic epic that tenderly erodes sacrosanct values: childhood, motherhood, revolution, and even poetry. Jaromil is in fact a poet. His mother made him a poet and accompanies him (figuratively) to his love bed and (literally) to his deathbed. A ridiculous and touching character, horrifying and totally innocent ("innocence with its bloody smile" ), Jaromil is at the same time a true

poet. He's no creep, he's Rimbaud. Rimbaud entrapped by the communist revolution, entrapped in a somber farce.

Milan Kundera Feb 14 2022 Presents a collection of critical essays about the work of Milan Kundera.

The Art of Fiction Aug 08 2021 In this entertaining and enlightening collection David Lodge considers the art of fiction under a wide range of headings, drawing on writers as diverse as Henry James, Martin Amis, Jane Austen and James Joyce. Looking at ideas such as the Intrusive Author, Suspense, the Epistolary Novel, Magic Realism and Symbolism, and illustrating each topic with a passage taken from a classic or modern novel, David Lodge makes the richness and variety of British and American fiction accessible to the general reader. He provides essential reading for students, aspiring writers and anyone who wants to understand how fiction works.

*The Book of Laughter and Forgetting* Apr 16 2022 "An absolutely dazzling entertainment. . . . Arousing on every level—political, erotic, intellectual, and above all, humorous." —Newsweek "The Book of Laughter and Forgetting calls itself a novel, although it is part fairy tale, part

literary criticism, part political tract, part musicology, and part autobiography. It can call itself whatever it wants to, because the whole is genius." —New York Times Rich in its stories, characters, and imaginative range, *The Book of Laughter and Forgetting* is the novel that brought Milan Kundera his first big international success in the late 1970s. Like all his work, it is valuable for far more than its historical implications. In seven wonderfully integrated parts, different aspects of human existence are magnified and reduced, reordered and emphasized, newly examined, analyzed, and experienced.

*The Swan* Nov 18 2019 A nine-year-old girl is sent to work in a country farm for shoplifting, a common form of punishment in Iceland. The novel describes the way she confronts the unknown and makes friends with animals.

*Farewell Waltz* Jun 18 2022 In this dark farce of a novel, set in an old-fashioned Central European spa town, eight characters are swept up in an accelerating dance: a pretty nurse and her repairman boyfriend; an oddball gynecologist; a rich American (at once saint and Don Juan); a popular trumpeter and his beautiful, obsessively

jealous wife; an disillusioned former political prisoner about to leave his country and his young woman ward. Perhaps the most brilliantly plotted and sheer entertaining of Milan Kundera's novels, Farewell Waltz poses the most serious questions with a blasphemous lightness that makes us see that the modern world has deprived us even of the right to tragedy. Written in Bohemia in 1969-70, this book was first published (in 1976) in France under the title *La valse aux adieux* (Farewell Waltz), and later in thirty-four other countries. This beautiful new translation, made from the French text prepared by the novelist himself, fully reflects his own tone and intentions. As such it offers an opportunity for both the discovery and the rediscovery of one of the very best of a great writer's works.

**Ignorance** Aug 20 2022 A New York Times Notable Book Irena and Josef meet by chance while returning to their homeland, which they had abandoned twenty years earlier. Will they manage to pick up the thread of their strange love story, interrupted almost as soon as it began and then lost in the tides of history? The truth is that after such a long absence "their memories no

longer match."

**Phenomenology and Aesthetics** Jun 25 2020  
and the one in the middle which judges as he enjoys and enjoys as he judges. This latter kind really reproduces the work of art anew. The division of our Symposium into three sections is justified by the fact that phenomenology, from Husserl, Heidegger, Moritz Geiger, Ingarden, in Germany and Poland, Merleau-Ponty, Paul Ricoeur, E. Levinas in France, Unamuno in Spain, and Tymieniecka, in the United States, have revealed striking coincidences in trying to answer the following questions: What is the philosophical vocation of literature? Does literature have any significance for our lives? Why does the lyric moment, present in all creative endeavors, in myth, dance, plastic art, ritual, poetry, lift the human life to a higher and authentically human level of the existential experience of man? Our investigations answer our fundamental inquiry: What makes a literary work a work of art? What makes a literary work a literary work, if not aesthetic enjoyment? As much as the formation of an aesthetic language culminates in artistic creation, the formation of a philosophical language lives within the orbit of creative

imagination.

Immortality Oct 22 2022 Milan Kundera's sixth novel springs from a casual gesture of a woman to her swimming instructor, a gesture that creates a character in the mind of a writer named Kundera. Like Flaubert's Emma or Tolstoy's Anna, Kundera's Agnes becomes an object of fascination, of indefinable longing. From that character springs a novel, a gesture of the imagination that both embodies and articulates Milan Kundera's supreme mastery of the novel and its purpose; to explore thoroughly the great, themes of existence.

*No Tomorrow* Feb 02 2021 A Bilingual New York Review Books Original Vivant Denon's *No Tomorrow* is one of the masterpieces of eighteenth-century French libertine literature, a book to set beside Choderlos de Laclos' *Les Liaisons dangereuses*, except that where Laclos' icy novel tells of hellish depravity, Denon's ravishing novella is a paradisaical diversion. This tale of seduction is itself a seduction, with a plot that could be said to slowly unveil itself before arriving at last at an unexpected consummation. Summoned by Madame de T— to her country house, the young hero of Denon's novella is taken on a tour of the grounds,

only the beginning of a night that not only will be full of unanticipated delights but will give rise to unforeseen, perhaps unanswerable, questions. Lydia Davis's definitive translation of Denon's slim masterpiece is accompanied by the French text. Peter Brooks's illuminating introduction explores the mysteries of *No Tomorrow's* original publication and the subtleties of Denon's ethics of pleasure.

**Jacques and His Master** Nov 30 2020 *Jacques and His Master* is a deliciously witty and entertaining play by Milan Kundera, the acclaimed Franco-Czech author of *The Unbearable Lightness of Being* and *The Book of Laughter and Forgetting*. A highly original variation on Enlightenment philosopher Denis Diderot's novel *Jacques le Fataliste*, *Jacques and His Master* has been successfully staged all over the world. This new translation by Simon Callow has been authorized by Kundera as the definitive edition.

**The Unbearable Lightness of Being** Jan 25 2023 When *The Unbearable Lightness of Being* was first published in English, it was hailed as "a work of the boldest mastery, originality, and richness" by critic Elizabeth Hardwick and named one of the best

books of 1984 by the New York Times Book Review. It went on to win the Los Angeles Times Book Prize for Fiction and quickly became an international bestseller. Twenty years later, the novel has established itself as a modern classic. To commemorate the anniversary of its first English-language publication, HarperCollins is proud to offer a special hardcover edition. A young woman in love with a man torn between his love for her and his incorrigible womanizing; one of his mistresses and her humbly faithful lover -- these are the two couples whose story is told in this masterful novel. Controlled by day, Tereza's jealousy awakens by night, transformed into ineffably sad death-dreams, while Tomas, a successful surgeon, alternates loving devotion to the dependent Tereza with the ardent pursuit of other women. Sabina, an independent, free-spirited artist, lives her life as a series of betrayals -- of parents, husband, country, love itself -- whereas her lover, the intellectual Franz, loses all because of his earnest goodness and fidelity. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems

to lose its substance, its weight. Hence we feel, says the novelist, "the unbearable lightness of being" -- not only as the consequence of our private acts but also in the public sphere, and the two inevitably intertwine. This magnificent novel encompasses the extremes of comedy and tragedy, and embraces, it seems, all aspects of human existence. It juxtaposes geographically distant places (Prague, Geneva, Paris, Thailand, the United States, a forlorn Bohemian village); brilliant and playful reflections (on "eternal return," on kitsch, on man and animals -- Tomas and Tereza have a beloved doe named Karenin); and a variety of styles (from the farcical to the elegiac) to take its place as perhaps the major achievement of one of the world's truly great writers.

*The Engineer of Human Souls* Nov 11 2021 "So entertaining that it would be dangerous to read it without laughing aloud."—Los Angeles Times Book Review

*Encounter* May 17 2022 *Encounter* is the latest addition to the acclaimed body of literary criticism from beloved author Milan Kundera (*The Unbearable Lightness of Being*, *The Book of Laughter and Forgetting*). Novelist Russell Banks writes, "Not since

Henry James, perhaps, has a fiction writer examined the process of writing with such insight, authority, and range of reference and allusion." In *Encounter*, Kundera brilliantly reflects on some of his signature themes and old loves (Rabelais, Fellini, Janacek, Malaparte), on literature, on morality, and on the transformation of civilization as we know it.

**The Book of Laughter and Forgetting** Sep 21 2022 'This book is a novel in the form of variations. The various parts follow each other like the various stages of a voyage leading into the interior of a theme, the interior of a thought, the interior of a single, unique situation the understanding of which recedes from my sight into the distance. It is a book about laughter and about forgetting, about forgetting and about Prague, about Prague and about the angels.' *The Book of Laughter and Forgetting* is the most secret of Kundera's novels. This new translation is the first to be fully authorized by Milan Kundera.

**The Curtain** Mar 15 2022 "A magic curtain, woven of legends, hung before the world. Cervantes sent Don Quixote journeying and tore through the curtain. The world opened before the knight-errant in all the comical

nakedness of its prose." In this thought-provoking, endlessly enlightening, and entertaining essay on the art of the novel, renowned author Milan Kundera suggests that "the curtain" represents a ready-made perception of the world that each of us has—a pre-interpreted world. The job of the novelist, he argues, is to rip through the curtain and reveal what it hides. Here an incomparable literary artist cleverly sketches out his personal view of the history and value of the novel in Western civilization. In doing so, he celebrates a prose form that possesses the unique ability to transcend national and language boundaries in order to reveal some previously unknown aspect of human existence.

Slowness Nov 23 2022 Milan Kundera's lightest novel, a divertimento, an opera buffa, *Slowness* is also the first of this author's fictional works to have been written in French. Disconcerted and enchanted, the reader follows the narrator of *Slowness* through a midsummer's night in which two tales of seduction, separated by more than two hundred years, interweave and oscillate between the sublime and the comic. Underlying this libertine fantasy is a

profound meditation on contemporary life: about the secret bond between slowness and memory, about the connection between our era's desire to forget and the way we have given ourselves over to the demon of speed. And about "dancers" possessed by the passion to be seen, for whom life is merely a perpetual show emptied of every intimacy and every joy.

**Identity** May 05 2021 A novel by the author of *The Unbearable Lightness of Being*. A moment of confusion sets in motion a complex chain of events which crosses and recrosses the divide between fantasy and reality.

*Nightmare in Berlin* Sep 28 2020 Available for the first time in English, here is an unforgettable portrayal by a master novelist of the physical and psychological devastation wrought in the homeland by Hitler's war. Late April, 1945. The war is over, yet Dr Doll, a loner and 'moderate pessimist', lives in constant fear. By night, he is haunted by nightmarish images of the bombsite in which he is trapped – he, and the rest of Germany. More than anything, he wishes to vanquish the demon of collective guilt, but he is unable to right any wrongs, especially in his position as mayor of a small town in north-east Germany

that has been occupied by the Red Army. Dr Doll flees for Berlin, where he finds escape in a morphine addiction: each dose is a 'small death'. He tries to make his way in the chaos of a city torn apart by war, accompanied by his young wife, who shares his addiction. Fighting to save two lives, he tentatively begins to believe in a better future. Written with Fallada's distinctive power and vividness, *Nightmare in Berlin* captures the demoralised and desperate atmosphere of post-war Germany in a way that has never been matched or surpassed.

**Problems** May 25 2020 In this midcareer collection of twenty-three short stories, John Updike tackles such problems as separation, divorce, and remarriage, parents and children, guns and prostitution, leprosy, swooning, suffocation, and guilt. His self-seeking heroes tend to be forty; his heroines are asleep, seductive, longing, or reproachful. None of these characters is innocent, and all are looking vainly for the road back to an imagined Paradise. Pain and comedy closely coexist in this mainly domestic world of the 1970s, where life is indistinguishable from a television commercial (but what is it advertising?) and every morning's paper brings news of lost

Atlantis.

**Reading the Modern European Novel since 1900** Mar 03 2021 An exploration of the modern European novel from a renowned English literature scholar Reading the Modern European Novel since 1900 is an engaging, in-depth examination of the evolution of the modern European novel. Written in Daniel R. Schwarz's precise and highly readable style, this critical study offers compelling discussions on a wide range of major works since 1900 and examines recurring themes within the context of significant historical events, including both World Wars and the Holocaust. The author cites important developments in the evolution of the modern novel and explores how these paradigmatic works of fiction reflect intellectual and cultural history, including developments in painting and cinema. Schwarz focuses on narrative complexity, thematic subtlety, and formal originality as well as how novels render historical events and cultural developments. Discussing major works by Proust, Camus, Mann, Kafka, Grass, di Lampedusa, Bassani, Kertesz, Pamuk, Kundera, Saramago, Muller and Ferrante, Schwarz explores how these often experimental masterworks pay homage to

the their major predecessors—discussed in Schwarz's ground-breaking *Reading the European Novel to 1900*—even while proposing radical departures from realism in their approach to time and space, their testing the limits of language, and their innovative ways of rendering the human psyche. Written for teachers and students by a highly-acclaimed scholar and including valuable study questions, *Reading the Modern European Novel since 1900* offers a guide for a deeper understanding of how these original modern masters respond to both the past and present.

**Laughable Loves** Aug 28 2020 "In one of these stories a young man and his girlfriend pretend that she is a stranger he picked up on the road - only to become strangers to each other in reality as their game proceeds. In another a teacher fakes piety in order to seduce a devout girl, then jilts her and yearns for God. In yet another girls wait in bars, on beaches, and on station platforms for the same lover, a middle-aged Don Juan who has gone home to his wife. Games, fantasies, and schemes abound in all the stories while different characters react in varying ways to the sudden release of erotic impulses."--Publisher description

**The Festival of Insignificance** Jul 27 2020

"Slender but weighty, thoroughly cerebral. . . . It comes as a welcome corrective to so much American-style realist fiction, which in heavy doses can blur into a kind of sameness. . . what is moving about this novel is its embrace of what has always driven Kundera, the delicate state of living between being and nothingness."— Boston Globe

From the internationally acclaimed, bestselling author of *The Unbearable Lightness of Being*, an unexpected and enchanting novel—the culmination of his life's work that is a hymn to friendship and an original and humorous commentary on our era and how we live. Casting light on the most serious of problems and at the same time saying not one serious sentence; being fascinated by the reality of the contemporary world and at the same time completely avoiding realism—that's *The Festival of Insignificance*. Readers who know Milan Kundera's earlier books know that the wish to incorporate an element of the "unserious" in a novel is not at all unexpected of him. In *Immortality*, Goethe and Hemingway stroll through several chapters together talking and laughing. And in *Slowness*, Vera, the author's wife, says

to her husband: "you've often told me you meant to write a book one day that would have not a single serious word in it...I warn you: watch out. Your enemies are lying in wait." Now, far from watching out, Kundera is finally and fully realizing his old aesthetic dream in this novel that we could easily view as a summation of his whole work. A strange sort of summation. Strange sort of epilogue. Strange sort of laughter, inspired by our time, which is comical because it has lost all sense of humor. What more can we say? Nothing. Just read.

**The Joke** Dec 12 2021 This is the first novel by the author of "Immortality", which won "The Independent" Award for Foreign Fiction in 1991. Milan Kundera is also the author of "The Book of Laughter and Fogetting".

*Let the Old Dead Make Room for the Young Dead* Apr 04 2021 Faber Stories, a landmark series of individual volumes, presents masters of the short story form at work in a range of genres and styles. A chance encounter leads a man to spend the afternoon with an older woman, now a widow, who escaped him fifteen years earlier. Neither of them doubts that the day will end in disgust, but for one intimate moment each

finds a way to overcome mortality. Written in 1969, before Milan Kundera was known to English-speaking readers, this story renders male and female characters painful equals, and prompted Philip Roth to admire its 'detached Chekhovian tenderness'.

*The Joke* Jul 07 2021 "A thoughtful, intricate, ambivalent novel with the reach of greatness in it." —John Updike "It is impossible to do justice here to the subtleties, comedy, and wisdom of this very beautiful novel. Milan Kundera is an artist, clearly one of the best to be found anywhere, who says that the good (and evil) that issues from men's souls matters much more than the deeds of a State. And he says it with passion, with good humor, and with love." —Salman Rushdie All too often, this brilliant novel of thwarted love and revenge miscarried has been read for its political implications. Now, more than a quarter century after *The Joke* was first published and several years after the collapse of the Soviet-imposed Czechoslovak regime, it becomes easier to put such implications into perspective in favor of valuing the book (and all Milan Kundera 's work) as what it truly is: great, stirring literature that sheds new light on the eternal themes of

human existence. This edition provides English-language readers an important further means toward reevaluation of *The Joke*. For reasons he describes in his Author's Note, Milan Kundera devoted much time to creating a completely revised translation that reflects his original as closely as any translation possibly can: reflects it in its fidelity not only to the words and syntax but also to the characteristic dictions and tonalities of the novel's narrators. The result is nothing less than the restoration of a classic.

**The Unbearable Lightness of Being by Milan Kundera (Book Analysis)** Mar 23 2020 Unlock the more straightforward side of *The Unbearable Lightness of Being* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *The Unbearable Lightness of Being* by Milan Kundera, an intricate, cyclical novel which charts the lives of Tomas, a successful surgeon, his wife Tereza, his lover Sabina, and Sabina's lover Franz. The narrative skilfully blends the characters' experiences of love, political activism and happiness with philosophical musings on the "lightness" of existence, creating an engaging novel which encourages readers to

reflect on the meaning of their own lives. Milan Kundera was born in Czechoslovakia, where he had a successful career as a university lecturer and author until the country was invaded by Soviet forces in 1968 following the Prague Spring. His books were banned by the Communist regime, and he moved to France in 1975. He has won a number of prestigious literary awards, including the Jerusalem Prize (1985) and the Czech State Literature Prize (2007). Find out everything you need to know about *The Unbearable Lightness of Being* in a fraction of the time! This in-depth and informative reading guide brings you:

- A complete plot summary
- Character studies
- Key themes and symbols
- Questions for further reflection

Translating Milan Kundera Feb 20 2020

Michelle Woods uses new archival research to view the wider cultural scope of the

translation issue involving the controversies surrounding Milan Kundera's novels. She focuses on the language of the novels, his 'lost' works, writing as translation, interpretation and censorship.

*Identity* Dec 24 2022 There are situations in which we fail for a moment to recognize the person we are with, in which the identity of the other is erased while we simultaneously doubt our own. This also happens with couples--indeed, above all with couples, because lovers fear more than anything else "losing sight" of the loved one. With stunning artfulness in expanding and playing variations on the meaningful moment, Milan Kundera has made this situation--and the vague sense of panic it inspires--the very fabric of his new novel. Here brevity goes hand in hand with intensity, and a moment of bewilderment marks the start of a labyrinthine journey during which the reader repeatedly crosses the border between the real and the unreal, between what occurs in the world outside and what the mind creates in its solitude. Of all contemporary writers, only Kundera can transform such a hidden and disconcerting perception into the material for a novel, one of his finest, most painful, and most

enlightening. Which, surprisingly, turns out to be a love story.

*The Art of the Novel* Feb 26 2023 Kundera brilliantly examines the work of such important and diverse figures as Rabelais, Cervantes, Sterne, Diderot, Flaubert, Tolstoy, and Musil. He is especially penetrating on Hermann Broch, and his exploration of the world of Kafka's novels vividly reveals the comic terror of Kafka's bureaucratized universe. Kundera's discussion of his own work includes his views on the role of historical events in fiction, the meaning of action, and the creation of character in the post-psychological novel.

**Terminal Paradox** Jan 21 2020

Life Is Elsewhere Jun 06 2021 The author initially intended to call this novel *The Lyrical Age*. The lyrical age, according to Kundera, is youth, and this novel, above all, is an epic of adolescence; an ironic epic that tenderly erodes sacrosanct values: childhood, motherhood, revolution, and even poetry. Jaromil is in fact a poet. His mother made him a poet and accompanies him (figuratively) to his love bed and (literally) to his deathbed. A ridiculous and touching character, horrifying and

totally innocent ("innocence with its bloody smile!"), Jaromil is at the same time a true poet. He's no creep, he's Rimbaud. Rimbaud entrapped by the communist revolution, entrapped in a somber farce.

*Testaments Betrayed* Jan 13 2022 Milan Kundera has established himself as one of the great novelists of our time with such books as *The Unbearable Lightness of Being*, *Immortality* and *The Book of Laughter and Forgetting*. In *Testaments Betrayed*, he proves himself a brilliant defender of the moral rights of the artist and the respect due to a work of art and its creator's wishes. The betrayal of both—often by their most passionate proponents—is the principal theme of this extraordinary work. Readers will be particularly intrigued by Kundera's impassioned attack on society's shifting moral judgments and persecutions of art and artists, from Mayakovsky to Rushdie.

**Understanding Milan Kundera** Dec 20 2019

**Milan Kundera's Fiction** Oct 30 2020 Karen von Kunes traces Milan Kundera's creative ideas to a 1950 police report filed in Stalinist era Czechoslovakia. Demonstrating how this incident influenced Kundera's literary trajectory and ultimately contributed to his acclaim as a writer, von

Kunes interprets his work in a new way.

*Encounter* Jan 01 2021 Milan Kundera's brilliant new collection of essays is a passionate defense of art in an era that, he argues, no longer values art or beauty. With the same dazzling mix of emotion and ideas that characterizes his bestselling novels, the internationally acclaimed author revisits the artists whose works help us better understand what it means to be human. Elegant, startlingly original, and provocative, *Encounter* combines many of the author's signature themes with personal reflections and stories.
