When one Rulebook closes... Thatch and Cassie have finally found their perfect balance of good and sweet, crazy and playful, and most importantly, hot and insatiable. But what happens when they're faced with a surprise neither of them plotted or schemed? While Cassie seems to be taking everything in stride, Thatch can't stop himself from worrying about every little thing revolving around the woman he loves. How does a man handle that kind of anxiety? Doing the only thing he can to ease his mind without pushing away the woman he loves, Thatch proves that once again, when it comes to him and Cass, you'll never see what's coming. Another Playbook begins... Wes Lancaster has always followed one guideline for play. He never gets involved with anyone working for his professional football team, the New York Mavericks. It hasn't been a hard rule to live by. Until Winnie Winslow, the new take-no-sh*t team physician. She's beautiful, intelligent-and has no problem taking control of every situation. She pisses him off. She turns him on. As tension builds and desire heightens, Wes finds himself wondering how much longer he'll be able to follow his gameplan. Formula One racer Connor Blackwell is recovering from an accident on the racecourse when his father springs an ultimatum on him: Get married or get disinherited. Concern for his father's health prompts him to invent a fake engagement, which forces him to produce a fiancée. Only one woman comes to mind. His personal assistant reluctantly agrees to play the role for a short time,

but as Connor and Angelina prepare for a wedding never meant to take place, they're both surprised to find their faux engagement is starting to feel very real. Will they make it to "I do" despite machinations from the woman Connor's father wanted him to marry and their own doubts and insecurities?" Georgia Cummings cannot stop thinking about her boss, billionaire Kline Brooks, even though he follows a strict rule about not dating his employees. "Tessa Layne manages to pull my heart out, crush it, and then mold it into something new with every book." "I had no idea that this book would emotionally destroy me." "Deeply sensual and rewarding..." "If LOVE is enough, you won't put this book down." "Buckle up for an emotional ride filled with sizzle and told entirely from the Hero's POV" One look was all it took to bring me to my knees... I don't believe in love at first sight. And I don't believe in love at first kiss, either. But Emmaline Andersson is a study in contradictions, and her hot, sweet mouth has me rethinking everything after just one kiss. Her wicked ways consume me, and leave me wanting everything. Her body, yes, but more importantly, her heart. But the more I chase her, the farther she runs. And when I discover that my deep dark secrets are nothing compared to hers, it's up to me to convince her that love bears all things. Even death. **TS Layne is the Alter Ego of USA Today Bestselling Author Tessa Layne. TS Writes Bad Boys & Billionaires. And then Duke does something Jane never expected: He plays along with her charade. With his hard-partying playboy reputation jeopardizing a 150-million-dollar investment deal, Duke realizes an engagement with the sexy but oh-so-proper librarian could be just the thing to repair his reputation. This good girl tempts him to be very wicked ... but only with her. It's unprecedented. Inconceivable. Totally alluring. As the unlikely match of librarian and tech entrepreneur set out to convince the

But Jane is secretly writing a historical romance novel that could expose their carefully constructed romance ... unless two perfect strangers are content to be perfectly scandalous together. But I'm done with the tears, the insanity-I refuse to take it anymore. This Christmas is going to be perfect. My name is Georgia Brooks, and by Christmas night, my husband, my kids, and my closest friends will be thinking only one fluffing thing... She Sleighed It. Can't Buy Me Love It's Tag Crane's job to be the life of the party. Traveling from one exotic locale to another is just part of running the luxurious Crane Hotel empire. But even paradise isn't perfect. Devising a new business strategy is keeping Tag up at night-and so is the Great Dane barking at all hours in the apartment below his. To muzzle the problem, Tag charges downstairs . . . right into the most beautiful, blond distraction he's ever seen. Dog-sitting by day, bartending by night. It's not exactly the life Rachel Foster dreamed of. But when Tag Crane rushes in, all mountain-man shoulders and obscenely sexy smile, needing her help for the Crane Hotels, it's a fantasy come true. What's the harm in a fun no-strings fling? Only a fool would give her heart to a billionaire player like Tag-until suddenly the one man who can't be caught is the one flirting with forever . . . MISSING PERSON
Name: Thatcher Kelly
Age: Mid-thirties
Height: 6 foot 5 inches
Weight: A very sexy, lean, and muscular 250 pounds
Last seen: Panama City Beach, Florida
Important Note: This guy is a real good-looking motherfluffer. Look, I know this might seem a little over the top to already prepare for my face to be plastered all over Missing Persons flyers, but trust me, it's not. My pregnant wife Cassie-whose hormones are swinging like a fluffing pendulum-has decided that we need a honeymoon. Right the F now. She wants us to go on a celebratory "spring break," we-just-got-married vacation to none other than Panama City Beach, Florida. But the only problem is, it's not spring. It's not even summer. It's October, my crazy-hot wife is pregnant, and things are starting to get really fluffing weird. If you're reading this, send help and plan a really nice memorial for my very super, beloved, *ahem* male member, who, for the sake of public decency, shall remain nameless. I'm not entirely sure he's going to make it out alive.

Note from Author: Every book in this collection ends in an HEA. MINE TO PROTECT. MINE TO PUNISH. MINE. I'm a lone wolf, and I like it that way. Banished from my birth pack after a bloodbath, I never wanted a mate. Then I meet Kylie. My temptation. We're trapped in an elevator together, and her panic almost makes her pass out in my arms. She's strong, but broken. And she's hiding something. My wolf wants to claim her. But she's human, and her delicate flesh won't survive a wolf's mark. I'm too dangerous. I should stay away. But when I discover she's the hacker who nearly took down my company, I demand she submit to my punishment. And she will. Kylie belongs to me.

The Forbidden Series: billionaires who can look, but shouldn't touch! For Logan Black, Jaiven Rodriguez and Zair al Ruyi, New York is spread out before them like the Garden of Eden... and no one knows the sweet taste of forbidden fruit better than America's most ruthless billionaires! The Bad Boys of Destiny are back and this playboy billionaire has his sights set on more than just a merger. Colt King has spent his whole life trying to prove he's not the trash his hometown of Destiny, Nevada, thought he and his brothers were. As soon as he was old enough he left town, vowing to make a name for himself and never looking back at the place that looked down on him. But that plan goes out the window when his ailing elderly aunt asks him to come home. He begrudgingly returns to help the woman who raised him. But he's no longer the poor kid from the bad part of town. He's the ruler of a custom car empire and a financial genius. He arrives expecting a boring stay, but when he walks into his childhood home to find a woman in nothing but her underwear pointing a shotgun at his face, he knows his trip home will be a memorable one. With his aunt sick and forcing him to help her restore her fledgling hair salon, he has more than enough on his plate. Colt has no idea that her sexy tenant, Zanna, is going to be the cause of his many sleepless nights. Zanna Jacobs came to the ghost town of Destiny to stay out of trouble and stay the hell away from men. She's got a serious thing for bad boys that's she trying to kick, and when she lays her eyes on the brutishly handsome Colt, she knows he's got bad news written all over him. He's not the typical thug she goes for: He's too clean cut, too good looking, and too cold--and when he comes to take over her salon, she's not going to take it. Zanna decides to show him exactly who the boss is. Colt is used to people following his orders, and when Zanna challenges his every word he finds her infuriating and incredibly sexy. He can't keep his hands off her...and knows that once he returns to Las Vegas, all bets are off...
