Last Kiss Jul 21 2022 From the bestselling authors of Last Hit and Last Breath comes the next dark and sensual Hitman series that crosses the line between danger and desire... Naomi: When I was kidnapped I thought only of how I don't thrive well in chaos. That's why I gave my captors exactly what they wanted: my skill with computers. My captor for a crime lord who kept me imprisoned in his basement compound kept my family safe. When he was taken out my ticket to freedom had arrived. Wrong. I traded one keeper for another. This time I'm in the hands of a scarred and demanding Russian who happens to be the head of the Bratva, a Russian crime organization. He wants my brain and my body. I'd be lying if I said I wasn't intrigued, but I can't be a prisoner forever...no matter how good he makes me feel. Vasily: At a young age, I was taught that a man without power is a puppet for all. I've clawed—and killed—my way so that it is my heel on their necks. But to unify the fractured organization into an undefeatable machine, I need a technological genius to help me steal one particular artifact. That she is breathtaking, determined, and vulnerable makes her more dangerous than all of my enemies combined. But only I can keep her safe from the world that she now inhabits. Soon, I must choose between Naomi and Bratva law. But with every day that passes, this becomes a more impossible choice. The Painted Kiss Apr 25 2020 Gustav Klimt, one of the great painters of fin de siècle Austria—and the subject of Mira Nair's latest film, *Woman in Gold*—takes center stage in this passionate and atmospheric debut novel, which reimagines the tumultuous relationship between the Viennese painter and Emilie Flöge, the woman who posed for his masterpiece, *The Kiss*, and whose name he uttered with his dying breath. Vienna in 1886 was a city of elegant cafés, grand opera houses, and a thriving and adventurous artistic community. It is here where the twelve-year-old Emilie meets the controversial painter. The Painted Kiss follows Emilie as she blossoms from a naïve young girl to one of Europe's most exclusive couturiers—and Klimt's most beloved model. A provocative love story that brings to life Vienna's cultural milieu, The Painted Kiss is as compelling as a work of art in himself.
