For fans of Rick Yancey and Marie Lu, Raging Sea is the second volume of this much-anticipated, genre-breaking trilogy for teens from New York Times bestselling author Michael Buckley. The first book in The Last War series: a debut epic fantasy full of crunching revolutionary action, twisted magic, and hard choices in dark times. The war is over. The enemy won. Jia's people learned the hard way that there are no second chances. The Egril, their ancient enemy, struck with magic so devastating that Jia's armies were wiped out. Now terror reigns in the streets, and friend turns on friend just to live another day. Somehow Tinnstra - a deserter, a failure, nothing but a coward - survived. She wants no more than to hide from the chaos. But dragged into a desperate plot to retake Jia, surrounded by people willing to do anything to win the fight, this time Tinnstra will need to do more than hide. If Jia is to get a second chance after all, this time she will need to be a hero. With all the grit of Joe Abercrombie, Mark Lawrence and Ed McDonald, this is fantasy with the sharpest of edges. ***** 'The next Game of Thrones' Glen Cook, author of The Black Company 'Tarantino crossed with David Gemmell' Peter McLean, author of Priest of Bones 'A powerful debut' Gavin Smith, author of The Bastard Legion After winning Spyro Leandrou's trust, Elaine is sent on a dangerous assignment to a war-torn region of Eastern Ukraine to smuggle out illegal materials needed for the Panacea clinic. This story features Elaine Brogan, Luna Faye, Nick LaGrange, Dmitry, and Tony as well as Kathy Brogan and the notorious Giorgio Cattoretto. What if they brought a new, terrifying meaning to the old saying that "you are what you eat"? FBI Special Agent Jack Dawson investigates the gruesome murder of his best friend and fellow agent who had been pursuing a group of eco-terrorists. The group's leader, Naomi Perrault, is a beautiful geneticist who Jack believes conspired to kill his friend, and is claiming that a major international conglomerate developing genetically engineered crops is plotting a sinister transformation of our world that will lead humanity to extinction. As Jack is drawn into a quietly raging war that suddenly explodes onto the front pages of the news, he discovers that her claims may not be so outrageous after all. Together, the two of them must face a horror Jack could never have imagined, with the fate of all life on Earth hanging in the balance... God waited patiently until I acquired the wisdom necessary to receive His very special gift, a gift of guidance. Mike, an inner voice, an angel or perhaps a helpful spirit, began to ask questions and provide comments. Although he was a pleasant companion, a thoughtful working partner, a friend and was always available to provide guidance from one revelation onto the next, he simply vanished after we completed the fourth draft of our book. Though he is now silent, I trust he will continue to provide strong impressions. The first book of our trilogy analyzed the mysteries of God and His creation. We traveled through space and time while comparing the size of the Earth to the enormous size and scope of our reality. As we continued our journey, we considered the creation of the universe via an unorthodox view of Genesis 1 and a simplified analysis of M theory, quantum physics and Stephen Hawking's No Boundary Proposal. Although I believe God created our reality, the transition, heaven, hell and life on Earth, the scientific community believes in natural selection. To determine whether humanity was created by God or developed by accident, we evaluated evolution via a simplified view of Darwin's theory, missing links, transition fossils, genetics, epigenetics and the creation of life. Since God created your body to live on Earth

and created your soul to live within the transition, there must be life after death. We will unravel the mysteries of the afterlife by delving into and pondering near death experiences, including Howard Storm's NDE. Given that the trinity lives within the Kingdom of Heaven, our souls live within the transition and humanity lives on Earth, God must have developed a method to communicate between God, our soul and our mind. With this realization, I developed my Holy Ghost Communication and Transition Theories. The second book of the trilogy, lifts the veil, unravels its symbolism and provides a clear understanding of Revelations. As Mike and I analyzed Howard Storm's near death experience, he suggested that we begin a comprehensive study of Revelations. Although I told Mike that I failed in the past, he assured me that Revelations will become clear and revealing, as we use scripture to unravel its symbolism. The third book of the trilogy illustrates my Transition and Holy Ghost Communication Theories and reveals the revelations I received while writing the first two books of the series. The remaining chapters deliver the culmination of our eight-year study, providing 798 revelations, comments and religious lessons learned, including a comparison of my theory to ancient religions and philosophies. Mike and I have created these books for those who wish to share my personal search for God. Our trilogy uses scripture, near death experiences, Revelations and science to explore the relationship between God, the universe, the transition, heaven and hell, as well as the creation of life. This specially-priced boxed set contains the entire African Trilogy from the "unputdownable" Lust, Money & Murder series by Mike Wells. Included are 3 full-length novels: Lust, Money & Murder Books #7, 8 & 9, plus a bonus from the next trilogy in the series. Note: this trilogy can be read as a standalone. If you have already purchased Lust, Money & Murder Books 7, 8, and 9 separately, you should not buy this boxed set. The African Trilogy, Book 1 (Lust, Money & Murder #7) When U.S. Secret Service Agent Elaine Brogan and her husband are called to the American Embassy in Paris, they believe they're about to receive an award. Instead, they're separated and thrown into a treacherous adventure that neither of them could have ever imagined. From a black site at some unknown location, to Morocco, to Chad, and finally to the war-torn region of Darfur, Elaine fights to free herself and arrest the man responsible. In addition to Elaine and Nick, the African Trilogy features the usual cast of Lust, Money & Murder characters - Luna Faye, Dmitry, Tony, and the notorious Giorgio Cattoretto. The African Trilogy, Book 2 (Lust, Money & Murder #8) In an extraordinary twist of fate, Elaine Brogan and Luna Faye end up joining forces with Giorgio Cattoretto to try to take down Raj Malik. At the end of Book 1, Elaine learned that Raj was smuggling diamonds out of a secret mine in Central Africa. Her mission is to go to

Chad and find the location of the mine at all costs. Can she pull it off? And can she really trust Giorgio Cattoretti? The African Trilogy, Book 3 (Lust, Money & Murder #9) While in Sudan, Elaine Brogan receives new information about Stanley Ketchum, and it's a game changer. She realizes that the plan that she and Giorgio Cattoretti agreed upon to have Raj Malik arrested will no longer work without significant modification. Will The Cat go along with it? And can she avoid the deadly Janjaweed warriors and escape from Sudan alive? GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Book 1: The Underground City After saving his village from Lucas, the creeper king who lived in the Nether, Mike has wanted nothing more than to unwind at home. Turning down the chance to be mayor, he works on collecting books and forming a library. However, his best friend, David, isn't as content to settle down. Still yearning for adventure, he believes that all legends can be true - he just has to find the right one. When David discovers that there might be another city underneath the Sun City, he is excited to go explore. Even though Mike just wants to relax, he doesn't want his best friend to run into any danger without some help. Together, the friends head towards the Sun City. But Mike quickly discovers there might be more truth to this legend than the other ones that David had dragged him along to explore. With the king possibly not being the man they thought he was, and the appearance of a strange girl, the friends quickly find themselves in over their heads. Book 2: The Secret of the Moon City Mike and David think they have hit a dead end. With the king taking them back to the dungeon, they aren't sure what else to do. But help comes from an unexpected place. Anderson, part of Star's people, saves Mike and David. He takes them to the Moon City where he surprises them by telling them that they cannot leave. But Star has another idea. Tired of being forced to live underground, she wants to try to convince her people to work with the king and live in peace. Star's plan falls to pieces when the Moon City is betrayed. Now the three of them must figure out how to stop the battles from spreading to the Over World. On top of that, there is still the secret of the Moon City that has to be uncovered. With Star's help, the two friends know they have to put a stop to the problems that are springing up around them. Will they be able to do it? Book 3: The Moon Dragon After the secret of the Moon City is revealed to Mike, he knows that it is more important than ever to stop Anderson from carrying out his plan. Together with Star, the two of them make a narrow escape and must plan what to do next. With Anderson closing in around them and getting ready to take over the throne, Star knows she has to protect the secret of the Moon City. The two split up. With Star taking to the surface, Mike has to go deeper into the Moon City. Along the way, he is reunited with David. Together, the two friends have to save the rest of the city. As Anderson leaves for the castle, Mike and David chase after him. However, Anderson is stronger than ever with unlimited magic. In order to stop him, they will have to cut off his supply and make sure he doesn't reach Star. Will they make it in time? Author's Note: This short story is for your reading

pleasure. The characters in this "Minecraft Adventure Series" such as Steve, Endermen, Creeper or Herobrine...etc are based on the Minecraft Game coming from Minecraft (r)/TM & (c) 2009-2013 Mojang / Notc "I SHALL BAPTIZE YOU, SIR, AND MY BAPTISM WILL BURN YOUR FOLLY AND FLESH AWAY." A year has passed since Auric Manteo descended into the haunted depths of a Djao ruin to return a lethal artifact, only to face down a bloodthirsty, imprisoned god. Now his daughter Agnes comes to bring him back to the capital with promises of hidden secrets finally revealed. But the city decays, poisonous disorder is rife, and whispered prophecy foretells of cataclysm and doom. Summoned by their no-longer human queen, Auric and Agnes are commanded to carry out an impossible task, one that can be accomplished only with the mysterious blade Szaa'da'shaela, gifted to Auric on a lunatic's whim. Can Auric and his daughter survive a journey fraught with blood, menace, and madness? And can they pay the price demanded by a being every bit as evil as the Aching God? Sin Eater is the sequel to 2018's widely praised Aching God and book 2 of the Iconoclasts Trilogy. MEET THE LIEUTENANT—She never comes in second. I never come in second—that's just how my daddy raised me. Except now, I find myself willingly choosing exactly that—being second. Publicly, I might seem to serve at the governor's pleasure, but that's nothing close to the truth. He serves me at mine. Especially the pleasure part. We both serve my husband, Carter. Or, as Owen dubbed him long ago, the bastard extraordinaire. I never knew what I was really getting into when I met Owen and Carter. Maybe it's better I didn't. Maybe I would've run away if I had. Boy, how I love him. Both of them. Somehow, they make being second okay. And in eight years? It'll be my turn. I am Susa Evans, lieutenant governor of the great state of Florida. Book 2 of the Governor Trilogy. This MMF contemporary political romance features friends to lovers, GFY, a secret workplace romance with high political stakes, power exchange, wounded heroes, a cinnamon roll hero, an Alpha hero who will kill to protect his loved ones, and a guaranteed HEA. Mike needs help hunting Angelino Marquit. FBI profiler Jacque Real is called to help. She knows more about Marquit than anybody. A sting operation is set into motion. Something goes horribly wrong. This sequel to Eleven Days: An Unexpected Love is all about the hunt. Can Mike find Marquit before he kills again? The investigation proves to be difficult since Marquit like to toy with Mike. It seems Marquit is always a step ahead of them. But Mike will have his day when he meets him in a face-to-face showdown. Briana is the wildest girl in school. When she challenges Kyle, her best friend, to a dangerous swim across the lake, she discovers an underground spring that contains a magical substance: the "green water." The mysterious, glowing liquid heals any physical wound, triggers a heightened sense of awareness, and evokes superhuman abilities. But there is a catch: once you drink the green water, you are addicted forever. When ruthless government agents learn of its existence, Kyle and Briana are thrown on extraordinary adventure that takes them far beyond their imaginations. Readers of all ages

will enjoy this gripping, fast-paced series. "Worth a serious read...incredibly gripping and heartwarming." - Halinor Everdeen Cipriano, Assortments "A fast, suspenseful thriller with an ending I never saw coming." - Jessica Willis, The Tales Compendium "Very exciting and gripping, leaves you wanting more." - Becky's Barmy Book Blog "If anything, you should read it for the unique ending." - Rachel's Book Reviews "You should give it a try. It's really different and interesting." - Brielle, Awesome Bookworm When criminal mastermind Giorgio Cattoretti successfully pulls off the largest art heist in history--the spectacular theft of 15 Picasso paintings from the Hermitage Museum in St. Petersburg, Russia--U.S Secret Service Agent Elaine Brogan is sent there on a dangerous undercover mission to capture Cattoretti before the Russians do. Note - this book was previously titled: Lust, Money & Murder, Book 5 - On Russian Soil "Fast-paced and packed with unpredictable twists and turns written in Mike Wells' "unputdownable" style, this fifth installment of the Lust, Money & Murder series delivers in spades." Graham Pritchard, Author & Book Reviewer, Syracuse, NY USA "What a fantastic book! Mike Wells did it again. This nove has everything: a spectacular crime, danger, friendship and much more! Highly recommended." Lady M.K, Canada (Ontario) "If you had plans for the weekend - cancel them! The story is so gripping you won't be able to put this book down. Not only you will feel like you are On Russian Soil, but you will feel like it is you who is in charge of catching the criminal and escaping the villain. I felt exhausted and exhilarated when I finished the story! Can't wait for Book 6!" - Lizzie, S.F. California "The book is technically accurate and well-researched, but what makes it exiting is the human element. The characters act in a believable way and their motivations are solid. I swallowed the book almost all in one sitting." -Barry L., St. Louis THE SHOW ME STATE. Fans of Lee Child and James Patterson will enjoy this book. She rents a quaint little beach house in Plymouth MA. Little does she know she would meet that one special love, an unexpected love. That one true love is Mike Ramsey, and he's a U.S. Marshal and the beach house owner. As their love grows, so do their troubles. Someone is stalking Lana, and Mike has to figure out who it is before the stalker

gets her. Not only does he have to protect her, but he must also find the connection between Lana and the stalker before it's too late. They soon find out this man desperately wants Lana, and he'll go to any lengths for that to happen. Mike's team find out how desperate this man is when he starts murdering innocent people. Being a U.S. Marshal for years, he knows how to protect people. This time was different. This time, the victim is someone he deeply loves. No matter what, he will do what it takes to protect his beautiful Lana. Once he finds out the name of the stalker—he is not so sure he can. Book 2: Mike needs help hunting Angelino Marquit. FBI profiler Jacque Real is called to help. She knows more about Marquit than anybody. A sting operation is set into motion. Something goes horribly wrong. This sequel to *Eleven Days: An Unexpected Love* is all about the hunt. Can Mike find Marquit before he kills again? The investigation proves to be difficult since Marquit likes to toy with Mike. It seems Marquit is always a step ahead of them. But Mike will have his day when he meets him in a face-to-face showdown. Book 3: Angelino Marquit is determined to get revenge, even if it means killing innocent people for the sport of it. To him, it's all a game. Agent Mike Ramsey has to stop him before the body bags continue to stack up. Marquit tries to make it easy for him. He gives Mike clues throughout the game, and one clue is life can be short with a full moon. What does that mean? Mike's team has to figure it out before another innocent person dies. The ultimate kill will be someone close to the team; that is if they don't solve the clues. Time is ticking, and Mike has four days before Marquit gets his final revenge. This third and last book of the Days Trilogy ends the hatred between Mike and Marquit. Someone does prevail—but who? For fans of Rick Yancey and Marie Lu, "Raging Sea" is the latest electrifying addition to this much-anticipated, genre-breaking new trilogy for teens from "New York Times" bestselling author Michael Buckley. "This book is about the impact of literature upon cities world-wide, and cities upon literature. It examines why the city matters so much to contemporary critical theory, and why it has inspired so many forms of writing which have attempted to deal with its challenges to think about it and to represent it. Gathering together 40 contributors who look at different modes of writing and film-making in throughout the world, this handbook asks how the modern city has engendered so much theoretical consideration, and looks at cities and their literature from China to Peru, from New York to Paris, from London to Kinshasa. It looks at some of the ways in which modern cities - whether capitals, shanty-towns, industrial or 'rust-belt' - have forced themselves on people's ways of thinking and writing. Independent, plus-sized nurse Maddy Lovett considered herself pretty easy-going, until she met the Neanderthal living next door...then the trouble started. Hulking cop Mike Carson was old-fashioned in his regard to the ladies, until he started to have a couple of run-ins with the curvy cutie next door...then the trouble started. And then there was the stray kitten... When the Rita is called to an event, she finds herself bound to an odd chair. And she finds her monster. ...who apparently has killed before. But when Justice and Germaine come to collect

her, none of them are prepared for what they find. The Horseless Horsemen have never met an enemy like this one. ...and never have they come so close to failing their tasks. As with all the rest of the Horseless Horsemen books, Michael (the sequel to *Alia*) is a Standalone, but builds on what came before it. As far as the Horseless Horsemen books go, *Alia* was pretty mild. Rest assured, Michael makes up for that. Rita shifted her viewpoint so that she was using Justice's eyes. It helped a lot if she didn't have to see views from both her own eyes and Justice's when they were mostly in the same place at the same time. She looked behind the woman strapped into the chair. That's just me. So, what the heck is it they're seeing? I don't see anything out of the ordinary. I was right. Kinda looks like a dentist's chair and pretty much the room you'd expect to find around one. With their mental link? sometimes the time and place continuity inside Justice's head got a little fuzzy. ?look at you, Rita. ?closer. as soon as you see her, i will get back into gerrie. Rita looked at herself. Okay. I'm me. Here. Strapped into a chair. Not overweight. Not thin. A little older, like I thought. Her chest was still open to public view. There wasn't much she could do about that. Gerrie and Justice had found her that way? and far worse? often enough, that was the least of her concerns. It helps that none of the bodies are the ones I was born in. ?although, it's been so long now, it's kinda hard to remember. There wasn't anything growing on her, or widely open and really nasty wounds. Her cheek wasn't ripped. Dark auburn hair. Pret? Her eyes flew open as she gasped. The Yellowstone supervolcano nearly wiped out the human race. Now, almost a year after the eruption, the survivors seem determined to finish the job. Communities wage war on each other, gangs of cannibals roam the countryside, and what little government survived the eruption has collapsed completely. The ham radio has gone silent. Sickness, cold, and starvation are the survivors' constant companions. When it becomes apparent that their home is no longer safe and adults are not facing the stark realities, Alex and Darla must create a community that can survive the ongoing disaster, an almost impossible task requiring even more guts and more smarts than ever--and unthinkable sacrifice. If they fail . . . they, their loved ones, and the few remaining survivors will perish. This epic finale has the heart of *Ashfall*, the action of *Ashen Winter*, and a depth all its own, examining questions of responsibility and bravery, civilization and society, illuminated by the story of an unshakable love that transcends a post-apocalyptic world and even life itself. FOR SUZANNE Volume 2, *The Journey Trilogy* "And when I die, and when I'm gone, there'll be one child born and a world to carry on, to carry on." Laura Nyro An American mercenary in North China in 1938 discovers just how mysterious and real destiny is in Mike Tucker's thrilling novella, FOR SUZANNE, a fast-paced, scintillating tale of espionage, war, love and survival. The only book by a foreign writer on the knock-down, drag-out guerrilla war in the heart of the Chinese Revolution on the North China coast, there is no better book to understand China, and why Mao won. This is the epic sequel to *CARRY A DREAM*, and a brilliant tribute to Hemingway, Zapata, Senator

Robert F. Kennedy and Paul Desmond. The journey through M. R. Carey's 'immersive, impeccably rendered world' (Kirkus) continues in *The Trials of Koli* - the second book of the Rampart trilogy. Koli has been cast from his village and into the strange and deadly forest beyond. But he heard a story, once. A story about lost London, and the mysterious tech of the old times that was there. And if Koli can find it, there may be a way for him to redeem himself - by saving what's left of humanity. This specially-priced boxed set contains the entire Greek Trilogy from the "unputdownable" *Lust, Money & Murder* series by Mike Wells. Nick's attempt to extract Dmitry from the Santorini Island jail has not gone as planned, and the two end up stranded on a small boat in the Aegean Sea, along with Costa, Spyro's right-hand man. Back on Santorini, Kathy Brogan finds herself in serious trouble with her husband, who is becoming suspicious about his string of "bad luck." Meanwhile, Luna is chasing down the elusive Lonnie Hendrix, the only person left on earth who can testify that Spyro killed Elaine's father. Can Elaine pull it all together before Spyro figures out who she really is? In an extraordinary twist of fate, Elaine Brogan and Luna Faye end up joining forces with Giorgio Cattoretti to try to take down Raj Malik. At the end of Book 1, Elaine learned that Raj was smuggling diamonds out of a secret mine in Central Africa. Her mission is to go to Chad and find the location of the mine at all costs. Can she pull it off? And can she really trust Giorgio Cattoretti? Note: This book was previously titled: *Lust, Money & Murder, Book 8 - Blood Diamonds*. And by some scientific measurements, it could be overdue for an eruption. For Alex, being left alone for the weekend means having the freedom to play computer games and hang out with his friends without hassle from his mother. Then the Yellowstone supervolcano erupts, plunging his hometown into a nightmare of darkness, ash, and violence. Alex begins a harrowing trek to search for his family and finds help in Darla, a travel partner he meets along the way. Together they must find the strength and skills to survive and outlast an epic disaster. The Whistler is one of the deadliest killers on the Galaxy's Inner Frontier. He wants her. The Injun is a death dealer without peer. He wants her. The Iceman has dealt with her before. He doesn't want any part of her, but he may have no choice. The Jade Queen thought she wanted her, before she found out what she was. Now she's not so sure. And who is she? She's Penelope Bailey, still in her late teens, and still the deadliest being, human or alien, who ever lived. Come follow her strange and exciting story in the pages of Oracle, the second book of the Oracle Trilogy - and experience an adventure similar in tone both to Santiago and to Josh Whedon's TV series Firefly (and its follow-up movie Serenity). When we finally unravel the mystery of dark matter, will it save our world? Or destroy it? Take an epic journey to a not-so-distant future, controlled by a handful of the über-elite. Where wealth, science, and the human spirit get one last chance to determine humanity's ultimate destiny. Despite the tragic events at Hanssen Scientific, Monique Durand and her newfound companions continue their search for the source of her compelling visions. Are they somehow linked to the secrets of dark matter, as Professor Hanssen is so desperate to believe? Or does the truth reach even deeper-into our Universe's past, and our planet's ultimate future? To find out, they'll need to outwit the Consortium, a secretive group of trillionaires who now have what they need to achieve their own, long-awaited end-game. Together, our unlikely heroes may finally have what it takes to break the Consortium's stranglehold. Assuming they don't strangle each other first. The adventure continues in book two of the award-winning Dark Matters trilogy. Praise for Dark Matters Foreword Reviews INDIEFAB Gold Medal Winner in Science Fiction Independent Publisher's IPPY Gold Medal Winner in Science Fiction NextGen Indie Book of the Year Winner in Science Fiction "It's everything I love in a novel: scientific speculation, stunning action, and characters that leap off the page. But best of all, it combines all of the above into a seamless, thrilling story. Don't miss this debut!" James Rollins, New York Times bestselling author of The Bone Labyrinth "... nefarious and chilling ... that's what makes it a page-turner."

FOREWORD REVIEWS "An interesting premise...not your typical action oriented sci-fi adventure." SFFWORLD ABOUT THE BOOK Dark Matters is a thought-provoking technothriller, set in a world fully polarized by the rift between the haves and the have-nots. It is a world of extraordinary new technologies-but also one of dwindling natural resources, and an ever-swelling human population. Dark Matters offers a unique, entertaining, and (mostly) fictional perspective on the topics of income inequality, the responsibilities of wealth, and our ultimate role in the universe. Dark Matters: Betrayal is the second book in the trilogy. When Giorgio Cattoretti enlists the help of Elaine Brogan to track down the international serial killer he unknowingly let loose on the world, Elaine reluctantly agrees. She believes that the deranged murderer knows the location of The Factory, the illegal passport production facility that she's been after for months. When Elaine and Luna Faye ask to be put in charge of the case, they're forced to cooperate with a team of competing foreign crime specialists who, above all else, must not learn the killer's true identity. Elaine's relentless pursuit takes her from Lyon, France, to Kiev, Ukraine, to Budapest Hungary, to Dubai, UAE, and finally, to Barcelona, Spain. Join Elaine, Luna and The Cat on another fast-paced, high-stakes Lust, Money & Murder adventure! Fifteen years have passed. It's July 11, 2002. Ryan Mitchell is living in Southern California with his wife, teenage son, and five year old daughter when he is thrust into his deepest, darkest hour-a nightmare of gargantuan proportions. Samael Janus, a delusional lunatic, travels from Istanbul, Turkey, to Southern California on a personal mission of revenge. All that stands between Samael and the success of his twisted plan is Captain Ryan Mitchell's willingness to sacrifice his life in exchange for the lives of his wife and children. As Samael puts it, "If you do exactly as I instruct, your family will remain safe. Otherwise, they will all die, starting with your youngest child." Flight into Darkness is a story of struggle between fear and faith-evil and good-and how love can empower the human spirit with divine strength. A flight filled with suspense, surprise, and the promise to thrill. Welcome aboard and buckle up as Captain Mitchell takes off into turbulent skies asking readers to "please, remain in your seats with your seatbelts fastened," have faith, and pray. Jake & Olivia Volume 2, The Love Trilogy by Mike Tucker "Only from the heart can you touch the sky." Rumi "This is love! The hero in Jake & Olivia is LOVE. O my days, Jake & Olivia is such a beautiful love story. Mike Tucker has delivered, yet again, with volume 2 of The Love Trilogy, the smashing page-turner Jake & Olivia, so authentic and contemporary and so very, very moving. Take a journey into the sea of love in Jake & Olivia and feel the spirit of love and healing, this is such a beautiful book! So poignant, so witty and so very alive with the thrill of romance and the power of love, Jake & Olivia celebrates love, sweet love." Jenny Thurgood London "Love heals and love rocks in Jake & Olivia, an absolutely divine love story that I could not put down! Olivia's sorrow is so gut-wrenching and so very real, she is a very authentic and passionate young artist trying to find her way back to her soul, and her dreams.

Jake is a US Army Ranger veteran with roots in Italy and meets her in Capestrano, seemingly from out of nowhere. The plot is brilliant, and the characters do not read like "characters," they come across as real people from our era. Such a magnificent movie Jake & Olivia will make! Romantic, witty, great-hearted, lyrical, moving, a tribute to love and a homage to the September 11th Generation---I so adore this book. Magnificent love story, Jake & Olivia, simply magnificent." Carolina Mendes Lisbon "I love Jake & Olivia and I have no doubt you will, too! What a beautiful love story, rich in telling details, so moving and vibrant and brilliant--as with Mike Tucker's other great love stories, I found myself falling in love with love. Just a great love story, très magnifique! Can't wait for the third volume of The Love Trilogy, Gabriel & Alicia! I so adored Paco & Maria and now, with Jake & Olivia, I could not be more thrilled--- it is so very moving and a great meditation on destiny. Bravo, Mike Tucker!" Danielle Chevalier Paris Worlds collide and love rocks in Jake & Olivia, a story of love and destiny and a stunning tribute to the September 11th Generation. Mike Tucker's 49th book and the second volume in The Love Trilogy, this is Jake & Olivia, a beautiful love story by the only writer in our time compared to Hemingway. A sleeping planet. A sinister enemy. A hate that could destroy everything ... The entire planet is paralysed by a deadly shroud of darkness. Only those trapped in the secret bunker can save it. But they are not alone. A hidden enemy is battling for control of the Earth, and he's ready to sell it to the highest bidder. He harbours a deep grudge against the government leaders who cast him aside with barely a second thought. Now it's time for revenge ... and the whole world is going to pay. As Dan Tracy continues his terrifying journey through the deep tunnels of the secret bunker, he gets help from an unexpected source. Only they were supposed to be dead ... Buy The Four Quadrants to continue the fight to save humanity today! What readers are saying The Secret Bunker set a quick pace towards a culmination of events with a meeting of all the main characters and left me gripped along the way. It's not often I pre order the next book but I did in this case, there's no way I'm missing what happens next. I'm fascinated by the fact that Paul manages to provide an authentic teenage voice for his prime character all the way through. Looking forward to seeing what comes in the second of the trilogy which I've already pre-ordered, need I say more? Really enjoyed this adventure seen through the eyes of the teenage lead character - his voice was so true and compelling. I'm looking forward to reading the others and would rather like to go and visit the real bunker! Thoroughly enjoyed this as it keeps you intrigued all the way through. Must get on to part 2 now. I really enjoyed this book and had a hard time putting it down, I can't wait to see what happens next in book two! 5 Stars, I really enjoyed it! ... the action is intense and lots of twists and turns abound until the last page is turned. At the conclusion, the reader is left wondering about many events that are still in progress. Wow..... The characters are well defined, plot is fantastic and the ending leaves us waiting for the next part ... Most highly recommended. [Note: This book has a cliffhanger ending and is

written in UK English] The Secret Bunker Trilogy has been completely re-edited and revised to mark the 25th Anniversary in 2019 of Scotland's Secret Bunker being open to the public. This is the real-life bunker on which this trilogy is based. When his novel Killing Mister Watson was published in 1990, the reviews were extraordinary. It was heralded as "a marvel of invention . . . a virtuoso performance" (The New York Times Book Review) and a "novel [that] stands with the best that our nation has produced as literature" (Los Angeles Times Book Review). Now Peter Matthiessen brings us the second novel in his Watson trilogy, a project that has been nearly twenty years in the writing. A story of epic scope and ambition, Lost Man's River confronts the primal relationship between a dangerous father and his desperate sons and the ways in which his death has shaped their lives. Lucius Watson is obsessed with learning the truth about his father. Who was E. J. Watson? Was he a devoted family man, an inspired farmer, a man of progress and vision? Or was he a cold-blooded murderer and amoral opportunist? Were his neighbors driven to kill him out of fear? Or was it envy? And if Watson was a killer, should the neighbors fear the obsessed Lucius when he returns to live among them and ask questions? The characters in this tale are men and women molded by the harsh elements of the Florida Everglades--an isolated breed, descendants of renegades and pioneers, who have only their grit, instinct, and tradition to wield against the obliterating forces of twentieth-century progress: Speck Daniels, moonshiner and alligator poacher turned gunrunner; Sally Brown, who struggles to escape the racism and shame of her local family; R. B. Collins, known as Chicken, crippled by drink and rage, who is the custodian of Watson secrets; Watson Dyer, the unacknowledged namesake with designs on the remote Watson homestead hidden in the wild rivers; and Henry Short, a black man and unwilling member of the group of armed island men who awaited E. J. Watson in the silent twilight. Only a storyteller of Peter Matthiessen's dazzling artistry could capture the beauty and strangeness of life on this lawless frontier while probing deeply into its underlying tragedy: the brutal destruction of the land in the name of progress, and the racism that infects the heart of New World history. The powerful necromancer Nagash, having suffered defeat on the battlefield at the hands of the priest kings, is forced to lick his wounds in the mountains of Nehekharra. Over time he rebuilds his strength and finds new allies in the skaven - mutant ratmen that live beneath the earth. "This is a work of fan fiction. This book is in no way authorized by, endorsed by, or affiliated with the creator of Five Nights at Freddy's, Scott Cawthon"--Copyright page. "Opening a new fantasy trilogy from Hugo

award winner Resnick, this novel offers an adventure through space and time as Eddie Raven tries to outrun the dark forces pursuing him."--Publisher's description Darla Edmunds has faced a lot of challenges in her seventeen years: Her dad died in a farming accident when she was fourteen. Her mother retreated into hyper-religiosity, leaving Darla to run the family farm almost single-handedly. But those struggles pale in comparison to the one she faces after the Yellowstone supervolcano erupts, plummeting the world-and Darla's small corner of Iowa-into a cataclysmic natural disaster. DARLA'S STORY is book #0.5 of the ASHFALL trilogy (or should it be called a three-and-a-half-ology?) It's told from Darla's perspective, beginning with the eruption and ending when an injured stranger keels over in her barn. If you're new to the world of ASHFALL, DARLA'S STORY is a great place to start. If you've read ASHFALL and loved Darla, this book was written for you. Enjoy! In this debut space epic, a crew of thieves and con artists take on a job that could pay off a lot of debts in a corrupt galaxy where life is cheap and criminals are the best people in it. The Keiko is a ship of smugglers, soldiers of fortune, and adventurers travelling Earth's colony planets searching for the next job. And they never talk about their past--until now. Captain Ichabod Drift is being blackmailed. He has to deliver a special cargo to Earth, and no one can know they're there. It's what they call a dark run...And it may be their last. In this volume, the authors identify and assess all young adult novels that include autism content--either suggested or stated overtly--beginning with a novel published in 1968. More than six months after the eruption of the Yellowstone supervolcano, Alex and Darla retrace their steps to Iowa hoping to find Alex's parents and bring them to the tenuous safety of Illinois, but the journey is ever more perilous as the remaining communities fight to the death for food and power.
