The Tea Rose is a towering old-fashioned story, imbued with a modern sensibility, of a family's destruction, of murder and revenge, of love lost and won again, and of one determined woman's quest to survive and triumph. East London, 1888—a city apart. A place of shadow and light where thieves, whores, and dreamers mingle, where children play in the cobbled streets by day and a killer stalks at night, where bright hopes meet the darkest truths. Here, by the whispering waters of the Thames, a bright and defiant young woman dares to dream of a life beyond tumbledown wharves, gaslit alleys, and the grim and crumbling dwellings of the poor. Fiona Finnegan, a worker in a tea factory, hopes to own a shop one day, together with her lifelong love, Joe Bristow, a costermonger's son. With nothing but their faith in each other to spur them on, Fiona and Joe struggle, save, and sacrifice to achieve their dreams. But Fiona's dreams are shattered when the actions of a dark and brutal man take from her nearly everything—and everyone—she holds dear. Fearing her own death at the dark man's hands, she is forced to flee London for New York. There, her indomitable spirit—and the ghosts of her past—propel her rise from a modest west side shopfront to the top of Manhattan's tea trade. Authentic and moving, Jennifer Donnelly's The Tea Rose is an unforgettable novel. Amongst us are real, powerful stories of inspiring women who offer impactful and compelling successes. These are true stories that give us hope, courage, and drive. In Her Purpose creators, Rose Buado and Jennifer Redondo-Marquez introduce you to 40 amazing stories of strong Asian women who are redefining success on their own terms. There is so much to learn from these women who came before us. Like these women, many of us struggle to find a career path, follow a life goal, and face different challenges, ups, and downs. Their stories give insights and share their personal journey of how they got to where they are now. They all took different paths ranging from fashion, medical, art, entertainment, education, and various industries. Each of these women has defied social and cultural conventions that have shaped our existence as we know it. From New York Times bestselling author Jennifer Chiaverini, a powerful and dramatic Prohibition-era story that follows the fortunes of Rosa Diaz Barclay, a woman who plunges into the unknown for the safety of her children and the love of a good but flawed man. As the nation grapples with the strictures of Prohibition, Rosa Barclay lives on a Southern California rye farm with her volatile husband, John, who has lately found another source of income far outside the federal purview. Mother to eight children, Rosa mourns the loss of four who succumbed to the mysterious wasting disease that is now afflicting young Ana and Miguel. Two daughters born of another father are in perfect health. When an act of violence shatters Rosa's resolve to maintain her

increasingly dangerous existence, she flees with the children and her precious heirloom quilts to the mesa where she last saw her beloved mother alive. As a flash flood traps them in a treacherous canyon, only one man is brave-or foolhardy-enough to come to their rescue: Lars Jorgenson, Rosa's first love and the father of her healthy daughters. Together they escape to Berkeley, where a leading specialist offers their only hope of saving Ana and Miguel. Here in northern California, they create new identities to protect themselves from Rosa's vengeful husband, the police who seek her for questioning, and the gangsters Lars reported to Prohibition agents-officers representing a department often as corrupt as the Mob itself. Ever mindful that his youthful alcoholism provoked Rosa to spurn him, Lars nevertheless supports Rosa's daring plan to stake their futures on a struggling Sonoma Valley vineyard-despite the recent hardships of local winemakers whose honest labors at viticulture have, through no fault of their own, become illegal. From Jennifer Donnelly, author of the acclaimed New York Times bestseller Stepsister, comes a fairytale retelling that'll forever change the way you think about strength, power, and the real meaning of "happily ever after." Once upon a time, a girl named Sophie rode into the forest with the queen's huntsman. Her lips were the color of ripe cherries, her skin as soft as new-fallen snow, her hair as dark as midnight. When they stopped to rest, the huntsman took out his knife . . . and took Sophie's heart.It shouldn't have come as a surprise. Sophie had heard the rumors, the whispers. They said she was too kind and foolish to rule -- a waste of a princess. A disaster of a future queen. And Sophie believed them. She believed everything she'd heard about herself, the poisonous words people use to keep girls like Sophie from becoming too powerful, too strong . . .With the help of seven mysterious strangers, Sophie manages to survive. But when she realizes that the jealous queen might not be to blame, Sophie must find the courage to face an even more terrifying enemy, proving that even the darkest magic can't extinguish the fire burning inside every girl, and that kindness is the ultimate form of strength. ***** CLICK THE AUTHOR NAME "ROSEWORLD WEEKLYPLANNERS" FOR MORE DAILY WEEKLY & MONTHLY PLANNERS ***** Be prepared and keep yourself organized for anything with this stylish 1 Year weekly planner! Florida is known as a state where numerous elderly people go to retire. They enjoy the nice weather and easy-going lifestyle. Therefore, there are whole communities of retirees in the Sunshine State who stick together and help each other. Unfortunately, elderly people can be a bit naive and lonely because their families might live far away so they can often be prey to bad people who want to take their hard-earned money. They are usually threatened or blackmailed until they pay off their abusers. Unfortunately, some of them lose their lives, and they end up murdered if they refuse to give money to the criminals. A similar thing occurred at the beginning of 2015 in a quiet town of Barefoot Bay, near Melbourne, Florida. A lovely elderly woman named Doris Johnston accepted Jennifer Rose Trent's offer to come around on a weekly basis and clean her home. The two struck a friendship very quickly, and Jennifer started spending more and more time with Doris. The woman liked Jennifer's young son, and she would often look after him while Jennifer was running errands. Doris didn't know that Jennifer had other plans that included getting her out of the picture and stealing her identity. Unaware of Jennifer's previous misdemeanors, Doris thought she could trust her. Tragically, she was very wrong, and Doris paid the ultimate price. It has been twelve years since a dark, murderous figure stalked the alleys and courts of Whitechapel. In 1906, sixteen-year-old Mattie, determined to attend college and be a writer against the wishes of her father and fiance, takes a job at a summer inn where she discovers the truth about the death of a guest. Based on a true story. In this collection of poems, winner of the Hollis Summers Poetry Prize, Jennifer Rose writes primarily of places and displacement. Using the postcard's conventions of brevity, immediacy, and, in some instances, humor, these poems are greetings from destinations as disparate as Cape Cod, Kentuckiana, and Croatia. Rich in imagery, deftly crafted, and imbued with a lightness of voice these poems are also postmarked from poetry's more familiar provinces of love, nature and loss. Chosen from hundreds of submissions, Hometown for an Hour, is the winner of the ninth Summers Poetry Prize. As final judge David Yezzi wrote: "Jennifer Rose's "postcards" arrive with news of a world receding-but for her evocative communiqués rapidly into the past. The poems serve to fix in time her transient locals, revealing not remote tourist destinations but the very places where the poet has been most alive. Rose's odd assortment of places, she tells us, have seduced her, just as reading her poems, with their elegant and muscular formal excellence, will most certainly seduce readers. Tempering nostalgia with wit and emotional immediacy with consummate musicianship and craft, these poems reconstruct a world that, in Rose's fine imagining of it, becomes not only hers but ours as well." Poet and city planner Jennifer Rose has been a "Discovery"/ The Nation winner and the recipient of awards

and fellowships from the National Endowment for the Arts and the Poetry Society of America, among others. Her previous collection, *The Old Direction of Heaven*, was published in 2000. She lives in Waltham, Massachusetts.

In 1860s New York, an abandoned baby girl is found by four boys and they adopt her. In time, the boys start a ranch in Montana and she grows up to be a beautiful woman. One day there arrives at the ranch a handsome Scottish lawyer, looking for an English lord's daughter kidnaped two decades earlier. By the author of *Prince Charming*. We often focus on how our gifts can help those in need. But the act of giving actually improves our own lives as well. In *The Giving Way to Happiness*, Jenny Santi overturns conventional thinking about what it takes to be happy by revealing how giving to others - whether in the form of money, expertise, time, or love - has helped people from all walks of life find purpose and joy. Drawing on the wisdom of great thinkers past and present, as well as cutting-edge scientific research, Santi makes an eloquent and passionate case that oftentimes the answers to the problems that haunt us, and the key to the happiness that eludes us, lie in helping those around us. This book is filled with inspiring stories told firsthand by Academy Award winner Goldie Hawn, Noble Peace Prize winner Muhammad Yunus, supermodel Christy Turlington Burns, Teach for America founder Wendy Kopp, philanthropist Richard Rockefeller, environmentalist Philippe Cousteau, activist Ric O'Barry, bestselling author Isabel Allende, ALS survivor Augie Nieto, and many others from all over the world. Despite their diverse backgrounds, they have all found unexpected happiness and fulfillment through giving. This book tells us not just how they changed the world but also how their acts changed their very own lives. In addition, Santi reveals- How altruism involves far more than suppressing basic selfish urges. Rather, we are wired to give, as it activates the same pleasure centers of the brain stimulated by food, sex, and drugs How helping others - whether by walking a friend through a struggle that you've also experienced or by supporting a cause to honor a loved one's memory - can be a healthy way to deal with adversity and process grief The unexpected reasons why those who 'gave it all up' to make a difference, and who face the direst situations, are nevertheless some of the happiest, most fulfilled, and least angst-ridden people you'll ever meet. Practical, universally applicable lessons on what kind of giving makes people happy and what doesn't. How do you discover giving that is unique to you and makes you feel good? In this inspiring book, Santi turns conventional wisdom upside down about what it takes to be happy and reveals the surprising reasons that have led so many people to live lives full of meaning, purpose and happiness. 'The Giving Way to Happiness is full of interesting insights from big-ticket philanthropists and prominent personalities, but it is also about something bigger- how we can all find happiness through helping others. If done right, giving may well be the greatest gift you can give yourself.' Adam Grant, professor, The Wharton School, University of Pennsylvania, and New York Times-bestselling author of *Give and Take* 'This thoughtful look at philanthropy honestly examines the self-interest often involved in it and suggests that a self-focused approach to giving may in fact be entirely appropriate.' Publishers Weekly 'Well done! A wonderful and timely contribution.' Christy Turlington Burns, founder of Every Mother Counts 'The Giving Way to Happiness will change the way you approach giving, shifting the focus from charity to empathy, from a one-way transfer to a mutually beneficial act, from guilt and obligation to pleasure and happiness. Jenny Santi, through her well-researched, eloquent, and insightful book, teaches us how we can help ourselves by helping others.' Carl Liederman, former CEO of One Young World, and founder & CEO of Liedership A modern retelling of "Beauty and the Beast" finds Bonnie Oliviera in the cliff mansion of Peter Crowley, an enchanted beast-boy who must gain another's love before his magic rose dies. Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Rose Pastor arrived in New York City in 1903, a Jewish refugee from Russia who had worked in cigar factories since the age of eleven. Two years later, she captured headlines across the globe when she married James Graham Phelps Stokes, scion of one of the legendary 400 families of New York high society. Together, this unusual couple joined the burgeoning Socialist Party and, over the next dozen years, moved among the liveliest group of activists and dreamers this country has ever seen. Their friends and houseguests included Emma Goldman, Big Bill Haywood, Eugene V. Debs, John Reed, Margaret Sanger, Jack London, and W.E.B. Du Bois. Rose stirred audiences to tears and led strikes of restaurant waiters and garment workers. She campaigned alongside the country's earliest feminists to publicly defy laws against distributing information about birth control, earning her notoriety as "one of the dangerous influences of the country" from President Woodrow Wilson. But in a way no one foresaw, her too-short life would end in the same abject poverty with which it began.

Rose Feller is thirty years old, a high-powered attorney, with a secret passion for romance novels, an exercise regime she's going to start next week, and dreams of a man who will slide off her glasses, gaze into her eyes, and tell her that she's beautiful. Meet Rose's sister Maggie. Twenty-eight years old, drop-dead gorgeous and only occasionally employed, Maggie is a backing singer in a band called Whiskered Biscuit. She dreams of fame and fortune -- and of getting her dowdy big sister to stick to a skin-care regime. These two women with nothing in common but a childhood tragedy, shared DNA, and the same size feet, are about to learn that their family is more different than they ever imagined, and that they're more alike than they'd ever believe. The brilliant new novel by Jennifer Weiner, *Who Do You Love*, will be released in August 2015.

Ultimate Fighting Championship and the present and future of women's sports Mixed martial arts stars like Amanda Nunes, Zhang Weili, and Ronda Rousey have made female athletes top draws in the Ultimate Fighting Championship (UFC). Jennifer McClearen charts how the promotion incorporates women into its far-flung media ventures and investigates the complexities surrounding female inclusion. On the one hand, the undeniable popularity of cards headlined by women add much-needed diversity to the sporting landscape. On the other, the UFC leverages an illusion of promoting difference—whether gender, racial, ethnic, or sexual—to grow its empire with an inexpensive and expendable pool of female fighters. McClearen illuminates how the UFC's half-hearted efforts at representation generate profit and cultural cachet while covering up the fact it exploits women of color, lesbians, gender non-conforming women, and others. Thought provoking and timely, *Fighting Visibility* tells the story of how a sports entertainment phenomenon made difference a part of its brand—and the ways women paid the price for success. “Explode[s] with cuddle-factor! It doesn't matter what they're into—unicorns, wolves, dragons or princesses, one of these hooded blankets will surely suit.” —Inspirations Newsletter

Bedtime bookworms will love snuggling up and listening to their favorite story in a cozy hooded blanket. Bring storytime to life as they act out the characters—will they be a goodie or a baddie, Little Red Riding Hood or the wolf? Lynne Rowe's latest new book has ten fun, fairytale projects to crochet, including a deer, a dragon, a lion and a unicorn. Each blanket can be made in two sizes: for toddlers (age 2 to 4) and for young children (age 5 to 7). Along with crochet techniques, there are suggestions for varying the yarn color to create a different character (changing a polar bear into a brown bear, for example) and you can choose between a rounded or a pointed hood. Lynne has also designed a strip of matching bunting to accompany each project. Every blanket tells a story, with pockets on the sides for snuggly paws and different tails. Perfect for unwinding for a bedtime story and animating the oral tradition of storytelling—little listeners, as well as their parents, will find themselves enchanted. “There's nothing quite like wrapping up someone you love in a homemade blanket, and this collection is certain to be loved by little ones and big ones alike!” —Inside Crochet “Bright, colorful and whimsical.” —The Loopy Lamb “We love everything the Lynne designs and this book is no exception to that rule if you ask us, this is probably her most exciting and enjoyable book to date.” —Crochet Now
