Elena, a 13th generation witch, is the most powerful witch on the planet; Amy is hidden from her true self, and Mary feels the pain of mankind. On the appearance of a magic pen, three women uncover family secrets and deep betrayal, to discover they are more than they've been led to believe - for better or worse. Alongside the men, demons and angels who love them, they are thrown into a supernatural world where time becomes muddled, where new and ancient merge, where forged bonds cannot be broken and matters of the heart are never black and white. A Paranormal Women's Fiction murder mystery for anyone who believes you can find your powers at any age. Constance Campbell has made a few questionable decisions in the run-up to her fortieth birthday. So in a way, moving two thousand miles away from everything she's ever known makes perfect sense. Creel Creek, Virginia is the last place either of her ex-husbands would ever think to look for her. What better place to hide from her humiliations than a town too small to warrant a mention on a map? Laid off, and recently divorced from husband number two, this former workaholic moves in with her estranged-and very strange-

grandmother. A grandmother who informs Constance that she comes from a long line of powerful witches. And on the day she hits the big 4-0, she'll come into her powers. It turns out that she's not the only paranormal person in town. Under the sleepy surface, the small town is teeming with supernatural beings. When Constance finds the town's resident vampire dead, things go from surreal to scary. The local sheriff is convinced that a killer is lurking in the shadows, hunting anyone with supernatural abilities—including witches like her. He's not wrong. Can Constance learn enough magic to save herself and Creel Creek from this unknown foe? There is a time of night when the ghosts grow more active. This hour is the witching hour. Here is a collection of 13 ghostly tales. Be careful when you read, we wouldn't want to get ... (Book Two of the Eye Of The Storm series.) The full moon is a week away, and although Lydia is as excited as it gets to run as a wolf for the first time, she is also fighting to keep her independence while trying to understand her role in the lives of the three males that have come to rule hers: passionate, tender Taylor; impetuous, fun-loving Ryan and distant, cold Lawrence. There's also a fourth man in Lydia's life. Brendan, her previous "friend with benefits", is tirelessly searching for her. He's about to uncover things that should be kept hidden. However, the testosterone surrounding her is the last thing she should be worrying about. Her family bear truths about her heritage she's not ready to face ... she may not have a choice, because the greatest danger to them all comes from within. The past never stays buried for long, and among the shadows of their species it is rising with a vengeance, threatening to tear their pack apart for good. 18+ (adult scenes and very strong language, including scenes which some readers may find uncomfortable) Paranormal fantasy Short novel length

However, with unrest all around, she is struggling to keep her wolves together for her first full moon, just twenty-four hours away. A trip back home for Ryan could bring much needed support for them all, but at what cost? As The Trident close in on Ryan's pack, the pack itself becomes divided over Lydia's presence and Lawrence is encouraged to return as the Alpha. But they don't know his secret, and he's doubtful of his ability to protect them. Can he fulfil his rightful role, or will his efforts prove fatal? Meanwhile, among the arid plains of Egypt, in a long-forgotten city, one man is pitting himself against the beast inside him in order to find salvation, only to realise, so much more is at stake than his soul. 18+ (adult scenes and very strong language, including scenes which some readers may find uncomfortable) Paranormal fantasy Medium novel length at over 63,000 words Written in British English Reading order: 1. "Two thousand and eleven years after the birth of the Failed One, the Witching Pen will be made manifest on Earth by the Great Shanka Witch of the Old Scrolls. By her hand, the Earth will rumble and shatter, and all dimensions will bleed into one." The true purpose of the Witching Pen has been revealed, and it must be destroyed before an apocalyptic prophecy comes true. There's just one problem - the Pen is indestructible. As everyone searches for much needed answers, Elena lays down plans for a radical mission to save her mother from the Shanka's shadow world. Meanwhile, Mary has finally discovered who she really is, and what that means for the human race. What Mary doesn't know, is that Gwain has been searching for her for over ten thousand years, and had lost all hope of finding her. Now that he has her, he's faced with an impossible choice: does he save the woman who altered his very existence, or does he sacrifice her to save mankind? Note: contains explicit scenes intended for a mature audience. This is the third book in Dianna Hardy's humorous paranormal romance / urban fantasy series. Colourful characters, nail biting plot twists, and an earth-

shattering conclusion - all spattered with some darkness - characterise this original fantasy series. Reading order: *The Witching Pen*, *The Sands of Time*, *The Demon Bride*, and *The Last Dragon*. (Also all available in a digital 'Complete Series Boxed Set'.) Welcome to Spellford Cove, where the baking is sweet and the witches are wild. Robin Carter's life is less than stellar. All she has going for her are a minimum-wage job she hates, an uncanny ability to attract the biggest losers on her dating app, and a raccoon sitting in her kitchen sink eating her chips. So, when she finds out she's inherited a bakery in a small Washington town, Robin thinks this might just be the fresh start she desperately needs. Upon her arrival, however, Robin finds out she's inherited more than just a small business: she's also got her mother's magical powers. However, things start going south for Robin when a man dies at the local diner just after her arrival in town and she's fingered as the prime suspect. With half the town thinking she's a killer, Robin decides to take matters into her own hands. But between a ghost who desperately needs therapy, a snarky familiar who loves to quote literature, and a grandmother who walks to the beat of her own drum, Robin really has her hands full. Will she be able to navigate this new reality and find the killer, or will she crumble like an overcooked brownie? This is the first book in the Spellford Cove paranormal cozy mystery series. When Willow Brown was seven, she had her first vision. Her death played out like a movie. Her second vision came along shortly after that when she predicted her father's cancer diagnosis. Her mother always wanted her to hide her gift away. That's what she called it, a gift. To Willow, it was never a gift. When her great aunt leaves Willow a house and a cat, she's forced back to her hometown to sort out the affairs. But it turns out Aunt Cora is a little less dead than anyone thought. The old psychic inhabits the body and mind of the cat and she's hellbent on teaching Willow how to properly use her psychic abilities. But that's not the only trouble she encounters in Mossy Pointe, Florida. Willow isn't in town ten minutes before she's thrust in the middle of a murder investigation - an investigation that puts her on a collision course with the vision she's been running away from all her life. (Light cover reprint edition, February 2014) Book One of *The Witching Pen* series. It's hard being the most powerful witch on the planet. It's even harder when you're a twenty-five year old virgin who'll lose all of that power the

moment you sleep with someone ... that's why Elena's never slept with her best friend and flatmate, Karl, despite the true feelings they harbour for each other. Elena's about to discover that there are even more difficult things in life to deal with. One of them comes in the form of a pen she discovers one day, a pen that allows anything she writes to come to pass... Suddenly, it's not just her powers or her heart that's at stake, but her very soul, as a dream demon with a seductive pull uses the pen to try and turn her away from her reality, and from Karl. But the pen is just the beginning. Everything Elena has believed in is a lie, and her world is about to fall apart... Contains mature content. Paranormal / Urban Fantasy Romance Books 1 to 3 are also available in one large Omnibus Edition. From the author of the extraordinary Vampire Chronicles comes a huge, hypnotic novel of witchcraft and the occult through four centuries. Demonstrating, once again, her gift for spellbinding storytelling and the creation of legend, Anne Rice makes real for us a great dynasty of witches--a family given to poetry and to incest, to murder and to philosophy; a family that, over the ages, is itself haunted by a powerful, dangerous, and seductive being. On the veranda of a great New Orleans house, now faded, a mute and fragile woman sits rocking . . . and *The Witching Hour* begins. It begins in our time with a rescue at sea. Rowan Mayfair, a beautiful woman, a brilliant practitioner of neurosurgery--aware that she has special powers but unaware that she comes from an ancient line of witches--finds the drowned body of a man off the coast of California and brings him to life. He is Michael Curry, who was born in New Orleans and orphaned in childhood by fire on Christmas Eve, who pulled himself up from poverty, and who now, in his brief interval of death, has acquired a sensory power that mystifies and frightens him. As these two, fiercely drawn to each other, fall in love and--in passionate alliance--set out to solve the mystery of her past and his unwelcome gift, the novel moves backward and forward in time from today's New Orleans and San Francisco to long-ago Amsterdam and a ch<sup>^</sup>teau in the France of Louis XIV. An intricate tale of evil unfolds--an evil unleashed in seventeenth-century Scotland, where the first "witch," Suzanne of the Mayfair, conjures up the spirit she names Lasher . . . a creation that spells her own destruction and torments each of her descendants in turn. From the coffee plantations of Port au Prince, where the great Mayfair

fortune is made and the legacy of their dark power is almost destroyed, to Civil War New Orleans, as Julien--the clan's only male to be endowed with occult powers--provides for the dynasty its foothold in America, the dark, luminous story encompasses dramas of seduction and death, episodes of tenderness and healing. And always--through peril and escape, tension and release--there swirl around us the echoes of eternal war: innocence versus the corruption of the spirit, sanity against madness, life against death. With a dreamlike power, the novel draws us, through circuitous, twilight paths, to the present and Rowan's increasingly inspired and risky moves in the merciless game that binds her to her heritage. And in New Orleans, on Christmas Eve, this strangest of family sagas is brought to its startling climax. A New York Public Library Best Book for Teens 2021 To save a fae kingdom, a trans witch must face his traumatic past and the royal fiancé he left behind. In Asalin, fae rule and witches like Wyatt Croft...don't. Wyatt's betrothal to fae prince Emyr North was supposed to change that. But when Wyatt lost control of his magic one devastating night, he fled to the human world. Now a coldly distant Emyr has hunted him down. Despite transgender Wyatt's newfound identity and troubling past, Emyr claims they must marry now or risk losing the throne. Jaded, Wyatt strikes a deal with the enemy, hoping to escape Asalin forever. But as he gets to know Emyr again, Wyatt realizes the boy he once loved may still exist. And as the witches face worsening conditions, he must decide what's more important—his people or his freedom. Don't miss the next book in H.E. Edgmon's highly anticipated duology, **THE FAE KEEPER**, AVAILABLE MAY 31, 2022 Aftershock is a companion novel to the Eye of the Storm series and also acts as a PREQUEL to a brand new series to come. You don't have to read Eye of the Storm to enjoy this novel (some background is given). However, we always recommend you do in order to gain full understanding of how the characters have arrived at this point. Self-sufficient and travellers at heart, Pete and Claire packed bags five years ago and headed on a journey that would change their lives forever. After the unexpected death of her childhood best friend, Sarah, Claire has nurtured both an open wound, and Sarah's baby - a miracle born on her deathbed. Pete has been nothing short of a father to baby Jasmine, and partner to Claire, the werewolf in him one of the few things in the world Claire connects with. However, despite their

love for their adopted daughter and each other, fate's about to test the foundation they've built. Jasmine has been having episodes - seizures - the doctors aren't sure exactly what they are, or what triggers their onset, but when a little boy is hurt by Jasmine's hand they can no longer wait for answers. They consider taking to the road once more believing a life of travel might be safer than planting roots. But there's a Supermoon coming - the first in thirty years - and with it, a total lunar eclipse. Pete can feel the charge in the air, and it seems, so too, can Jasmine. With her terrible, secret legacy threatening to break through the shadows, Pete and Claire have a devastating reality to face. Can you ever escape what you truly are? Blood never lies.

"The day you get married, is supposed to be the happiest day of your life. Dreams are made of such things. But I forgot. I could blame the witch if I wanted to - in fact I did, for quite a while after - but the fault can only lie with me. Being with him made me so happy - so very, very happy - that I chose to forget. I chose amnesia. If I had had any foresight into how my flippant choice would ruin him, I would have saved him the heartbreak. I would have forfeited my knowing him, my own selfishness, lived forever in the pain of unfulfillment, if it meant he could be spared...." When you love someone so much that your heart aches without them in your life, would you give up everything you've ever known to be with them? Would you give up your identity? This is exactly what Aria did. But her sacrifice comes at a great cost, with startling consequences. With no memory of her previous life, she's forgotten what she really is, and who she's left behind: a jealous, possessive God, who's finally found her, and will stop at nothing to keep her heart from ever straying again. In this dark and erotically passionate retelling of The Little Mermaid, can a love founded on humanity, stand the passing of

time, an angry sea-God, and even death itself? Notes: The English translation of the original story, Den lille Havfrue, by Hans Christian Anderson, works out at just under 10,000 words. This retelling is just over 10,000 words.

The modern witch is empowered and determined, and she defies expectations at every turn. But even the most all-powerful sorceress sometimes needs a quiet moment to reflect, recharge, and maybe cast an enchantment or two. This guided journal encourages you to set aside time for your own personal "witching hour." Use the spells, charms, and incantations within its pages to conjure self-confidence, summon success, nourish friendships, banish negative thinking, and master the magic of self-love. It includes spells for productivity, career success, repairing relationships, attracting love, and tapping into your sense of purpose. Filled with mystical illustrations and plenty of witchy wisdom, this journal has everything you need to lead your best (and most magical) life.

Book Two of The Witching Pen Novellas Seven days ago, Elizabeth May tried to commit suicide. She was found by Paul, her husband, who took her under his wing and back to their home. But the attempted suicide is not Elizabeth's main problem - Elizabeth can't remember who she is, or a single thing about her life beyond the past week. Plagued by nightmares about a familiar black panther, and a terrifying snow leopard, she is convinced that the dreams are trying to show her something important, and is determined to regain her memories, one way or another. Meanwhile, Pueblo - the demon blood-bonded to the witch, Amy - is going insane trying to find her. Amy disappeared one week ago, and it seems not even their bond is strong enough to penetrate whatever magic hides her. As Pueblo enlists the help of angels and demons alike, Elizabeth begins to piece together parts of her forgotten life. But what she uncovers may just have her wanting to turn away from who she really is ... for good. NOTES: The Sands Of Time is a

short novel at approx 40,000 words. Warning: Contains sexual content and some violence. The Witching Pen trilogy is now also available in one large Omnibus Edition. Emotionally charging, each poem is written from a different perspective, be it the hunter or the hunted and inspires a deeper look into the psychology of the human mind and the darker aspects of human relationships and society. (Author's Note: Saving Eve is a companion novel to The Witching Pen series, and should be read after The Last Dragon.) Amid long, wild grass, a snake slithers, hidden. Hidden until a man opens his eyes... Awaking with amnesia in St Mary's Hospital, after a near-fatal freak accident, he is known only as Luc. With the help of Evie Gold, the kind, young woman who found him, he starts a new life - a second chance, a clean slate. A bond burgeons between them. But disturbing dreams of dark deeds become waking recountings. A blackness is uncoiling - seductive, familiar and dangerously provocative. An ancient craving stirs; an old addiction rises. Nothing is as it seems, and as reality crumbles, Luc finds himself asking, not just who he is, but... Who is Evie? From the author of the international bestselling Witching Pen series, Dianna Hardy takes a seed from The Last Dragon, and brings you an existential story of two beings in search of completion. Length: Short novel at just over 40,000 words. Written in British English. **REVIEWS**

"Dianna Hardy's fresh and unique craft appears effortless. Her words never fail to move the reader, engaging them fully and opening up a vivid world. Truly, her striking literary style is as beautiful as it is original." - Bex 'n' Books

"...perfect. There is no other word to use for what I felt for this book. I loved Lucifer, and I knew I would enjoy this book even though Dianna Hardy had stated that it changed from the way she had originally planned it, but after reading the book I, personally, couldn't have asked for a better story. It was meant to be this way. This was how the story was supposed to go, and it was perfect." - author, Elizabeth Morgan. An Eye of the Storm Novelette Four months have passed since the night of the fatal storm, and "peace on earth" has never felt so good despite the pack's sorrow at the loss of family and dear friends; sorrow that cut deeply over Christmas, and during last week 's wedding. Mated to three, and now married into the Gunvald lineage, Lydia has taken comfort and security in her she-wolf, the animal's strength and wisdom taking her deep into the still-uncharted territory of Lawrence's wooded home — now her wooded home. But storms come in many guises,

and as the January snow clouds gather overhead, Lydia's finally forced to confront the secret she's been keeping from everyone, including herself.

Publisher's Notes: After the Storm is a series of novelettes that take place at relevant points in the immediate months and years after Eye of the Storm. They concentrate on the healing our characters need to go through after everything that happened. They all stand on their own and do not need to be read in any order, nor do they need to be read to understand any of the other series set in this world - they are additional reads for fans. And for anyone who doesn't wish to read them, the healing simply takes place off-stage. An international bestselling paranormal fantasy. (Book One of the Eye Of The Storm series.) Lydia Martin has always had dreams, the weirdest and hottest of them all involving a faceless, muscle-bound man that speaks like sin and smells like sex. Like any sane person, she always put the dreams down to an overactive imagination, coupled with a higher than average libido. One night, however, instead of their usual, erotic encounters, she finds him in her dream, chained to a wall and screaming in pain. Not only that, but she thinks she recognises the building he's being held captive in as one that's just a few streets away. Awaking with an irrepressible need to save her fantasy lover, Lydia decides to humour her dream self and head on over to where she thinks he's imprisoned. What unfolds is beyond even her wildest imaginings, as she's sucked into a dangerous and deadly world she never knew existed ... and it turns out that the man who inhabits her darkest fantasies, isn't the only one that needs releasing. 18+ (adult scenes and very strong language) Paranormal fantasy Novella length at over 34,000 words First book in a series Written in British English Five years after her life changed forever, Jennifer Warren has put her past firmly behind her. No longer a werewolf, but human, she keeps herself to herself. But her anonymous 'friend' has started sending her notes again - there's a rare total lunar eclipse on the way, threatening to turn her shadows against her. Can you ever escape what you truly are? Blood never lies. Werewolves living in the Surrey Hills battle with deadly family secrets, an unforgiving ancient mythology, and monsters - human and created - striving for species dominance. One hell of a storm is coming. When all hangs in the balance, what do you sacrifice for the future you want? Emotional, humorous and highly erotic in places, this is dark paranormal fantasy, not for the faint of

heart. An enchanting, hypnotic trilogy of witchcraft, adventure, and romance from the beloved author of *Interview with the Vampire* and *The Vampire Lestat*, *The Mayfair Witches* is a wondrous journey through the centuries, across the globe, and between the human and demonic worlds. Now all three novels in Anne Rice's spellbinding series have been collected for the first time in this stunning eBook bundle: **THE WITCHING HOUR LASHER TALTOS**

On the screened porch of a great New Orleans house, now faded, a mute and fragile woman sits rocking. She belongs to a legendary dynasty of witches—a family that is itself haunted over the ages by a dangerous and seductive being named Lasher. Their story begins in our time, with a rescue at sea. Rowan Mayfair, a brilliant neurosurgeon aware of her abilities but oblivious to her ancient line, finds the drowned body of Michael Curry off the coast of California and brings him to life. In his brief interval of death, he has acquired a sensory power that mystifies and frightens him. Fiercely drawn to each other, Rowan and Michael set out to solve the mystery of her past and his unwelcome gift, and an intricate tale of evil unfolds: an evil unleashed in seventeenth-century Scotland, where the first “witch,” Suzanne of the Mayfair, conjures up the spirit that spells her own destruction and torments each of her descendants in turn.

Praise for Anne Rice and *The Mayfair Witches*

“Behind all the velvet drapes and the gossamer winding sheets, this is an old-fashioned family saga. . . . Rice's descriptive writing is so opulent that it almost begs to be read [by] candlelight.” —The Washington Post Book World

“[A] huge and sprawling tale of horror.” —The New York Times Book Review

“Lush prose, dense atmosphere, steamy sex, Gothic tension . . . Rice stages her scenes in a wide variety of times and locales, tapping deeply into the richest veins of mythology and history.” —San Francisco Chronicle

“Spellbinding . . . mythical . . . Rice is a pure storyteller.” —Cosmopolitan

“Rice sees things on a grand scale. . . . There is a wide-screen historical sweep to the tale as it moves from one generation of witches to the other.” —The Boston Globe

“An intricate, stunning imagination.” —Los Angeles Times Book Review

“It is hard to praise sufficiently the originality of Miss Rice. . . . She has made a masterpiece of the morbid, worthy of Poe's daughter.” —The Wall Street Journal

The Earth is in a state of shock after the apocalypse. The veil between dimensions is no more. Demons and fallen

angels walk among humans, and everyone is trying to find their place in the new world - Morgan le Fey's world. But the fairy queen finds herself cemented within humanity and struggling with human emotions, and her right-handman, Lucifer, has secrets which are causing fissions among every race.

Meanwhile, Karl and Elena struggle with their powers, Katarra delivers an important message, and two men will stop at nothing to protect their unborn child - the Messiah of the New Age - and the woman they love. Far to the east, the fallen Archangel Michael is fighting for the one he holds above all others.

The last Dragon is about to rise and seal everyone's future, which depends solely on its survival ... or its extinction. Note: contains explicit scenes intended for a mature audience.

This is the fourth and final book in Dianna Hardy's humorous paranormal romance / urban fantasy series. Colourful characters, nail biting plot twists, and an earth-shattering conclusion - all spattered with some darkness - characterise this original fantasy series. Reading order: The Witching Pen, The Sands of Time, The Demon Bride, and The Last Dragon.

(Also all available in a digital 'Complete Series Boxed Set'.) The Book Club meets Hocus Pocus in this paranormal women's fantasy!"I'm leaving." Two shocking words, torching a marriage of over twenty years. Totally blind-sided, Shannon, a middle-aged, stay-at-home Mom, is traded in for a newer model. One of the few possessions her cheating EX didn't swipe from under her nose, was the mountain resort she inherited from her dear Aunt Maeve. With limited funds and bleak job prospects after being out of the workforce for so long, the decrepit resort is a lifeline! What is with the water in the small town in the Catskill Mountains that every guy she meets looks like he stepped off the cover of GQ magazine? But, she's HAD it with men! Or maybe not... Aunt Maeve's lifeline comes with an extra feature. Shannon discovers a wishing well in her forest and learns that magic is real. So are witches and their spells. Her aunt Maeve was a witch and now it's Shannon's turn. And this discovery catapults her from the mundane. She's no longer a Spanx-wearing, soccer mom fighting traffic and a mid-life spare tire. Who has time for bitterness when there's a world of magical witchcraft to learn! But the learning curve is steep. Spells go off the rails. Sometimes you end up turning your best friend into a sex addict. Other times, looking for revenge on your Ex, it boomerangs back to bite you in the ass. She's learning. Give her a break,

okay? While she's trying to figure this out, a handsome developer with designs on using her land to create a million-dollar subdivision has his eye on her enchanted resort. As if her personal tropical moments, a muffin-top and a bad back aren't challenging enough, she has to deal with his tricks to sink her. Why does he want her property so bad? Can't he find someplace else to pillage? Shannon is going to need all the magic that the little wishing well showers on her and then some. *Witching Well*, book one of the *Hex After Forty* series, is a story of a woman thrown into the deep end who surfaces, claiming her power. Mid-life, divorce, and trying to stay sane to be a good mother aren't the end. There's magic, heart-warming friendship and maybe even love in this roller-coaster ride of life's next stage. Come along, buckle your seatbelts and get ready for some tears of laughter and joy. This short, bonus story takes place ten years before the events of *The Witching Pen Series*. Fifteen-year-old Elena hides her magical abilities from everyone, except her best friend, Karl. Inseparable since they were very young, they've always shared everything together, including the darkest parts of their lives. Elena's beginning to realise that her feelings for Karl are growing into something more. But her mother's about to drop a bombshell on her – one that will change the course of her life, and heart, forever. **Publisher's Notes:** For fans of the series, this story includes two parts of Elena's past that were made reference to in *The Witching Pen*: 1) The moment that Karl turns up on Elena's doorstep having been beaten and 'jumped on' by his father and 2) "The Sex Talk" between Elena and her mother. **A Paranormal Women's Fiction Mystery Novel...** Nothing can stop Constance Campbell from finding the truth about her mother. Not a demon hell-bent on revenge. And not the Faction, a secretive magical organization who have a long history of covering up the facts. But when murders begin popping up all over the country with ties to the supernatural and paranormal hunters of all kinds converge on Creel Creek, it's up to Constance to protect the paranormal community and help catch the killer. The question is can she do both without sacrificing the other? **Must Love Charms** is the third installment in an all-new paranormal mystery series. If you like Urban Fantasy, Cozy Mysteries, or Paranormal Women's Fiction, you'll love this book. Buy your copy today! What's really worth fighting for, when one second is all you have left? Norman Smithson is at the end of the

line. His wife left him, women don't look at him, he was made redundant, and at forty, he could be just that little bit slimmer. He would be a has-been if he'd ever been a 'was' in the first place. He's not the Alpha male of the 21st century - or of any century. He was the chubby oddball who used to sit silently at the back of the class so he wouldn't get picked on. Rosa is a dreadlocked, tattooed and pierced twenty-something, who uses her image as armour to keep everyone away from every broken thing about her. But her past is about to catch up with her ... at the exact moment Norman finds himself in completely the wrong place, at the worst possible time. One gunshot, one scramble for life, one unlikely couple, one very long night ... can one damaged woman and one ordinary man, find the extraordinary in the very last second they're given? Broken Lights is a standalone story of what's really worth fighting for, when one second is all you have left. NOTES: This is a novella at just under 40,000 words, packed with emotion and heat. Contains strong language. Written in British English. The fourth book in the dark paranormal fantasy series, Eye Of The Storm. The full moon has been and gone, beginning a new phase of greater surety for the wolves of Surrey and the mated four who lead them. Ryan's old pack from Wiltshire - a force to be reckoned with - have ensured their immediate safety from The Trident ... but what will they demand in return for their protection? As Lydia and Lawrence heal old wounds, finding solace in each other, Ryan battles with his own past. He'd do anything to keep the pack he loves safe, but 'anything' might have consequences he never imagined. Meanwhile, Selena's sole focus is in keeping herself intact as Gabriel relishes in breaking her. What will she have to become in order to survive? And Sarah has some tough choices to make, all of which will test her beliefs and challenge her boundaries of what makes good, and what makes evil. 18+ (adult scenes and very strong language, including scenes which some readers may find uncomfortable) Paranormal fantasy Novel length at over 81,000 words Written in British English Reading order: 1. Releasing The Wolf 2. Cry Of The Wolf 3. Heart Of The Wolf 4. Return Of The Wolf 5. TBA 6. TBA (It is planned that the sixth book will be the last.)
