Thank you for reading The Writings Of Nichiren Daishonin Vol 1. As you may know, people have search hundreds times for their favorite readings like this The Writings Of Nichiren Daishonin Vol 1, but end up in malicious downloads.

Rather than enjoying a good book with a cup of coffee in the afternoon, instead they cope with some harmful virus inside their desktop computer.

The Writings Of Nichiren Daishonin Vol 1 is available in our book collection an online access to it is set as public so you can download it instantly. Our books collection hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the The Writings Of Nichiren Daishonin Vol 1 is universally compatible with any devices to read

If you ally infatuation such a referred The Writings Of Nichiren Daishonin Vol 1 ebook that will offer you worth, get the categorically best seller from us currently from several preferred authors. If you desire to hilarious books, lots of novels, tale, jokes, and more fictions collections are as a

consequence launched, from best seller to one of the most current released.

You may not be perplexed to enjoy every books collections The Writings Of Nichiren Daishonin Vol 1 that we will unquestionably offer. It is not going on for the costs. Its approximately what you craving currently. This The Writings Of Nichiren Daishonin Vol 1, as one of the most enthusiastic sellers here will no question be among the best options to review.

Right here, we have countless ebook The Writings Of Nichiren Daishonin Vol 1 and collections to check out. We additionally have the funds for variant types and also type of the books to browse. The tolerable book, fiction, history, novel, scientific research, as with ease as various extra sorts of books are readily reachable here.

As this The Writings Of Nichiren Daishonin Vol 1, it ends occurring best one of the favored books The Writings Of Nichiren Daishonin Vol 1 collections that we have. This is why you remain in the best website to see the amazing ebook to have.

Eventually, you will entirely discover a supplementary experience and attainment by spending more cash. nevertheless when? reach you acknowledge that you require to get those all needs once having significantly cash? Why dont you try to acquire something basic in the beginning? Thats something that will lead you to comprehend even more approximately the globe, experience, some places, in the same way as history, amusement, and a lot more?

It is your extremely own epoch to put on an act reviewing habit. in the course of guides you could enjoy now is The Writings Of Nichiren Daishonin Vol 1 below.

&“Wisdom and compassion are intimately linked and mutually reinforcing. Compassion in Buddhism does not involve the forcible suppression of our natural emotions, our likes and dislikes. Rather, it is the realization that even those whom we dislike have qualities that can contribute to our lives and can afford us opportunities to grow in our own humanity.&”—Daisaku Ikeda Peace lies along the path of humanity's growth and inner transformation. With this as a major theme, Daisaku Ikeda offers fresh insights and new ways of thinking in each of his seven US university lectures collected in A New Way Forward. These explorations on the power

of dialogue, the interdependence of all life, the importance of developing in one's character the attributes of wisdom, courage, and compassion, and other topics, stir the heart and mind and lead to the inevitable conclusion that each individual holds the key to a lasting peace. Volume six of a series, this text presents the final installment in the story of the founding of Soka Gakkai, an association of followers of the teaching of the Japanese Buddhist leader, Nichiren Daishonin (1222-82). A textbook covering the history and teachings of the Lotus Sutra and Nichiren Buddhism from the time of the Buddha through the end of the Edo period

Do you want to be happier? Find inner calm? Enjoy a rich and rewarding life? Here's how... The Buddha in Me, the Buddha in You combines the tried-and-tested wisdom of Nichiren Buddhism with the best of popular psychology and personal development, making this a brilliant guide to how life works, and how to get the most from it. Nichiren Buddhism differs from other Buddhist schools in its focus on the here-and-now, and places great importance on individual growth as the starting point for a better world. This, combined with powerful techniques such as NLP, mindfulness, journalling and coaching, makes The Buddha in Me, the Buddha in You the quintessential handbook for happiness. 'Buddha' simply means someone who is awakened - yet while Nichiren Buddhists will find fascinating insights into their practice, there is no need to follow a spiritual path to benefit from this book. Through his experience as an internationally acclaimed life coach and practising Buddhist, author David Hare shows us how to wake up to our own potential and that of those around us - to discover everyday enlightenment. Buddhist philosopher, peace activist and octogenarian Daisaku Ikeda has spent a lifetime studying and teaching about life's universal sufferings of birth, aging, sickness and death. His life exemplifies the health and happiness possible from a compassionate practice of Nichiren Buddhism. In The Third Stage of Life, a dialogue with two Japanese journalists, he shares his insights on how to make one's golden years a "third youth." What's the secret to living long? What are the keys to a healthy life? Is aging a period of decline or an opportunity to bring one's life to a satisfying conclusion? What example can we set for others in our third stage of life? Drawing on the lives of many individuals down through the ages, Mr. Ikeda discusses these and many other questions that affect us as we grow older. From the practical to the spiritual to the personal—as when his wife of sixty years joins the discussion in later chapters—The Third Stage of Life will inspire you to keep challenging and lead a life that shines. Legions of self-help authors rightly urge personal development as the key to happiness, but they typically fail to focus on its most important objective: hardiness. Though that which doesn't kill us can make us stronger, as Nietzsche tells us, few authors today offer any insight into just

how to springboard from adversity to strength. It doesn't just happen automatically, and it takes practice. New scientific research suggests that resilience isn't something with which only a fortunate few of us have been born, but rather something we can all take specific action to develop. To build strength out of adversity, we need a catalyst. What we need, according to Dr. Alex Lickerman, is wisdom—wisdom that adversity has the potential to teach us. Lickerman's underlying premise is that our ability to control what happens to us in life may be limited, but we have the ability to establish a life-state to surmount the suffering life brings us. The *Undeclared Mind* distills the wisdom we need to create true resilience into nine core principles, including: --A new definition of victory and its relevance to happiness --The concept of the changing of poison into medicine --A way to view prayer as a vow we make to ourselves. --A method of setting expectations that enhances our ability to endure disappointment and minimizes the likelihood of quitting --An approach to taking personal responsibility and moral action that enhances resilience --A process to managing pain—both physical and emotional—that enables us to push through obstacles that might otherwise prevent us from attaining our goals --A method of leveraging our relationships with others that helps us manifest our strongest selves

Through stories of patients who have used these principles to overcome suffering caused by unemployment, unwanted weight gain, addiction, rejection, chronic pain, retirement, illness, loss, and even death, Dr. Lickerman shows how we too can make these principles function within our own lives, enabling us to develop for ourselves the resilience we need to achieve indestructible happiness. At its core, *The Undeclared Mind* urges us to stop hoping for easy lives and focus instead on cultivating the inner strength we need to enjoy the difficult lives we all have. Nichiren Daishonin Buddhism encourages the belief that, through its faith and practices, spiritual and material blessings and benefits can be available to everyone in this life. Needs can be met, and success achieved, not merely for oneself but for others (and the world) through dedication to the Lotus Sutra, a central teaching of Buddhism. It combines these personal objectives with the commitment to world peace, ecology and the easing of suffering, especially, AIDS. Attracting such well known followers as Jeff Banks, Sandie Shaw, Tina Turner and Roberto Baggio, Nichiren Daishonin Buddhism is rooted in a Buddhist tradition going back to the teachings of Nichiren in the 13th century, and is part of an international movement based in Japan. &“I intend to write as if we were seated together in a shady grove cooled by gentle breezes, engaging in a relaxed conversation.&” So saying, Daisaku Ikeda invites us to explore with him five core principles of Nichiren Buddhism and the Soka Gakkai movement, so that we may find true happiness ourselves, help others do the same, and

bring about a more peaceful world. Through this novelized history of the Soka Gakkai-one of the most dynamic, diverse, and empowering Buddhist movements in the world today-readers will discover the organization's goals and achievements even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today's world. The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the world. This third volume focuses on the initial stages of the Soka Gakkai movement in India and southeast Asia in 1961, with an in-depth retelling of the life of the Buddha. This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others. An intimate portrayal of one of history's most important and obscure figures, the Buddha, this chronicle reveals him not as a mystic, but a warm and engaged human being that was very much the product of his turbulent times. This biographical account traces the path of Siddhartha Gautama as he walked away from the pleasure palace that had been his home and joined a growing force of wandering monks, ultimately making his way towards enlightenment beneath the bodhi tree, and spending the next 45 years sharing his insights along the banks of the Ganges. The Buddhist canon is expertly harvested to provide insight into the Buddha's inner life and to grant a better understanding of how he came to play his pivotal role as founder of one of the world's largest religions. Calming Dr. Twitch-A-Lot Volume 1 culminates in Evelyn Wolff's transformation into an artist. Volume 2 opens with Evelyn passionately embarking on her apprenticeship in stained glass. As well she trains as a psychotherapist and begins her Buddhist practice. Again Evelyn invites the reader into her world to continue her journey of self-discovery. Sharing her process so honestly and openly, we learn with her. Like Chiron, the wounded healer, Evelyn uses her spiritual practice to turn the poison of her life into medicine for herself and then for others. This tumultuous but joyful journey clarifies the self-care needed to Calm Dr. Twitch A Lot. The knowledge and wisdom gained evolves into the holistic self-care program, Nourishing Ourselves, her gift to the world. Readers in all stages of life will relate to the joys, doubts, and insecurities she experiences. Their minds will be opened by her discoveries that ultimately allow love to heal, even her deepest wounds. Her stunning artistry is interwoven while navigating changes in career, locales, and relationships. The glassworks are metaphors for the inner masterpiece created, reflecting her life's increasing radiance and joy. Enjoy the ride! The Volume Deals With The Organization, The Ideology And The Role Of Rss In The Cultural Reguvination Of Hindu Society In India. It Talks About The

**Founder And His Successors In Building Up The Organization. Has 28 Chapters Dealing With Various Factors And The Contributions Of The Rss. The Lotus Sutra, Shakyamuni Buddha's highest teaching, explains that all people—regardless of gender, social status or education—can uncover the Buddha nature they inherently possess. Based on this empowering and compassionate sutra, Nichiren Daishonin revealed the supreme practice for the modern world. Now, in clear, down-to-earth terms, SGI President Ikeda and Soka Gakkai Study Department leaders Katsuji Saito, Takanori Endo and Haruo Suda explore the profound meaning of the Lotus Sutra's twenty-eight chapters. Basing themselves on Nichiren Daishonin's lectures on the Lotus Sutra, The Record of the Orally Transmitted Teachings, they explain the concepts that form the foundation of SGI members' Buddhist practice. Through their discussions, the ancient text of the Lotus Sutra comes alive, brimming with profound significance and practical advice for living in today's world. Volume five covers chapters 17-22 of the twenty-eight chapter Lotus Sutra. Nam-myoho-enge-kyo is like a roar of a lion that what sickness can therefore be an obstacle.-Nichiren Daishonin. Faith in Nichiren Buddhism-Guidance on Happiness, Health & Relationship Vol-1 (Updated in Sept 2022) This book comprises guidance on overcoming illness, relationships and achieving happiness by practising Nichiren Buddhism and chanting Nam-Myoho-Renge-Kyo. Nichiren Buddhism encourages the belief that, through its faith and practices, spiritual and material blessings and benefits can be available to everyone in this life. Needs can be met, and success achieved, not merely for oneself but for others (and the world) through dedication to the Lotus Sutra, a central teaching of Buddhism. Nichiren Buddhism is rooted in a Buddhist tradition going back to the teachings of Nichiren in the 13th century. Copyright (c) 2022 BuddhahoodTimes.com All rights reserved. Gleaned from more than fifty years of SGI President Ikeda's works, The Wisdom for Creating Happiness and Peace provides a window into the SGI president's thought and philosophy. His works are a boundless source of inspiration. They embody a universal message of hope and courage for a world increasingly beset with sorrow and suffering. Nichiren Daishonin's writings provide a practical formula for enabling all people to achieve victory in every aspect of their lives and attain an unshakable state of happiness. This volume of Learning from Nichiren's Writings: The Teachings for Victory contains two commemorative lectures (November 18 and May 3) by SGI President Daisaku Ikeda in addition to lectures on seven of Nichiren's letters: "False Official Documents" & "The Eight Winds" & "The Wealthy Man Sudatta" & "New Year's Goshō" & "The Difficulty of Sustaining Faith" & "Letter to the Sage Nichimyo" & "The One-eyed Turtle and the Floating Log" President Ikeda elucidates the importance of studying**

**Nichiren's writings as the foundation of Nichiren Buddhism as practiced by the Soka Gakkai International. His lectures bring Nichiren's immense wisdom, compassion, and courage into focus for the present age. In reading and studying these lectures, we learn how to apply in daily life Nichiren's profound philosophy for inner transformation and victory for both ourselves and others. The Teachings for Victory will empower you to develop the strength and wisdom to bring forth your inherent potential. -- Robert E. Morrell, Washington University**

**Through this novelized history of the Soka Gakkai-one of the most dynamic, diverse, and empowering Buddhist movements in the world today-readers will discover the organization's goals and achievements even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today's world. The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the world. This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others. From the Japanese word meaning "to create value," this book presents a fresh perspective on the question of the ultimate purpose of education. Mixing American pragmatism and the Buddhist philosophy of respect for all life, the goal of Soka education is the lifelong happiness of the learner. Rather than offering practical classroom techniques, this book speaks to the emotional heart of both the teacher and the student. With input from philosophers and activists from several cultures, it advances the conviction that the true purpose of education is to create a peaceful world and to develop the individual character of each student in order to achieve that goal. This revised edition contains four new chapters that further elaborate on how to unlock self-motivated learning and how to empower the learner to make a difference in their communities and the world. Addressing questions such as What constitutes a meaningful life? and What is true happiness?, this guide to Nichiren Buddhism presents the spiritual practice as a teaching of hope that can answer these and other important questions of modern life. Buddhist teacher Daisaku Ikeda offers insights into The Opening of the Eyes, a longer treatise written by Nichiren that calls for individuals to base themselves on a spirit of compassion and to fight for the happiness of others, regardless of the circumstances. Ikeda's simple and straightforward commentary brings this integral writing to life for a contemporary readership. Through the text and the accompanying commentary, readers will not will discover a philosophy of inner transformation that will help them find deep and lasting happiness for themselves and for others. With brief, easily absorbed wisdom from the precepts of Nichiren, a 13th-century**

**Buddhist priest, this collection of day-to-day musings can be enjoyed by casual readers and devoted followers alike. Covering a wide span of topics--from life and death to courage and winning--the practical information and encouragement are ideal for those seeking to find a deeper understanding of this ancient philosophy. Gleaned from more than sixty years of Daisaku Ikeda's works, this revised edition adds new selections that further provide a window into the SGI president's thought and philosophy. His words are an endless source of inspiration, hope, and courage for a world increasingly beset with sorrow and suffering. Chapters in this volume: "What Is True Happiness?" "Developing a Life State of Happiness" "The Practice for Transforming Our State of Life" "& 'It Is the Heart That Is Important'" "Transforming Suffering Into Joy" "The Principle of Cherry, Plum, Peach, and Damson" "Happiness for Both Ourselves and Others" "Facing Illness" "Creating a Brilliant Final Chapter in Life" "Joy in Both Life and Death" Through this novelized history of the Soka Gakkai—one of the most dynamic, diverse, and empowering movements in the world today—readers will discover the organization's goals and achievements even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today's world. The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the world. This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others. The Lotus Sutra, Shakyamuni Buddha's highest teaching, explains that all people—regardless of gender, social status or education—can uncover the Buddha nature they inherently possess. Based on this empowering and compassionate sutra, Nichiren Daishonin revealed the supreme practice for the modern world. Now, in clear, down-to-earth terms, SGI President Ikeda and Soka Gakkai Study Department leaders Katsuji Saito, Takanori Endo and Haruo Suda explore the profound meaning of the Lotus Sutra's twenty-eight chapters. Basing themselves on Nichiren Daishonin's lectures on the Lotus Sutra, The Record of the Orally Transmitted Teachings, they explain the concepts that form the foundation of SGI members' Buddhist practice. Through their discussions, the ancient text of the Lotus Sutra comes alive, brimming with profound significance and practical advice for living in today's world. Volume one covers chapters 1 and 2 of the twenty-eight chapter sutra. While the notion that "happiness can be found within oneself" has recently become popular, Buddhism has taught for thousands of years that every person is a Buddha, or enlightened being, and has the potential for true and lasting happiness. Through real-life examples, the authors explain how adopting this outlook**

has positive effects on one's health, relationships, and career, and gives new insights into world environmental concerns, peace issues, and other major social problems. What are the keys to raising happy and healthy children? First and foremost are the life force, wisdom, and love of the parents. Happy Parents, Happy Kids will give all parents essential guidance to develop themselves as they face the challenges and worries of raising the next generation. The SGI president's warm and broad-minded advice will serve as reliable guideposts as mothers and fathers seek to build happy families. Topics include: \* Respecting each child's individuality \* Dealing with delinquency \* The importance of parents changing themselves first \* How best to discipline \* School and studies \* Contributing to society

The Lotus Sutra has been regarded for centuries as one of the most important teachings in Mahayana Buddhism. This book goes beyond theory to show how to bring these teachings into practice in daily life. Containing profound truths for all people from every culture, it reveals the secret for attaining happiness for both oneself and others through the process of self-reformation. Based on the teachings of Nichiren, a 13th-century Buddhist teacher and reformer, the scriptures of the Lotus Sutra show how every person can attain Buddhahood. Through this novelized history of the Soka Gakkai—one of the most dynamic, diverse, and empowering Buddhist movements in the world today—readers will discover the organization's goals and achievements even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today's world. The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the world. This 1st volume looks at events that occurred in 1960 when Soka Gakkai was first brought to North and South America from Japan. This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others. Addressing questions such as What constitutes a meaningful life? and What is true happiness? , this guide to Nichiren Buddhism presents the spiritual practice as a teaching of hope that can answer these and other important questions of modern life. Buddhist teacher Daisaku Ikeda offers insights into four of Nichiren's revolutionary letters—each intended to bring out the inherent potential within each individual—and brings the message of the missives to life for a contemporary readership. Readers will not only learn about the exceptional life and times of Nichiren, they will also discover a philosophy of inner transformation that will help them find deep and lasting happiness for themselves and for others. This is the only book that offers commentaries on the writings of the 13th-century teacher Nichiren, one of the most important Japanese Buddhist teachers in the

**Mahayana tradition. Daisaku Ikeda, president of the worldwide Soka Gakkai International, elucidates the importance of studying Nichiren's writings as the foundation of Nichiren Buddhism as practiced by the Soka Gakkai International. His lectures bring Nichiren's immense wisdom, compassion, and courage into focus for the present age. In reading and studying these lectures, we learn how to apply in daily life Nichiren's profound philosophy for inner transformation and victory for both ourselves and others. The Hope-Filled Teachings of Nichiren will empower you to find hope and develop the strength and wisdom to bring forth your inherent potential. China now attracts global attention in direct proportion to its increasing economic and geopolitical power. But for millennia, the philosophy which has shaped the soul of China is not modern Communism, or even new forms of capitalism, but rather Confucianism. And one of the most striking phenomena relating to China's ascendancy on the world stage is a burgeoning interest, throughout Asia and beyond, in the humanistic culture and values that underlie Chinese politics and finance: particularly the thought of Confucius passed on in the Analects. In this stimulating conversation, two leading thinkers from the Confucian and Buddhist traditions discuss the timely relevance of a rejuvenated Confucian ethics to some of the most urgent issues in the modern world: Sino/Japanese/US relations; the transformation of society through education and dialogue; and the role of world religions in promoting human flourishing. Exploring correspondences between the Confucian and Buddhist world-views, the interlocutors commit themselves to a view of spirituality and religion that, without blurring cultural difference, is focused above all on the 'universal heart': on harmony between people and nature that leads to peace and to a hopeful future for all humanity. Once called 'the wellspring of the revolution' by Fidel Castro, Jose Marti (1853-1895) is revered as one of the greatest figures in the history of Cuba. Not only was he instrumental in the late nineteenth-century cause of securing Cuban independence from Spain. He is also considered one of Cuba's most brilliant writers, orators and formative intellectuals, who provided inspiration to the young Fidel, Che and their fellow revolutionaries by dedicating his whole life to the goal of national political emancipation. Jose Marti suffered persecution and early imprisonment for his convictions, and in consequence is often referred to as the 'Cuban Apostle'. In this wide-ranging discussion of Marti's life, work and influence, distinguished Cuban poet Cintio Vitier and prominent Buddhist leader Daisaku Ikeda explore their subject's understanding of non-violence; his nationalism that was also a profound openness to difference and dialogue; his spirituality; his poetical writings; and most of all his fundamental dignity, humanity and self-mastery. The book explores above all the nature of sacrifice, and the cost of relinquishing personal happiness**

for the sake of a great cause. The discussants examine Marti's family life, including his difficult relationships with his wife - Carmen Zayas Bazan - and his parents, who distanced themselves from his revolutionary fervour. Comparisons are drawn between Marti's ideals and Nichiren Buddhism as a source of unfailing hope and courage. As Daisaku Ikeda, follower of Nichiren, says at one point in the dialogue: 'Self-mastery is the hardest thing of all. But to have a spiritual nature worthy of the name, a person must overcome himself, a task that only a true optimist can accomplish. Marti's perspicacity is revealed in his conviction that final victory in life is assured by such optimists.' Marti, like Nichiren, had the unerring ability to turn enemies into friends. And as Cintio Vitier and Daisaku Ikeda reveal, what set Marti apart was not his thought or ideas alone but what emanated from his words and found embodiment in his actions. It was thus that a follower at the time could say of him: we don't understand him, but we are ready to die for him. -- Tricycle: The Buddhist Review

In 13th-century Japan, disease, famine, violence, and natural disasters plague society. Samurai lords, blinded by power, shirk any responsibility to protect the citizenry. Religious leaders care more about currying favor with the powerful than helping common people find hope and a positive way to deal with their suffering. But one unknown Buddhist monk dares to speak the truth to power: Nichiren remonstrates with the authorities. He insists that all human life is precious and that the government needs to change its ways and become of service to the people. He criticizes the established religions as being merely pawns of the state, who teach ideas that only further the people's sense of powerlessness. The true purpose of Buddhism, he asserts, is to teach people a way to empower themselves, challenge their destiny, and experience happiness in this life. Based on actual events, this exciting comic touches on major milestones in Nichiren's life interwoven with basic Buddhist principles. This real-life adventure story will captivate readers as it illustrates the life of one courageous human being who stopped at nothing to bring happiness to the people and peace to the land. What constitutes a meaningful life? What is true happiness? Nichiren Buddhism, based on the Lotus Sutra, is a teaching of hope that provides answers to these and other important questions for modern life. Ranked among the most important works in Mahayana Buddhism, Nichiren's 13th-century writings were revolutionary. In *On Attaining Buddhahood in This Lifetime*, Nichiren turned prevailing Buddhist thought on its head. Attaining Buddhahood, or enlightenment, he argues, does not require embarking on some inconceivably long journey toward becoming some resplendent godlike Buddha, but rather it means accomplishing a transformation in the depths of one's being and revealing one's ultimate potential within. And Nichiren dedicated his life—braving all manner of persecution—to giving

people a practical means for doing so. Daisaku Ikeda's simple and straightforward commentary brings alive this important writing for the modern world. Thoughtful people of all faiths will resonate with his compassionate insights on the universal teaching of happiness that is Nichiren Buddhism. Through this novelized history of the Soka Gakkai—one of the most dynamic, diverse, and empowering movements in the world today—readers will discover the organization's goals and achievements even as they find inspiring and practical Buddhist wisdom for living happily and compassionately in today's world. The book recounts the stories of ordinary individuals who faced tremendous odds in transforming their lives through the practice of Nichiren Buddhism and in bringing Buddhism's humanistic teachings to the world. This inspiring narrative provides readers with the principles with which they can positively transform their own lives for the better and realize enduring happiness for themselves and others. Is there more to Buddhism than sitting in silent meditation? Is modern Buddhism relevant to the problems of daily life? Does it empower individuals to transform their lives? Or has Buddhism become too detached, so still and quiet that the Buddha has fallen asleep? Waking the Buddha tells the story of the Soka Gakkai International, the largest, most dynamic Buddhist movement in the world today—and one that is waking up and shaking up Buddhism so it can truly work in ordinary people's lives. Drawing on his long personal experience as a Buddhist teacher, journalist, and editor, Clark Strand offers broad insight into how and why the Soka Gakkai, with its commitment to social justice and its egalitarian approach, has become a role model, not only for other schools of Buddhism, but for other religions as well. Readers will be inspired by the struggles and triumphs of the Soka Gakkai's three founding presidents—individuals who staked their lives on the teachings of the Lotus Sutra and the extraordinary power of those teachings to help people become happy.
