The Answers Jun 30 2020 NAMED A TOP 10 NOVEL OF 2017 BY THE WALL STREET JOURNAL AND VOGUE, A BEST BOOK OF 2017 BY ESQUIRE, HUFFINGTON POST, POP SUGAR, ELECTRIC LITERATURE AND KIRKUS, AND A 2017 NPR GREAT READ. ONE OF DWIGHT GARNER'S TOP BOOKS OF 2017 IN THE NEW YORK TIMES. A NEW YORK TIMES BOOK REVIEW EDITOR'S CHOICE AND A FINALIST FOR THE CHICAGO REVIEW OF BOOKS FICTION AWARD. "Like Margaret Atwood's *The Handmaid's Tale*, [The Answers] is also a novel about a subjugated woman, in this case not to a totalitarian theocracy but to subtler forces its heroine is only beginning to understand and fears she is complicit with." --Dwight Garner, New York Times Mary Parsons is broke. Dead broke, really: between an onslaught of medical bills and a mountain of credit card debt, she has been pushed to the brink. Hounded by bill collectors and still plagued by the painful and bizarre symptoms that doctors couldn't diagnose, Mary seeks relief from a holistic treatment called Pneuma Adaptive Kinesthesia-PAKing, for short. Miraculously, it works. But PAKing is prohibitively expensive. Like so many young adults trying to make ends meet in New York City, Mary scours Craigslist and bulletin boards for a second job, and eventually lands an interview for a high-paying gig that's even stranger than her symptoms or the New Agey PAKing. Mary's new job title is Emotional Girlfriend in the "Girlfriend Experiment"—the brainchild of a wealthy and infamous actor, Kurt Sky, who has hired a team of biotech researchers to solve the problem of how to build and maintain the perfect romantic relationship, cast - ing himself as the experiment's only constant. Around Kurt, several women orbit as his girlfriends with spe - cific functions. There's a Maternal Girlfriend who folds his laundry, an Anger Girlfriend who fights with him, a Mundanity Girlfriend who just hangs around his loft, and a whole team

of girlfriends to take care of Intimacy. With so little to lose, Mary falls headfirst into Kurt's messy, ego-driven simulacrum of human connection. Told in Catherine Lacey's signature spiraling, hypnotic prose, *The Answers* is both a mesmerizing dive into the depths of one woman's psyche and a critical look at the conventions and institutions that infiltrate our most personal, private moments. As Mary struggles to understand herself—her body, her city, the trials of her past, the uncertainty of her future—the reader must confront the impossible questions that fuel Catherine Lacey's work: How do you measure love? Can you truly know someone else? Do we even know ourselves? And listen for Lacey's uncanny answers.

The Book of Why Sep 25 2022 "This is a haunting and extraordinary book." -- Julie Orringer, author of *The Invisible Bridge* Self-help writer Eric Newborn's motivational books have spawned a legion of devoted followers who swear that his ideas have pulled their lives from the brink. But after Eric can't save his own wife from dying, he finds himself at a loss -- the power of positive thinking is simply not enough to overcome his grief. Retreating to the home he and his wife shared on Martha's Vineyard, Eric, with his dog as his closest companion, attempts to distance himself from the teachings he has come to hate. But when a woman named Sam shows up at his door one night five years later, Eric must finally confront his heartache and reconcile his worldview with the pain he has suffered. At once a powerful love story, a stirring portrait of a soul laid bare by grief, and a celebration of coincidence, connection, and the belief that true love never dies, *The Book of Why* explores the deep powers of the heart and mind to shape the world around us, blurring the lines between loss and love, fate and free will, despair and joy.

Left Behind Jan 30 2023 After millions of people around the world vanish in one moment, in what many claim to be the Rapture, Rayford Steele begins a search for the truth amidst global chaos.

Lord of the Silent Nov 23 2019 "Irresistible...Amelia is still a joy." --New York Times Book Review The intrepid archeologist Amelia Peabody and her fearless family, the Emersons, are back in Egypt, and something very nasty is afoot in *Lord of the Silent*—New York Times bestselling Grandmaster Elizabeth Peters's sparkling adventure with more riddles than the Sphinx and more close calls and stunning escapes than an Indiana Jones movie. Reviewers are simply agog over *Lord of the Silent*, calling it, "Wonderfully entertaining" (Washington Times), "Deeply satisfying" (Entertainment Weekly), and in the words of the Toronto Globe and Mail, "The hype is true. This is Peters's best book."

The Book of Dreams Jan 24 2020 Warm, wise, and magical—the latest novel by the bestselling author of *THE LITTLE PARIS BOOKSHOP* and *THE LITTLE FRENCH BISTRO* is an astonishing exploration of the thresholds between life and death Henri Skinner is a hardened ex-war reporter on

the run from his past. On his way to see his son, Sam, for the first time in years, Henri steps into the road without looking and collides with oncoming traffic. He is rushed to a nearby hospital where he floats, comatose, between dreams, reliving the fairytales of his childhood and the secrets that made him run away in the first place. After the accident, Sam—a thirteen-year old synesthete with an IQ of 144 and an appetite for science fiction—waits by his father's bedside every day. There he meets Eddie Tomlin, a woman forced to confront her love for Henri after all these years, and twelve-year old Madelyn Zeidler, a coma patient like Henri and the sole survivor of a traffic accident that killed her family. As these four very different individuals fight—for hope, for patience, for life—they are bound together inextricably, facing the ravages of loss and first love side by side. A revelatory, urgently human story that examines what we consider serious and painful alongside light and whimsy, *THE BOOK OF DREAMS* is a tender meditation on memory, liminality, and empathy, asking with grace and gravitas what we will truly find meaningful in our lives once we are gone.

Dreaming Spies Mar 27 2020 NEW YORK TIMES BESTSELLER • WINNER OF THE AGATHA AWARD FOR BEST HISTORICAL NOVEL • NAMED ONE OF THE TEN BEST MYSTERIES OF THE YEAR BY THE SEATTLE TIMES Laurie R. King's novels of suspense featuring Mary Russell and her husband, Sherlock Holmes, are critically acclaimed and beloved by readers for the author's adept interplay of history and adventure. Now the intrepid duo is finally trying to take a little time for themselves—only to be swept up in a baffling case that will lead them from the idyllic panoramas of Japan to the depths of Oxford's most revered institution. After a lengthy

case that had the couple traipsing all over India, Mary Russell and Sherlock Holmes are on their way to California to deal with some family business that Russell has been neglecting for far too long. Along the way, they plan to break up the long voyage with a sojourn in southern Japan. The cruising steamer Thomas Carlyle is leaving Bombay, bound for Kobe. Though they're not the vacationing types, Russell is looking forward to a change of focus—not to mention a chance to travel to a location Holmes has not visited before. The idea of the pair being on equal footing is enticing to a woman who often must race to catch up with her older, highly skilled husband. Aboard the ship, intrigue stirs almost immediately. Holmes recognizes the famous clubman the Earl of Darley, whom he suspects of being an occasional blackmailer: not an unlikely career choice for a man richer in social connections than in pounds sterling. And then there's the lithe, surprisingly fluent young Japanese woman who befriends Russell and quotes haiku. She agrees to tutor the couple in Japanese language and customs, but Russell can't shake the feeling that Haruki Sato is not who she claims to be. Once in Japan, Russell's suspicions are confirmed in a most surprising way. From the glorious city of Tokyo to the cavernous library at Oxford, Russell and Holmes race to solve a mystery involving international extortion, espionage, and the shocking secrets that, if revealed, could spark revolution—and topple an empire. Praise for *Dreaming Spies* "[Holmes and Russell's] unusual partnership is, as always, a delight to observe, and King expertly combines rich historical detail, deftly drawn characters and taut suspense. Volk Jan 18 2022 The sequel to Eutopia is “a nailbiter . . . that is spooky as hell, a critical and sharp demolition of Lovecraft’s own romanticization of eugenics” (Cory Doctorow, Boing Boing). In Eutopia, an orphaned farm boy and a black physician came face to face with monsters both human—American eugenicists—and inhuman—a parasite called the Juke. Volk is “another dive into the horrific . . . a dazzling horror novel that’s unafraid to ask questions and leave some of them unanswered” (Publishers Weekly, starred review). At the dawn of the twentieth century, Dr. Andrew Waggoner and Jason Thistledown made it out of the Idaho town of Eliada alive—but so did the Juke . . . Now, in 1931 Europe, there are those who seek to resurrect the philosophy of the founders of Eliada. Deep in the Bavarian mountains, research has begun on the creature whose seductive poison can be used in the Nazis’ quest for a master race. Still struggling with the aftershocks of their encounters with the Juke, Dr. Waggoner has become the head of a secret society in Paris dedicated to the monster’s destruction, while Thistledown is a veteran World War I pilot. The Nightingale Dec 05 2020 In love we find out who we want to be. In war we find out who we are. FRANCE, 1939 In the quiet village of Carriveau, Vianne Mauriac says goodbye to her husband, Antoine, as he heads for the Front. She doesn't believe that the Nazis will invade France...but invade they do, in droves of marching soldiers, in caravans of trucks and tanks, in planes that fill the skies and drop bombs upon the innocent. When a German captain requisitions Vianne's home, she and her daughter must live with the enemy or lose everything. Without food or money or hope, as danger escalates all around them, she is forced to make one impossible choice after another to keep her family alive. Vianne's sister, Isabelle, is a rebellious eighteen-year-old girl, searching for purpose with all the reckless passion of youth. While thousands of Parisians march into the unknown terrors of war, she meets G etan, a partisan who believes the French can fight the Nazis from within France, and she falls in love as only the young can...completely. But when he betrays her, Isabelle joins the Resistance and never looks back, risking her life time and again to save others. With courage, grace and powerful insight, bestselling author Kristin Hannah captures the epic panorama of WWII and illuminates an intimate part of history seldom seen: the women's war. The Nightingale tells the stories of two sisters, separated by years and experience, by ideals, passion and circumstance, each embarking on her own dangerous path toward survival, love, and freedom in German-occupied, war-torn France--a heartbreakingly beautiful novel that celebrates the resilience of the human spirit and the durability of women. It is a novel for everyone, a novel for a lifetime.

Trianon Jun 22 2022 The story of Marie Antoinette and King Louis XVI. In this work of historical fiction, all of the characters were actual people. The incidents, situations and conversations are based on reality. It is the story of the martyred King Louis XVI and his Queen, Antoinette. The fruit of years of research, the book corrects many of the popular misconceptions of the royal couple, which secular and modernist historians have tried so hard to promote. Louis and

Antoinette can only be truly understood in view of the Catholic teachings to which they adhered and within the context of the sacrament of matrimony. It was the graces of this sacramental life that gave them the strength to remain loyal to the Church, and to each other, in the face of crushing disappointments, innumerable humiliations, personal and national tragedy, and death itself. Theirs is not a conventional love story; indeed it is more than a love story. The fortitude they each displayed at the very gates of hell is a source of inspiration for all Christians who live in troubled times. Hardcover, Smythe-sewn, cream paper, 205 pages.

The Fateful Lightning Sep 13 2021 NEW YORK TIMES BESTSELLER • From Jeff Shaara comes the riveting final installment in the Civil War series that began with A Blaze of Glory and continued in A Chain of Thunder and The Smoke at Dawn. November 1864: As the Civil War rolls into its fourth bloody year, the tide has turned decidedly in favor of the Union. A grateful Abraham Lincoln responds to Ulysses S. Grant's successes by bringing the general east, promoting Grant to command the entire Union war effort, while William Tecumseh Sherman now directs the Federal forces that occupy all of Tennessee. In a massive surge southward, Sherman conquers the city of Atlanta, sweeping aside the Confederate army under the inept leadership of General John Bell Hood. Pushing through northern Georgia, Sherman's legendary March to the Sea shoves away any Rebel presence, and by Christmas 1864 the city of Savannah falls into the hands of "Uncle Billy." Now there is but one direction for Sherman to go. In his way stands the last great hope for

the Southern cause, General Joseph E. Johnston. In the concluding novel of his epic Civil War tetralogy, Jeff Shaara tells the dramatic story of the final eight months of battle from multiple perspectives: the commanders in their tents making plans for total victory, as well as the ordinary foot soldiers and cavalymen who carried out their orders until the last alarum sounded. Through Sherman's eyes, we gain insight into the mind of the general who vowed to "make Georgia howl" until it surrendered. In Johnston, we see a man agonizing over the limits of his army's power, and accepting the burden of leading the last desperate effort to ensure the survival of the Confederacy. The Civil War did not end quietly. It climaxed in a storm of fury that lay waste to everything in its path. The *Fateful Lightning* brings to life those final brutal, bloody months of fighting with you-are-there immediacy, grounded in the meticulous research that readers have come to expect from Jeff Shaara. Ruin: A Novel of Flyfishing in Bankruptcy Dec 29 2022 *Ruin* is a thoroughly engrossing novel about a young couple's struggle back from financial catastrophe that so many of us dread. Having fled their urban life, they begin to build a new life together in a rural setting, far from former friends and colleagues—only to have it fall apart all over again in ways that could never be predicted. Frank Campbell, a thirty-something former founding owner of a high-flying New York City-based hedge fund, has gone bankrupt, losing not only all his own money but the entire inherited fortune of his artist wife, Francy. The couple take refuge in an abandoned Hudson Valley farm shared with a resident herd of congenial goats. Frank is deeply shaken by the life-changing loss that has so thoroughly ruined their life together. Frank tries to build a new microbrewery business on a shoestring but is haunted by the memory of passages from literature he revered as an undergraduate at Yale before jumping into finance. For Francy, her altered circumstances, after a lifetime of privilege, have galvanized her work as an artist and she distances herself from her struggling husband. In the midst of it all, Frank takes up fly fishing on the nearby river, aspiring to join the local fishing club. Tragedy ensues during a fishing contest, further framing Frank as a "loser loner" in life. Only when he turns to fly fishing in earnest, traveling the world in search of the ever more perfect and elusive trout (and one memorable carp), does he find his way forward in "the yowling madness" of the world.

Winner of the National Book Award Mar 08 2021 *Winner of the National Book Award*, the long-awaited novel from the author of the acclaimed collection, *Jenny and the Jaws of Life*, is an unusual and wonderful novel that is somehow able to be at once bleak and hilarious, light-hearted and profound. It's the story of two sisters. Abigail Mather is

a woman of enormous appetites, sexual and otherwise. Her fraternal twin Dorcas couldn't be more different: she gave up on sex without once trying it, and she lives a controlled, dignified life of the mind. Though Abigail exasperates Dorcas, the two love each other; in fact, they complete each other. They are an odd pair, set down in an odd Rhode Island town, where everyone has a story to tell, and writers, both published and unpublished, carom off each other like billiard balls. What is it that makes the two women targets for the new man in town, the charming schlockmeister Conrad Lowe, tall, whippet-thin and predatory? In Abigail and Dorcas he sees a new and tantalizing challenge. Not the mere conquest of Abigail, with her easy reputation, but a longer and more sinister game. A game that will lead to betrayal, shame and, ultimately, murder. In her darkly comic and unsettling first novel, Jincy Willett proves that she is a true find: that rare writer who can explore the shadowy side of human nature with the lightest of touches.

Promised Land Sep 01 2020 "Martin Fletcher, who headed up NBC TV's Tel Aviv News Bureau, knows his territory and it shows on every page. Promised Land is a great sweeping epic, reminiscent of Leon Uris' Exodus; a moving story of triumph and tragedy, new love and historic hate, expertly told by a cast of unforgettable characters. Fletcher's writing is superb and rises to the level of importance that this story demands and deserves. Historical novels don't get much better than Promised Land." —Nelson DeMille, #1 New York Times bestselling author of The Cuban Affair Promised Land is the sweeping saga of two brothers and the woman they love, a devastating love triangle set against the tumultuous founding of Israel. The story begins when fourteen-year-old Peter is sent west to America to escape the growing horror of Nazi Germany. But his younger brother Arie and their entire family are sent east to the death camps. Only Arie survives. The brothers reunite in the nascent Jewish state, where Arie becomes a businessman and one of the richest men in Israel while Peter becomes a top Mossad agent heading some of Israel's most vital espionage operations. One brother builds Israel, the other protects it. But they also fall in love with the same woman, Tamara, a lonely Jewish refugee from Cairo. And over the next two decades, as their new homeland faces extraordinary obstacles that could destroy it, the brothers' intrigues and jealousies threaten to tear their new lives apart. Promised Land is at once the gripping tale of a struggling family and an epic about a struggling nation.

The All of It Jul 12 2021 While fishing in an Irish salmon stream one rainy morning, Father Declan de Loughry ponders the recent deathbed confession of his parishioner Kevin Dennehy. It seems Dennehy and his wife, Enda, had been quietly living a lie for fifty years. Yet the gravity of their deception doesn't become clear to the good father until Enda shares the full tale of her suffering, finally confiding

"the all of it." Jeannette Haien's exquisite, awardwinning first novel is a deceptively simple story that resonates with the power of a modern-day myth—an unforgettable narrative of transgression, empathy, and, ultimately, absolution.

The Novelist Jun 10 2021 Brisk and shockingly witty, exuberantly scatological as well as deeply wise, The Novelist is a delight. Jordan Castro is a rare new talent: an author highly attuned to the traditions he is working within while also offering a refreshingly fun sendup of life beset by the endless scroll. –Mary South, author of You Will Never Be Forgotten In Jordan Castro's inventive, funny, and surprisingly tender first novel, we follow a young man over the course of a single morning as he tries and fails to write an autobiographical novel, finding himself instead drawn into the infinite spaces of Twitter, quotidian rituals, and his own mind. The act of making coffee prompts a reflection on the limits of self-knowledge; an editor's

embarrassing tweet sparks rage at the literary establishment; a meditation on first person versus third examines choice and action; an Instagram post about the ethics of having children triggers mimetic rivalry; the act of doing the dishes is at once ordinary and profound: one of the many small commitments that make up a life of stability. *The Novelist: A Novel* pays tribute to Nicholson Baker's *The Mezzanine* and Thomas Bernhard's *Woodcutters*, but in the end is a wholly original novel about language and consciousness, the internet and social media, and addiction and recovery.

Head On Feb 04 2021 "As much as Scalzi has the scientific creativity of a Michael Crichton, he also has the procedural chops of a Stephen J. Canell to craft a whodunit with buddy-cop charm and suspects aplenty—most of them in someone else's body." —USA Today John Scalzi returns with *Head On*, the standalone follow-up to the New York Times bestselling and critically acclaimed *Lock In*. Chilling near-future SF with the thrills of a gritty cop procedural, *Head On* brings Scalzi's trademark snappy dialogue and technological speculation to the future world of sports. *Hilketa* is a frenetic and violent pastime where players attack each other with swords and hammers. The main goal of the game: obtain your opponent's head and carry it through the goalposts. With flesh and bone bodies, a sport like this would be impossible. But all the players are "threeps," robot-like bodies controlled by people with Haden's Syndrome, so anything goes. No one gets hurt, but the brutality is real and the crowds love it. Until a star athlete drops dead on the playing field. Is it an accident or murder? FBI Agents and Haden-related crime investigators, Chris Shane and Leslie Vann, are called in to uncover the truth—and in doing so travel to the darker side of the fast-growing sport of *Hilketa*, where fortunes are made or lost, and where players and owners do whatever it takes to win, on and off the field. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Vagrants Dec 17 2021 In luminous prose, award-winning author Yiyun Li weaves together the lives of unforgettable characters who are forced to make moral choices, and choices for survival, in China in the late 1970s. Shortlisted for the 2011 International IMPAC Dublin Literary Award *Morning dawns* on the provincial city of Muddy River. A young woman, Gu Shan, a bold spirit and a follower of Chairman Mao, has renounced her faith in Communism. Now a political prisoner, she is to be executed for her dissent. Her distraught mother, determined to follow the custom of burning her only child's clothing to ease her journey into the next world, is about to make another bold decision. Shan's father, Teacher Gu, who has already, in his heart and mind, buried his rebellious daughter, begins to retreat into memories. Neither of them imagines that their daughter's death will have profound and far-reaching effects, in Muddy River and beyond. In

luminous prose, Yiyun Li weaves together the lives of these and other unforgettable characters, including a serious seven-year-old boy, Tong; a crippled girl named Nini; the sinister idler Bashi; and Kai, a beautiful radio news announcer who is married to a man from a powerful family. Life in a world of oppression and pain is portrayed through stories of resilience, sacrifice, perversion, courage, and belief. We read of delicate moments and acts of violence by mothers, sons, husbands, neighbors, wives, lovers, and more, as Gu Shan's execution spurs a brutal government reaction. Writing with profound emotion, and in the superb tradition of fiction by such writers as Orhan Pamuk and J. M. Coetzee, Yiyun Li gives us a stunning novel that is at once a picture of life in a special part of the world during a historic period, a universal portrait of human frailty and courage, and a mesmerizing work of art. Praise for *The Vagrants* "She bridges our world to the Chinese world with a mind that is incredibly supple and subtle."—*W Magazine* "A Balzacian look at one community's suppressed loves and betrayals."—*Vogue* "A sweeping novel of struggle, survival, and love in the time of oppression. . . . [an] illuminating, morally complex, and symphonic novel."—*O Magazine*

Fear Apr 28 2020 A NYRB Classics Original Winner of the Scott Moncrieff Prize for Translation A young soldier learns the true meaning of fear amidst the carnage of World War I in this literary masterpiece and "one of the most effective indictments of war ever written" (*Wall Street Journal*) 1915: Jean Dartemont heads off to the Great War, an eager conscript. The only thing he fears is missing the action. Soon, however, the vaunted "war to end all wars" seems like a war that will never end—whether mired in the trenches or going over the top, Jean finds himself caught in the midst of an unimaginable, unceasing slaughter. After he is wounded, he returns from the front to discover a world where no one knows or wants to know any of this. Both the public and the authorities go on talking about heroes—and sending more men to their graves. But Jean refuses to keep silent. He will speak the forbidden word. He will tell them about fear. John Berger has called *Fear* "a book of the utmost urgency and relevance." A literary masterpiece, it is also an essential and unforgettable reckoning with the terrible war that gave birth to a century of war.

Melville: A Novel Aug 25 2022 Originally published to promote his French translation of *Moby-Dick*, Jean Giono's *Melville: A Novel* is an astonishing literary compound of fiction, biography, personal essay, and criticism. In the fall of 1849, Herman Melville traveled to London to deliver his novel *White-Jacket* to his publisher. On his return to America, Melville would write *Moby-Dick*. *Melville: A Novel* imagines what happened in between: the adventurous writer fleeing London for the country, wrestling with an angel, falling in love with an Irish nationalist, and, finally, meeting the angel's challenge—to express man's fate by writing the novel that would become his masterpiece.

Eighty years after it appeared in English, Moby-Dick was translated into French for the first time by the Provençal novelist Jean Giono and his friend Lucien Jacques. The publisher persuaded Giono to write a preface, granting him unusual latitude. The result was this literary essay, Melville: A Novel—part biography, part philosophical rumination, part romance, part unfettered fantasy. Paul Eprile's expressive translation of this intimate homage brings the exchange full circle. Paul Eprile was a co-winner of the French-American Foundation's 2018 Translation Prize for his translation of Melville.

The Overstory: A Novel Apr 20 2022 Winner of the Pulitzer Prize in Fiction Shortlisted for the Man Booker Prize New York Times Bestseller A New York Times Notable Book and a Washington Post, Time, Oprah Magazine, Newsweek, Chicago Tribune, and Kirkus Reviews Best Book of 2018 "The best novel ever written about trees, and really just one of the best novels, period." —Ann Patchett The Overstory, winner of the 2019 Pulitzer Prize in Fiction, is a sweeping, impassioned work of activism and resistance that is also a stunning evocation of—and paean to—the natural world. From the roots to the crown and back to the seeds, Richard Powers's twelfth novel unfolds in concentric rings of interlocking fables that range from antebellum New York to the late twentieth-century Timber Wars of the Pacific Northwest and beyond. There is a world alongside ours—vast, slow, interconnected, resourceful, magnificently inventive, and almost invisible to us. This is the story of a handful of people who learn how to see that world and who are drawn up into its unfolding catastrophe.

PageTurners: It's Getting Hot in Here | One of Real Simple's Best New Books to Read in 2021 An astounding work of fiction from New York Times bestselling author Jason Mott, always deeply honest, at times electrically funny, that goes to the heart of racism, police violence, and the hidden costs exacted upon Black Americans and America as a whole In Jason Mott's Hell of a Book, a Black author sets out on a cross-country publicity tour to promote his bestselling novel. That storyline drives Hell of a Book and is the scaffolding of something much larger and more urgent: Mott's novel also tells the story of Soot, a young Black boy living in a rural town in the recent past, and The Kid, a possibly imaginary child who appears to the author on his tour. As these characters' stories build and converge, they astonish. For while this heartbreaking and magical book entertains and is at once about family, love of parents and children, art and money, it's also about the nation's reckoning with a tragic police shooting playing over and over again on the news. And with what it can mean to be Black in America. Who has been killed? Who is The Kid? Will the author finish his book tour, and what kind of world will he leave behind? Unforgettably told, with characters who burn into your mind and an electrifying plot ideal for book club discussion, Hell of a Book is the novel Mott has been writing in his head for the last ten years. And in its final twists, it truly becomes its title.
