It will no question squander the time.

However below, later than you visit this web page, it will be as a result unquestionably easy to acquire as skillfully as download lead **What Does The Bible Really Teach Paperback Watch Tower And Tract Society**

It will not give a positive response many epoch as we tell before. You can realize it while take action something else at house and even in your workplace. hence easy! So, are you question? Just exercise just what we have the funds for below as skillfully as evaluation **What Does The Bible Really Teach Paperback Watch Tower And Tract Society** what you gone to read!

Thank you definitely much for downloading **What Does The Bible Really Teach Paperback Watch Tower And Tract Society**. Most likely you have knowledge that, people have look numerous time for their favorite books like this **What Does The Bible Really Teach Paperback Watch Tower And Tract Society**, but stop occurring in harmful downloads.

Rather than enjoying a fine book taking into consideration a cup of coffee in the afternoon, instead they juggled later than some harmful virus inside their computer. **What Does The Bible Really Teach Paperback Watch Tower And Tract Society** is comprehensible in our digital library an online admission to it is set as public for that reason you can download it instantly. Our digital library saves in complex countries, allowing you to get the most less latency era to download any of our books once this one. Merely said, the **What Does The Bible Really Teach Paperback Watch Tower And Tract Society** is universally compatible considering any devices to read.

Yeah, reviewing a books **What Does The Bible Really Teach Paperback Watch Tower And Tract Society** could mount up your near associates listings. This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have extraordinary points.

Comprehending as skillfully as accord even more than new will come up with the money for each success. bordering to, the declaration as with ease as keenness of this **What Does The Bible Really Teach Paperback Watch Tower And Tract Society** can be taken as competently as picked to act.

When somebody should go to the book stores, search inauguration by shop, shelf by shelf, it is essentially problematic. This is why we present the book compilations in this website. It will completely ease you to look guide **What Does The Bible Really Teach Paperback Watch Tower And Tract Society** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you purpose to download and install the **What Does The Bible Really Teach Paperback Watch Tower And Tract Society**, it is certainly easy then, past currently we extend the partner to purchase and create bargains to download and install **What Does The Bible Really Teach Paperback Watch Tower And Tract Society** thus simple!

Dr. Michael S. Heiser presents fifteen years of research on what the Bible really says about the unseen world of the supernatural, unfiltered by tradition or by theological presuppositions. Who were the sons of God? Who were the Nephilim? Where do angels fit into the supernatural hierarchy? What relation does Jesus bear to the rest of the supernatural world? Heiser tackles these questions and many more as he shines a light on the ancient context of Scripture. After reading this book, you may never read your Bible the same way again. In *Supernatural*, Heiser takes the core message from his recent best-seller, *The Unseen Realm*, and presents it for the person in the pew. He offers the same approach to reading and understanding Scripture, but without all the extra footnotes and supporting information needed for the scholarly treatment. "We can't believe what we don't understand. In *Supernatural*, Michael Heiser helps us to do both. It may open your eyes to the scripture in a new way." —John Ortberg, author of *If You Want to Walk on Water, You've Got to Get Out of the Boat* *God is Really, Really Real* is designed to help teach children 30 essential biblical doctrines in a creative, yet effective way. As children interact with both the picture book and doctrines, they will become better equipped to understand and confront future doubts and challenges to their faith. Depending on the developmental age of each child, you can use all or some of these helps to communicate the individual truths: With younger children, it might be a good idea to begin by talking about a specific doctrine heading like, "What are some things that God created?" For older children, you can read, discuss, and memorize each statement and its meaning like, "God has always been alive and He has created everything!" Divided into three sections (an illustrated children's book, a section on 30 doctrines, and info for parents) to help you teach the doctrinal truths of God's Word! Each of the essential doctrines has a heading, a statement, a Scripture verse, a short explanation, and an in-depth "Help Them Understand" paragraph for parents. Each concludes with some great "Tuck-in Questions" for bedtime. Invest a few moments a day and guide your child in establishing a vital foundation of biblical truth. There is nothing more precious than helping our children grow in Christ! As parents, we deeply desire the best for our kids. We look for the right preschool, teach them to read, and get them involved in extracurriculars. We take our job as parents seriously. But are we also putting our time and energy into teaching them the Bible? Leading our kids to life through Scripture is not

only doable, it's an essential part of parenting kids for Jesus. And the good news is studying God's Word as a family doesn't have to be hard or overly time-consuming. This book will give you the tools and confidence to study the Bible as a family. It will help you identify and overcome your objections and fears, give you a crash course in what the Bible is all about and how to teach it, and provide the tools and techniques to set up a family Bible-study habit. You will finish this book feeling encouraged and empowered to initiate and strengthen your child's relationship with the Lord through his Word. Christians have great news to offer Jehovah's Witnesses. In this revised and updated version of the top-selling Reasoning from the Scriptures with the Jehovah's Witnesses (more than 90,000 copies sold), author and Bible expert Ron Rhodes helps readers delve into the Bible and use practical tools to share God's truths with those who come calling. Convenient side-by-side comparisons of the New World Translation and the Bible, along with answers to each doctrinal error espoused by the Witnesses Point-by-point lists of the favorite tactics and arguments used by the Witnesses—along with effective, biblical responses to each Questions you can ask to challenge the Jehovah's Witnesses' confidence in the Watchtower Society With easy-to-understand helps, concise information, direct comparisons of beliefs, and a compassionate presentation, this resource from Ron Rhodes is ideal for personal and church libraries and for any reader who wants to confidently share the gospel. The Bible is a revelation from God. There are many people today that don't see the Bible as the word of God, but see it as being outdated and obsolete. In other words, according to these critics, the Bible is no longer relevant today. They are ignorant that the Bible is a revelation from God about His will, character and actions as the infinite, perfectly wise and absolute God. The Lord Jesus Christ explicitly teaches us: "Heaven and earth will pass away, but My words will by no means pass away" (Luke 21:33). When we as humans try to comprehend the unlimited and infinite knowledge of God, there will be some portions of Scripture that are difficult to understand. This does not prevent us from confessing that the Bible is God's eternal, inspired word. Most people believe the Bible teaches that we will go to either heaven or hell at death. They might be surprised at what it really says! -- Inside this booklet: -- The Biblical Truth About the Immortal Soul -- The History of the Immortal-Soul Teaching -- The Spirit in Man -- Will a Loving God Punish People Forever in Hell? -- Lazarus and the Rich Man: Proof of Heaven and Hell? -- Are Some Tortured Forever in a Lake of Fire? -- Will the Torment of the Wicked Last Forever? -- Does the Bible Speak of Hellfire That Lasts Forever? -- Is Heaven God's Reward for the Righteous? -- Ancient Pagan Belief in Heaven -- Paul's Desire to "Depart and Be With Christ" -- Did Elijah Go to Heaven? -- Was Enoch Taken to Heaven? -- The Thief on the Cross -- Are There Saved Human Beings in Heaven? -- The Resurrection: God's Promise of Life After Death -- Your Awesome Future Lust is a problem. A big problem. Our sexualised culture, promising freedom and pleasure, is creating a terrible cocktail of abuse, pain, despair, and suffering. The problem is not simply our actions, but our sinful desires. But there is hope. Christ is more powerful than any lustful desire, any temptation. He has defeated death and sin, and his way leads to true freedom. When Christians have same-sex attraction, how should the church respond? Pastor Ed Shaw experiences same-sex attraction, and yet he is committed to Scripture and the church's traditional position on sexuality. In this honest book, he shares his own experiences and shows us that obedience to Jesus is ultimately the only way to experience life to the full. Revelation is possibly the most controversial book in the bible. Some famous theologians have even suggested to remove it from the bible canon because it is so hard to understand. I will argue it is not that difficult to make sense of as long as we manage to place it on "Gods timeline" in history and understand "Gods relation and reaction" to an unrepentant Israel. If we allow the bible text to be our theology in stead of trying to fit the bible into our theology, it all comes together nicely. It is Jesus speaking in Revelation. It is not a book to be ignored but to be studied diligently. It helps us understand where we are in history on "Gods timeline". The book in front of you is a commentary to the essential message, chapter and verses in the biblical book Revelation. You can not fully understand who Jesus is until you understand Revelation. Suddenly the overall message of the bible comes together. Exciting. This book is for bible readers that would like to be challenged and to understand "the bigger picture" of what God is trying to teach us through his word. If you on the other hand have a theology cemented in cherry-picked bible verses and religious denominational tradition, this book most likely is not for you. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. What the Bible Teaches is a classic volume that provides numerous outlined studies of what the Bible has to say on over fifty major doctrines of the Bible. The work examines what the Bible teaches about God, Jesus, the Holy Spirit, man, angels, Satan, prayer, worship, faith, and more. In this work, Torrey has made an attempt at a careful, unbiased study and statement of biblical truth, based upon a careful study of the original text. Beginning with one or more Scripture references as a starting point, these studies furnish a thorough analysis of a specific doctrinal truth. This orderly, systematic and thorough handbook is ideal for use as a reference work or in devotional study. It has been completely reformatted and the language has been updated to provide a useable study reference book for today's students of the Bible. Copyright © Libri GmbH. All rights reserved. Biblical theology and doctrines of Jehovah's Witnesses. More Than a Story: Old Testament is a new kind of Bible resource for children-taking them on a chronological journey through the Bible with a God-centered, gospel-focused, discipleship-oriented, theologically grounded perspective. Though the Bible is full of stories, it is MORE THAN A STORY. It is the authoritative Word of God that, throughout its pages, proclaims and magnifies the majestic character of God, His work in this world, and His plan of redemption for sinful men through His Son, Jesus. Much contemporary Christian teaching focuses upon the present benefits of a life consecrated to the service of Jesus. However, less attention has been paid to the relationship between present living and the future enjoyment of eternity with God. Investing in Eternity offers a thorough biblical and theological basis for what is known as the doctrine of degrees of reward in eternity. Rightly understood, this ancient but eminently relevant teaching of the Scriptures serves as a means of greater motivation in the Christian life. This book is intended not only for the general Christian public, but also for those who desire a more rigorous exegetical and theological treatment of the subject than is currently available. Specifically, this book will be an asset to a Christian who is struggling to understand the value of his service for Jesus in eternity and the pastor or instructor of higher education who wishes to clarify his own understanding of this doctrine. Since 2009 Dr. Bozung has served as Teaching Pastor at Christian Fellowship Church in New Holland, PA. He also serves as adjunct professor of Bible and Theology at Lancaster Bible College, Lancaster, PA. Besides the present volume, Dr. Bozung is the author of Making Sense of God's Plan for Humanity: An Easy to Understand Guide to Dispensationalism (Dispensational Publishing House, 2017) as well as numerous peer-reviewed articles and book reviews. Dr. Bozung has a PhD (2008) from Baptist Bible Seminary, Clarks Summit, PA, a ThM (1987) from Dallas Theological Seminary, and a BS (1979) from Penn State University. - Do you realize that Jesus was the Word of God in the flesh; and that the Old Testament Scriptures were inspired by Him? (John 1:1-14; 2 Tim. 3:16) - Do you realize that the New Covenant was God's Moral Law written on the hearts of believers, and that only the Ceremonial Law, as a middle wall of partition between Jew and Gentile, was fulfilled in Christ as the Lamb of God and therefore done away in Christ? (Compare Heb. 8:10 and Eph. 2:13-16) - Do you realize that a New Covenant believer who walks in the Spirit is fulfilling the righteousness of Moses' Law? (Romans 8:4) - Do you realize that any prophet speaking contrary to God's inspired Word is a false prophet, and therefore Jesus must be interpreted as speaking consistent with God's Word? (Isa. 8:20; Matt. 22:29) - Do you realize the Old Testament Scriptures were the only Scriptures Jesus spoke of and the apostles had at the first? (John 10:35; Luke 24:45; Acts 17:11; 2 Tim. 3:15-17) - Do you realize Malachi foretold that Jesus would come and preach against adulterers and in the same prophecy commanded the people to keep obeying Moses' Law? (Malachi 3:1-5 and 4:4) - Do you realize that everything taught in the New Testament concerning marriage, divorce, and remarriage is consistent with God's moral law? (Romans 7:1; 1 Cor. 7:39) - Do you realize there is no evidence in church history or the Bible that the apostles or early Christians ever denied baptism and membership to converted couples due to divorce and remarriage in their past? - Do you realize the pilgrim church and Anabaptist believers did not deny baptism and church membership to couples with divorce and remarriage in their past? Do you wish to know what the Bible REALLY teaches about divorce and remarriage? ...then carefully read this book with an open and honest heart seeking only for truth! "Grace" is a word not often used these days, except in a religious sense. But what does it really mean? What does it teach us about God the Father and Jesus Christ? What did the word mean when the biblical writers used it? We are the recipients of God's grace, but does it come with obligations on our part? Few things could be more important to our relationship with God than a true biblical understanding of grace! Be sure to read this eye-opening

study guide to discover the real biblical meaning of grace! Inside this Bible study aid: -- Grace: A Biblical Overview -- How Grace Reconciles Us to God -- Grace in Action: Jesus Christ's Example -- Grace and Law: What Does the Bible Say? -- What Did "Grace" Mean in the First-Century World? -- How Can You Grow in Grace? -- Repentance, Forgiveness, Power and Understanding Through Grace -- The Apostle Paul: an Example of God's Grace in Action Why does Bible study flourish in some churches and small groups and not in others? In this updated edition of a trusted classic, two Christian education specialists provide readers with the knowledge and methods needed to effectively communicate the message of the Bible. The book offers concrete guidance for mastering a biblical text, interpreting it, and applying its relevance to life. Its methods, which have been field-tested for twenty-five years, help pastors, teachers, and ministry students improve their classroom skills. Readers will learn how to develop the "big idea" of a passage and allow the text itself to suggest creative teaching methods. This new edition has been updated throughout and explores the changed landscape of Bible study over the past two decades. Readable and interdisciplinary in approach, this book will help a new generation of Bible students teach in a purposeful and unified way. The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for \$400. A conservation effort commencing in 2009, in partnership with the museum's Political History department, allowed for a public unveiling in an exhibit open from November 11, 2011, through May 28, 2012, at the National Museum of American History. The Bible can and should be an environment in which we live and move and have our being, an environment in which we are shaped by God in different and interrelated ways. As with aspects of our physical environment, we may have never noticed many elements of this spiritual environment before or may have only the vaguest sense of their influence. While we may be more familiar with certain elements, we may not realize the full extent of their influence or be too preoccupied to see how they relate to form the larger whole of how we are shaped. This book looks one-by-one at several ways in which the Bible's environment influences us as people and, in particular, shapes our beliefs, attitudes, and practices as teachers in the classroom. It is concerned with helping readers to be, at one and the same time, faithful to our common calling as educators and faithful to the Scriptures as Christians. What beliefs are core to the Christian faith? This book is here to help you understand the reason for your hope as a Christian so that you can see it with fresh sight and invite others into the conversation. A lot of Christians take their story—the narratives that give rise to their beliefs—for granted. They pray, go to church, perhaps even read their Bible. But they might be stuck if a stranger asked them to explain what they believe and why they believe it. Author, pastor, and theologian Mike Horton unpacks the essential and basic beliefs that all Christians share in a way that is easy to understand and applicable to our lives today. And in a way that will make you excited to be a Christian! Core Christianity covers topics like: Jesus as both fully God and fully man. The doctrine of the Trinity. The goodness of God despite a broken world. The ways God speaks. The meaning of salvation. What is the Christian calling? Includes discussion questions for individual or group use. This introduction to the basic doctrines of Christianity is perfect for those who are new to the faith, as well as those who have an interest in deepening their understanding of what it means to be a follower of Jesus Christ. In just a few short years, massive shifts in public opinion have radically reshaped society's views on homosexuality. Feeling the pressure to forsake long-held beliefs about sex and marriage, some argue that Christians have historically misunderstood the Bible's teaching on this issue. But does this approach do justice to what the Bible really teaches about homosexuality? In this timely book, award-winning author Kevin DeYoung challenges each of us—the skeptic, the seeker, the certain, and the confused—to take a humble look at God's Word. Examining key biblical passages in both the Old and New Testaments and the Bible's overarching teaching regarding sexuality, DeYoung responds to popular objections raised by Christians and non-Christians alike—offering readers an indispensable resource for thinking through one of the most pressing issues of our day. God made sexuality. It is a gift and stewardship from God. But there is much more to human identity than sexuality. We were made for eternity, where the church will be married to Christ. Let us look at the words of God about homosexuality and run straight into the arms of Christ, the Savior who welcomes repentant sinners of every kind to a kingdom not built with man's strength, but with the very power and grace of God. Kevin Giles has been writing on women in the Bible for over forty years. In this book, What the Bible Actually Teaches on Women, he gives the most comprehensive account to date of the competing conclusions to this question and the issues surrounding it. To understand the bitter and divisive debate among evangelicals over the status and ministry of women, it needs to be understood that those who since 1990 have called themselves "complementarians" argue that in creation before the fall God set the man over the woman. Thus, the leadership of the man and the subordination of the woman in the home, the church, and wherever possible in the world (the whole creation) is the God-given ideal that is pleasing to God. It is this "theology" that Kevin Giles deconstructs and shows to be without a biblical foundation. Giles shows that he is fully conversant with the complementarian position and yet is unpersuaded by it. He sees it as an appeal to the Bible to preserve male privilege, similar to the appeals to the Bible to validate slavery and Apartheid; appeals to the Bible made by some of the best Reformed and evangelical biblical scholars, and now seen to be special pleading. Carefully studying the limited number of texts on which complementarians predicate their theology of the sexes, Giles finds not one of them actually teaches what complementarians claim. Furthermore, complementarians too often ignore the texts that are very difficult for them. In this book the ordination of women gets only passing mention. The constant focus is on whether or not the Bible subordinates women to men as an abiding theological principle. Acts: vital to the church in every generation An exciting story of church growth Gospel spread from Jerusalem to Rome and beyond If you are less than familiar with the Bible, you might be surprised at what you'll find there. Does the Bible Really Say That? is a lively and practical guide that provides answers to issues faced by Catholics everywhere. Is the Bible the inspired Word of God? Is it reliable historically and scientifically? How is the Bible different than other religious writings? By pointing us to the evidence, Brian Broderson shows us how we can be confident the Bible is truly inspired by God, and therefore, truly relevant for each of our lives. "Does God's word in the Bible really condemn homosexuals? Top scholars - such as Yale history professor John Boswell and New Testament professor L. William Countryman of Berkeley and Robin Scroggs of Union Theological Seminary - show that those who perceive Bible passages as condemning homosexuality are being misled by faulty translation and poor interpretation. Daniel A. Helminiak, Ph.D. respected theologian and Roman Catholic priest, explains in a clear fashion the fascinating new insights of these scholars. The Bible has been used to justify slavery, inquisitions, apartheid and the subjugation of women. Now read what the Bible really says about homosexuality"--Page 4 of cover. While books on pedagogy in a theoretical mode have proliferated in recent years, there have been few that offer practical, specific ideas for teaching particular biblical texts. To address this need, Teaching the Bible, a collection of ideas and activities written by dozens of innovative college and seminary professors, outlines effective classroom strategies—with a focus on active learning—for the new teacher and veteran professor alike. It includes everything from ways to incorporate film, literature, art, and music to classroom writing assignments and exercises for groups and individuals. The book assumes an academic approach to the Bible but represents a wide range of methodological, theological, and ideological perspectives. This volume is an indispensable resource for anyone who teaches classes on the Bible. Wayuunaiki People all around us are seeking wholeness and happiness and acceptance. These are good things to seek. But if we seek them in the wrong places, we will surely reap calamity. This is just what's happening today regarding the LGBTQ movement. People are being told that if they follow their heart, their deepest instincts and desires, they'll be whole and happy and affirmed. But this is not true. Gavin Peacock and Owen Strachan delve into what God's Word says about gender identity and transgenderism. Simone Arnold is an ordinary French schoolgirlspirited and stubborn. Then the Nazis march in, demanding complete conformity. Friends become enemies. Teachers spout Nazi propaganda. School officials recruit for the Hitler Youth. Simone's family refuses to hail Hitler as Germany's savior. They are Jehovah's Witnesses, and they reject Nazi racism and violence. The Nazi Lion makes them pay the price. 2020 Center for Biblical Studies Finalist for Biblical Theology The truth about demons is far stranger--and even more fascinating--than what's commonly believed. Are demons real? Are they red creatures with goatees holding pitchforks and sitting on people's shoulders while whispering bad things? Did a third of the angels really rebel with Satan? Are demons and

"principalities and powers" just terms for the same entities, or are they different members of the kingdom of darkness? Is the world a chaotic mess because of what happened in Eden, or is there more to the story of evil? What people believed about evil spiritual forces in ancient biblical times is often very different than what people have been led to believe about them today. And this ancient worldview is missing from most attempts to treat the topic. In *Demons*, Michael Heiser debunks popular presuppositions about the very real powers of darkness. Rather than traditions, stories, speculations, or myths, *Demons* is grounded in what ancient people of both the Old and New Testament eras believed about evil spiritual forces and in what the Bible actually says. You'll come away with a sound, biblical understanding of demons, supernatural rebellion, evil spirits, and spiritual warfare. Bible teachers have an ideal model for evaluating their pedagogy: the Master Teacher Jesus. Read through the Gospels, and you quickly reach the conclusion that Jesus was a dynamic, remarkably effective teacher; never boring, always stimulating; never obtuse, always clear; never pompous or distant, always personal and lovingly concerned," writes Roy Zuck. Zuck explores Jesus' involvement of students in the learning process, his modeling of truth, his method of responding to questions, his use of rhetorical technique, visuals, and illustrations, and his attitude toward those who sat under his instruction. Zuck covers the Rabbi's overall style and its impact on disciples, the general public, and those who rejected him. Well-known Bible teacher Kay Arthur leads readers into the fascinating world of inductive Bible study where God Himself becomes the teacher (Psalm 119:102). With more than 60,000 copies sold, this book teaches readers how to study Scripture and specifically mark the text to unlock its meaning. In just 28 days readers learn how to study the Bible book by book and understand what they are reading recognize key words and concepts in the Bible discover the main point of any passage of Scripture discern God's purpose and apply life-changing truths to everyday life This is a very practical, hands-on, learn-by-doing book, perfect for either individuals or small groups. Bible text and space to write insights are included. Readers need only a pen, a few colored pencils...and a prayerful heart to complete each study and experience the Bible's life-changing power. Randy Klassen studies every significant reference to hell in the Bible, seeking an interpretation that both takes the Bible seriously as the very Word of God and harmonizes with the character of the God and "Abba" revealed through Jesus Christ. Controversial evangelical Bible scholar, popular blogger and podcast host of *The Bible for Normal People*, and author of *The Bible Tells Me So* and *The Sin of Certainty* explains that the Bible is not an instruction manual or rule book but a powerful learning tool that nurtures our spiritual growth by refusing to provide us with easy answers but instead forces us to acquire wisdom. For many Christians, the Bible is a how-to manual filled with literal truths about belief that must be strictly followed. But the Bible is not static, Peter Enns argues. It does not hold easy answers to the perplexing questions and issues that confront us in our daily lives. Rather, the Bible is a dynamic instrument for study that not only offers an abundance of insights but provokes us to find our own answers to spiritual questions, cultivating God's wisdom within us. "The Bible becomes a confusing mess when we expect it to function as a rulebook for faith. But when we allow the Bible to determine our expectations, we see that Wisdom, not answers, is the Bible's true subject matter," writes Enns. This distinction, he points out, is important because when we come to the Bible expecting it to be a textbook intended by God to give us unwavering certainty about our faith, we are actually creating problems for ourselves. The Bible, in other words, really isn't the problem; having the wrong expectation is what interferes with our reading. Rather than considering the Bible as an ancient book weighed down with problems, flaws, and contradictions that must be defended by modern readers, Enns offers a vision of the holy scriptures as an inspired and empowering resource to help us better understand how to live as a person of faith today. *How the Bible Actually Works* makes clear that there is no one right way to read the Bible. Moving us beyond the damaging idea that "being right" is the most important measure of faith, Enns's freeing approach to Bible study helps us to instead focus on pursuing enlightenment and building our relationship with God—which is exactly what the Bible was designed to do. The author was conducting a workshop for teachers in a church and was handed a note by a young woman in the workshop. The note read, I have never taught anything or anyone . . . I don't know how to begin to prepare. Can you help? Dr. Coleman meets scores of teachers just like the young woman. He indicates there are men and women who are doing their best, but who have serious doubts about their adequacy as teachers of the Bible. Wherever you meet them, they ask these same questions: How can I learn enough about the Bible to have something worth sharing with my class? How can I get the members of my class involved in the lessons, so I won't have to do all the talking? How do you get people interested, when they seem so indifferent to Bible study? Is there any way to get the class members to study their lessons? How do you lead class members to do something about the message of the Bible, other than just sit there and discuss it? Where can I find out more about teaching methods? How do you prepare a teaching plan? These workers care deeply about Bible teaching. They want to do a good job. But they don't quite know how to go about it. And that explains the reason for this book. Dr. Coleman integrates theory and practice in a how-to-do-it book which combines discussions of teaching with skill-building exercises. He brings the elements of a Bible teacher's conference to the individual who has had no opportunity to attend such a conference. At the same time, the book may also be used as a textbook for teacher-training workshops.
